Voter Eligibility

If you would like to vote in Ohio you must be registered. The registration deadline is 30 days before an election. You are qualified to register to vote in Ohio if you meet all the following requirements:

1. You are a citizen of the United States;
2. You will be at least 18 years old on or before the day of the next general election. (If you will be 18 on or before the general election, you may vote in the primary election to nominate candidates, but you cannot vote on issues or party central committees until you are 18);
3. You will be a resident of Ohio for at least 30 days immediately before the election in which you want to vote;
4. You are not incarcerated (in prison or jail) for a felony conviction under the laws of this state, another state, or the United States;
5. You have not been declared incompetent for voting purposes by a probate court; and
6. You have not been permanently disenfranchised for violating the election laws.

You are eligible to vote in elections held in your voting precinct 30 days after you are duly registered to vote in this state. You may request an absentee ballot during that 30 day period.
