The original letter of Protest from Ms. Shaliar Taylor, was received on August 8, 2022. The letter claimed:

- Ms. Davis is a current Democratic Central Committee Member from Garfield Hts.-04-C, winning the election at the May 3, 2022 election.
 - Revised protest letter omits this claim.
- Ms. Davis candidacy is invalid because:
ORC Section 3513.191 Disqualification of candidate for party primary.
(A) No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years.
- Ms. Davis voted as a Democrat in the May 3, 2022 election and has voted as a Democrat for over 20 years.

- Ms. Davis was appointed to a vacancy in then Ohio House District 11 as a Democrat in February 2022.

Registration Manager Edwards and Candidate & Petition Services Manager Lawler have reviewed the protest and offer their observations below:

- Ms. Davis has voted as a Democrat since 2004, but did not vote in the August 2, 2022 partisan primary.
- Ms. Davis was a candidate for the Garfield Heights 04-C Democratic County Central Committee at the May 3, 2022 partisan primary election.
- Ms. Davis **did not win** the election, and therefore not currently holding an office in the Democratic County Central Committee.
- Ms. Davis also is **not** a member of the Democratic County Executive Committee per a list of officers that is filed with the Board of Elections on July 12, 2022.
- Ms. Davis is currently a member of the Ohio House of Representative District 11, being appointed to fill the vacancy of Rep. Stephanie Howse in February 2022.
- Ms. Davis is currently listed on the Ohio House Member Directory as an Independent (Exhibit F).
- SOS 2022 Candidate Requirement Guide – Page 24 Independent Candidates (Exhibit D)
 - An independent candidate must actually be unaffiliated from any political party, and the required claim of being unaffiliated must be made in good faith in order for the candidate to be qualified to run as an independent candidate. *Morrison v. Colley*, 467 F.3d 503 (6th Cir. 2006); *Jolivette v. Husted*, 694 F.3d 760 (6th Cir. 2012); *State ex rel. Davis v. Summit County Board of Elections*, 137 Ohio St.3d 222 (2013); *State ex rel. Morris v. Stark County Board of Elections*, 143 Ohio St.3d 507 (2015).
 - At the time a prospective independent candidate (other than a candidate for judge of a municipal court, county court, or court of common pleas) files their nominating petition, the candidate may request to have the designation “nonparty candidate” or “other party candidate” printed underneath the candidate’s name on the ballot. The designation “independent” may not appear on the ballot. Such request must be given to the office at which the nominating petition was filed. ([R.C. 3505.03](#), [R.C. 3513.257](#))
 - Please review the information regarding office qualifications, signature requirements, and filing deadlines for the specific office being sought. More information about independent candidates may also be found in [Advisory 2007-05](#). (Exhibit E)
- Registration staff has reviewed the signatures on pages 3 and 4 of Ms. Davis filing and finds no reason to make changes to the original signature verification.

Cuyahoga County Board Of Elections (B.O.E)

2925 Euclid Ave

Cleveland, Ohio 44115

To the Chairman of the Board & Board Members,

My name is Shalira Taylor and I would like to contest/ protest Shayla. L Davis candidacy for State Representative district 18 as an Independent candidate on the 2022 November general election ballot.

Shayla. L Davis is a current seating Democrat Central Committee person seat number Garfield Heights ward 4 precinct C. Davis pulled a Democrat ballot and voted Democrat in the May 3rd 2022 primary.

Elected to the seat on May 3rd 2022, where Shayla. L Davis participated in the May 3rd 2022 primary election making her candidacy for State Representative as an Independent not valid due to Ohio revised code Section 3513.191 part (A) Disqualification of candidate for party primary.

(A) No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years.

Example: Shayla. L Davis participated in the May 3rd 2022 primary when she pulled a Democrat ballot and verbally voted for herself at the Cuyahoga County Board of Elections board hearing on 2-14-2022. Davis voted for herself verbally at the Board of Elections hearing to certify her Central Committee seat in the May 3rd 2022 primary. See Agenda item # 8 in the minutes for the Cuyahoga County Board of Election hearing.

On 2-14-2022 Shayla. L Davis went before the Cuyahoga County Board of Elections to request her name be accepted as Democrat Central Committee person for seat Garfield Heights ward 4 precinct C. At this time Shayla L Davis undoubtedly changed the outcome of the May 3rd 2022 election by doing so. Davis's name went from not being on the ballot to being on the ballot and winning the Central Committee seat in the May 3rd 2022 primary.

Making her a participating voter in the May 3, 2020 election as a Democrat. Which would be consistent with Davis's past voting record as a Democrat since 2004 for over 20 years. She was also appointed into District 11's State Representative seat by the Democrat Party just months before the May 3rd primary in February 2022 and at that time Davis expressed no interest in running for the State Representative seat for District 18.

Davis's first collected signatures for said State representative independent seat in June 2022, around the same time the Republican candidate for State Representative district 18 announced. This is a Democrat political move to run 2 Democrats against one Republican candidate in the November 2022 general election.

Section 3513.257

The filing deadline for independent candidates required in this section prevents splintered parties and unrestrained factionalism, avoids political fragmentation, and maintains the integrity of the ballot.

The general assembly finds that the filing deadline for independent candidates in primary elections required in this section is reasonably related to the state's purpose of ensuring fair and honest elections while leaving unimpaired the political, voting, and associational rights secured by the first and fourteenth amendments to the United States Constitution.

In addition to the above statement the petitions presented to the Cuyahoga County board of elections for Shayla L Davis to be on the ballot as an independent candidate should be reviewed by the board checking not only for the signers being registered voters but furthermore checking their signatures to the board of election signatures on file. Please view page 3-4 for signature discrepancies.

I move to have the board updated with the new findings with the disqualification of candidacy for Shayla L Davis as an Independent candidate for State Representative because she is a Democrat. I request that this is done at the next hearing. I also formally request a hearing for the matters above.

Thank you for your time and consideration.

Sincerely,

Shalira Taylor

Agenda Item 8: Certification of candidates and issues for the May 3, 2022, Primary Election

Prior to the certification of candidates and issues for the May 3, 2022, Primary Election, two candidates requested a Board Review of their petitions.

Brent Lawler, Candidate and Petition Services Manager, presented information from the board packet regarding Shayla L. Davis, Democratic County Central Committee Garfield Heights Ward 4 Precinct C. The petition required five valid signatures, six signatures were filed, four were deemed valid, and two were deemed not genuine by CCBOE staff. Shayla L. Davis addressed the Board regarding insufficient signatures on the petition. Ms. Davis provided a notarized affidavit from petition signatory Shy'aira Lashay Davis clarifying the printing of the name versus the required signature. Chairman Hastings asked Ms. Davis if she saw the signature cards of the signatories in question. Ms. Davis stated yes. Chairman Hastings asked Ms. Davis if she agreed the petition signature for Anthony B. Gamble III did not match the signature card. Ms. Davis said correct. Board Member Davis Chappell asked Ms. Davis if she agreed that Shy'aira Lashay Davis did print her name. The printed signature looks different from the provisional envelope signature the CCBOE has on file. Ms. Davis stated the signature does look different. However, the printed version matches her signature, and Shy'aira Lashay Davis printed her name to clarify the spelling and was not aware that printing the name was unacceptable. Chairman Hastings stated the CCBOE staff properly brought this discrepancy to the Board's attention, however in light of the letter from Shy'aira Lashay Davis and Ms. Davis's testimony under oath Chairman Hastings moved to have Shayla L. Davis certified to the Democratic County Central Committee Garfield Heights, Ward 4, Precinct C, May 3, 2022, Primary Election. Board Member Davis Chappell seconded. The motion passed unanimously.

Agenda Item 4: Hearing on the petitions received 2/1/2022 for the recall of the Mayor of Newburgh Heights

Chairman Hastings stated the petitioners had filed with the CCBOE a recall petition for the Mayor of the Village of Newburgh Heights. Brent Lawler, Candidate and Petition Services Manager, along with the Director and Deputy Director, had reached out to Luke McConville, Newburgh Heights Law Director, and inquired if state law permitted the recall petition to be certified for the ballot. The Law Director issued an opinion stating the recall petitions should not be certified to the ballot because the Charter for the Village of Newburgh Heights does not permit a recall election for the Mayor of the Village of Newburgh Heights. The petitioners hired Attorney Donald Brey, who wrote to Assistant Prosecutor Musson and the CCBOE stating the recall should be certified to the ballot. Chairman Hastings noted this matter is akin to a summary judgment motion. There are no facts in dispute and the Board's decision comes down to a matter of law. After hearing from the attorneys for the recall petitioners, the Village of Newburgh and the Board's attorney Assistant Prosecutor Musson, Chairman Hastings moved to not certify the petitions received on 2/1/2022 for the recall of the Mayor of Newburgh Heights. Board Member Davis Chappell seconded. The motion passed unanimously.

Chairman Hastings moved to acknowledge the withdrawal of candidates and issue from the May 3, 2022, Primary Election as provided in the meeting materials. Board Member Davis Chappell seconded. The motion passed unanimously.

Agenda Item 8: Certification of candidates and issues for the May 3, 2022, Primary Election

Prior to the certification of candidates and issues for the May 3, 2022, Primary Election, two candidates requested a Board Review of their petitions.

Brent Lawler, Candidate and Petition Services Manager, presented information from the board packet regarding Shayla L. Davis, Democratic County Central Committee Garfield Heights Ward 4 Precinct C. The petition required five valid signatures, six signatures were filed, four were deemed valid, and two were deemed not genuine by CCBOE staff. Shayla L. Davis addressed the Board regarding insufficient signatures on the petition. Ms. Davis provided a notarized affidavit from petition signatory Shy'aira Lashay Davis clarifying the printing of the name versus the required signature. Chairman Hastings asked Ms. Davis if she saw the signature cards of the signatories in question. Ms. Davis stated yes. Chairman Hastings asked Ms. Davis if she agreed the petition signature for Anthony B. Gamble III did not match the signature card. Ms. Davis said correct. Board Member Davis Chappell asked Ms. Davis if she agreed that Shy'aira Lashay Davis did print her name. The printed signature looks different from the provisional envelope signature the CCBOE has on file. Ms. Davis stated the signature does look different. However, the printed version matches her signature, and Shy'aira Lashay Davis printed her name to clarify the spelling and was not aware that printing the name was unacceptable. Chairman Hastings stated the CCBOE staff properly brought this discrepancy to the Board's attention, however in light of the letter from Shy'aira Lashay Davis and Ms. Davis's testimony under oath Chairman Hastings moved to have Shayla L. Davis certified to the Democratic County Central Committee Garfield Heights, Ward 4, Precinct C, May 3, 2022, Primary Election. Board Member Davis Chappell seconded. The motion passed unanimously.

Brent Lawler, Candidate and Petition Services Manager, presented information from the board packet regarding William Yeung, Democratic County Central Committee, Lakewood Ward 2, Precinct G. The issue which required Board review is Mr. Yeung will not be 18 years of age on the date of the May 3, 2022 and turns 18 years on May 26, 2022. As with State Central Committee candidates, Central Committee candidates are also elected at the May Primary; the positions are not nominated. The CCBOE staff has conferred with Assistant Prosecutor Musson, who concurs that Mr. Yeung's age disqualifies him from continuing as a qualified elector. The ORC Section 3517.02 on the Controlling Committees state that members shall be a resident and qualified elector of the district, and the election manuals state that candidates that are 17 years old could only vote on candidates seeking the election of nomination, they cannot vote on County Central, State Central or Issues so he would not be able to vote for himself. Mr. Yeung addressed the Board Members remotely regarding the interpretation of being a qualified elector. Chairman Hastings asked Assistant Prosecutor Musson to opine on this matter. Assistant Prosecutor Musson stated the CCBOE Board is bound by the Ohio Elections Official Manual and the Directives of the Ohio Secretary of State which holds that a 17-year-old is ineligible to vote for elections at the Primary. Seventeen-year-olds can nominate candidates for the general election, but the actual election of individuals at the primary election is not something a 17-year-old can vote on. Board Member Davis Chappell asked how there is a distinction in the interpretation between voting and running for election. Mr. Musson stated that to run as a Central Committee person, an individual must be 18 years old at the time of the election. Ms. Amelia Yeung, a parent of William Yeung, asked if the May 3, 2022, Primary Election is moved, how would the change in the Election date impact the age qualification for William Yeung. Chairman Hastings stated the CCBOE is currently required to certify Central Committee candidates by 4:00 p.m. on February 14, 2022, so a change in the primary date does not make her son eligible to run for Central Committee regardless of when the 2022 primary is held.

Chairman Hastings moved not to certify William Yeung to the Democratic County Central Committee, Lakewood Ward 2, Precinct G, May 3, 2022, Primary Election. Board Member Davis Chappell seconded. The motion passed unanimously.

Brent Lawler, Candidate and Petition Services Manager, presented information from the board packet of candidates not to certify for the May 3, 2022, Primary Election.

Chairman Hastings moved not to certify the individuals listed on the Petitions for Board Review, beginning with Luis R. Vizcarrondao, Jr. thru Gretchen Herzberger as listed in the board meeting materials for the reasons set forth in the agenda. Board Member Davis Chappell seconded. The motion passed unanimously.

Brent Lawler, Candidate and Petition Services Manager, presented information from the board packet of candidates and issues to be certified for the May 3, 2022, Primary Election.

As provided in the meeting materials, Chairman Hastings moved to certify the candidates and issues for the May 3, 2022, Primary Election. Board Member Davis Chappell seconded. The motion passed unanimously.

Agenda Item 9: Acknowledgment of the PEO Performance Report

Marlene Robinson Statler, Election Officials Assistant Manager, presented information from the board packet concerning the Precinct Election Official (PEO) Performance Report.

Chairman Hastings moved to acknowledge the PEO Performance Report. Board Member Davis Chappell seconded. The motion passed unanimously.

Agenda Item 10: Approval to Renew the Delivery & Return of Voting Equipment to Voting Locations Contract with Midfitz, Inc. dba Berman Moving & Storage, under subdivision (B) Article I., in the amount not-to-exceed \$51,463.50 for the First Renewal Period May 3, 2022, through November 2, 2022

Kendra Zusy, Fiscal Service Manager, presented information from the board packet regarding the approval to renew the Delivery & Return of Voting Equipment to Voting Locations Contract with Midfitz, Inc. dba Berman Moving & Storage. Board Member Davis Chappell asked how any changes to the Primary Election would affect what the Board is acting on today. Ms. Zusy stated that the contract covers the period from May 3, 2022, to November 2, 2022. The moving expense for any additional elections occurring in this time period are included. Director Perlatti stated if there were two primary elections, the CCBOE does not have the money encumbered, but the CCBOE does have the rate structure based on location delivery. Either the State would provide the funding, or the CCBOE would go to the County and ask for the additional funds for a second Primary Election.

Chairman Hastings moved to approve to renew the Delivery & Return of Voting Equipment to Voting Locations Contract with Midfitz, Inc. dba Berman Moving & Storage, under subdivision (B) Article I., in the amount not-to-exceed \$51,463.50 for the First Renewal Period May 3, 2022, through November 2, 2022. Board Member Davis Chappell seconded. The motion passed unanimously.

Board Member Davis Chappell recused herself from approving an internal voucher less than \$25,000 to the Academy of Continuing Legal Education for \$235.00 listed on the January 17, 2022, Voucher Summary.

Agenda Item 11: Approval to Suspend Contract (CM1356) with Tenex Software Solutions providing Online Poll Worker Management Solution Software, Election Force, Under the Authority of Subdivision (D)(3), Article IV. of the Contract

Director Perlatti stated the CCBOE has utilized Tenex Software Solutions Online Poll Worker Management Solutions, Election Force for online poll worker management. The Tenex software was used to collect information for poll worker applications, CCBOE staff also used it to assign poll workers to a polling locations and sign-up for training classes. The product was first used in the November 2020 Election when the Secretary of State allowed online training due to the pandemic. The product worked in 2020 but presented challenges. The CCBOE advised Tenex on what needed to be improved. In 2021, CCBOE staff worked with Tenex to implement an update, and there was some improvement. Tenex then came out with another update before the August 2021 Election, however, because of the proximity of that release and the August election those changes were not implemented during that election cycle. In the Fall of 2021, the CCBOE had four elections. The most significant issues the CCBOE experienced with the software were the speed and the versatility of tracking poll workers. CCBOE staff had weekly calls with Tenex to review the software issues.

Tenex issued another software release in December 2021, CCBOE staff reviewed this update in the test server, and significant performance issues still existed. Tenex were then informed that the Director and Deputy Director would be recommending that the CCBOE suspend the use of the Tenex Online Poll Worker Management Solution Software, Election Force, as the product does not perform to CCBOE standards. Tenex agreed with some of the issues that exist and mutually agreed that the CCBOE will not be using this product. The CCBOE has a plan going forward to replace the software by using DIMS, the voter registration database, MAC software product, and email communications using Constant Contact. The CCBOE will continue using Tenex University, the online poll worker training portal, and CCBOE staff is working with Tenex and Force regarding the necessary credentials. Chairman Hastings stated this is a mutual agreement, and the CCBOE has a plan to replace the Election Force functionalities. Director Perlatti stated yes. Chairman Hastings asked if there is a plan to regroup with Tenex in six months to review its software improvements. Director Perlatti stated Tenex would keep the testing portal open as modifications are made. The CCBOE will continue to test the modifications, and after the Primary Election, the CCBOE will meet with Tenex regarding the Online Poll Worker Management Software. Board Member Davis Chappell stated that there are service level guarantees and warranties under the contract and inquired if there will be a credit to the CCBOE for the performance issues in 2021. Board Member Davis Chappell would like legal counsel to review the contract and advise the Board.

Chairman Hastings moved to approve to suspend the contract (CM1356) with Tenex Software Solutions providing Online Poll Worker Management Solution Software, Election Force, Under the Authority of Subdivision (I)(3), Article IV, of the Contract. Board Member Stickan seconded. The motion passed unanimously.

Agenda Item 12: Challenge of right to vote filed by Delores Gray against Richard Starr

Betty Edwards, Registration Department Manager, provided information from the board packet regarding the challenge of the right to vote filed by Delores Gray against Richard Starr. On January 12, 2022, the CCBOE received Secretary of State Form 257 Challenge of Right to Vote from Delores Gray, challenging Richard Starr's voter registration address. In addition to the written submissions by the parties, the Board took testimony from both Ms. Gray and Mr. Starr who was accompanied by his attorney. At the conclusion of the hearing Board Member Davis Chappell moved to reject the Challenge of Right to Vote filed by Delores Gray against Richard Starr. Chairman Hastings seconded. The motion passed unanimously.

A transcript of this hearing can be obtained by contacting Mary Bejjani, CCBOE Clerk to the Board, at 216-443-6430/mbejjani@cuyahogacounty.gov.

Agenda Item 13: Approval of the personnel agenda

Chairman Hastings moved to approve the personnel agenda. Board Member Davis Chappell seconded. The motion passed unanimously.

NEW BUSINESS

Director Perlatti stated the Election Officials department is reformatting the training manual for poll workers based on input from focus groups. Also, letters have been mailed to people who have previously served as poll workers to update their contact information. The CCBOE has also worked

on incentivizing workers to complete the training. County Council approved an increase of the poll worker stipend. The pay will be increased (with incentives) from the old rate of \$172.00 to \$220.00. Individuals who complete the training within the first two weeks will be paid an additional \$30.00 training bonus. Training between weeks three and four will pay a bonus of \$15.00. By incentivizing individuals, the CCBOE can determine what works and adjust recruitment efforts accordingly. Additionally, an application has been submitted to the Ohio Supreme Court for Continuing Legal Education (CLE) credits. The CCBOE is also working on a continuing education credits program for social workers. Deputy Director Kaloger is working on recruitment efforts to increase the participation of Republican poll workers.

Director Perlatti stated that today's Berman's six-month contract extension, ends just before the November 8, 2022, General Election. There is language in the contract that the contract can be extended by mutual agreement of the parties. He indicated staff would like to extend the contract with Berman's until the end of 2022. In 2023, new bid specifications will be published based on the CCBOE's new voting equipment. Chairman Hastings clarified that if the CCBOE does enter into negotiations with Berman's and the parties come to an agreement that they believe is fair and reasonable, that agreement would be submitted to the Board for approval. Assistant Prosecutor Musson stated yes.

Director Perlatti stated that the CCBOE would be posting job openings in the next two weeks. Also, the CCBOE did receive notice of intent to depart from Mary Hannah Boyer, Database Analyst, as she is relocating. The CCBOE will be posting the IT position now since it can be challenging to fill. There are also reposting for Elections Officials in the Ballot Department, Campaign Finance Auditor, and Fiscal Officer positions. The Election Officials Recruiter position did receive approximately 25 applications, and Human Resources will identify applicants to proceed with an interview and assessment process. Job opportunities are being posted on the CCBOE and County websites, Indeed, social media, and sent to the major political parties. Human Resources is also reformatting the job postings to make the content more user-friendly.

August 7, 2022

To the Chairman of the Board & Board Members,

I am contesting Shayla. L Davis candidacy for State Representative District 18 as an independent candidate in the November, 2022 General Election

Ballot. Ms. Davis was on the ballot for the Democrat Central Committee seat in the primary election on May 3, 2022 for Garfield Heights Ward 4 Precinct C.

Ms. Davis also requested a Democrat Party ballot and voted Democrat in the May 3rd 2022 primary. Therefore, Ms. Davis is violating ORC §3513.191 part (A) whereas

'No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years.'

Furthermore, Ms. Davis also verbally voted for herself at the Cuyahoga County Board of Elections board hearing on February 14, 2022 where she testified to certify her Democrat Party Central Committee seat for the May 3rd 2022 primary.

(Ref: Agenda Item # 8 in the minutes for the Cuyahoga County Board of Election hearing.)

Ms. Davis undoubtedly changed the outcome of the May 3, 2022, election by doing so. Davis' name went from not being on the ballot to being on the ballot but lost the Democrat Central Committee seat primary. This participation verifies that she is a member of the Democratic Party. She has also voted consistently with the Democrat party since 2004.

Furthermore, she was appointed into the District 11 State Representative seat by the Democrat Party just months before the May 3rd primary, in February Davis expressed no interest in running for the State Representative seat for District 18.

Davis first collected signatures for the State Representative independent seat in question in June of 2022. This is clearly a Democrat political move to run 2 Democrats against one Republican candidate in the November general election.

Section 3513.257 sets the filing deadline for independent candidates to prevents splintered parties and unrestrained factionalism, avoids political fragmentation, and maintains the integrity of the ballot.

The general assembly finds that the filing deadline for independent candidates in primary elections required in this section is reasonably related to the state's purpose of ensuring fair and honest elections.

I request a board hearing to reject the candidacy for Shayla L Davis as an independent candidate for State Representative district 18. Ms. Davis is clearly a Democrat attempting to thwart our democratic system by running as an "Independent" which under these provisions qualifies her as running for a party that is opposite her registration.

Thank you for your time and consideration.

Sincerely,

Shalira Taylor

Re: Protest Regarding Shayla L. Davis, Independent Candidate
for State Representative, House District 18, November 8, 2022, General Election

Dear Cuyahoga County Board of Elections:

Please be advised that I represent the Respondent, Shayla L. Davis, an Independent candidate for State Representative, House District 18 in the November 8, 2022 General Election, regarding the Protest filed by Shalira Taylor ("Protester") on August 7, 2022 and revised on August 8, 2022. Ms. Davis and I will be present at the hearing currently scheduled for Monday, August 22, 2022, at 9:00 a.m. to present testimony, proffer documents, make oral arguments, and otherwise participate in the hearing.

Please allow this letter to serve as Ms. Davis's position paper. Ms. Davis reserves the right to proffer additional information, facts, documents, and other evidence and arguments at the protest hearing. It is important to note that the Protester is running for election to the subject District 18 of the Ohio House of Representatives in the same General Election on November 8, 2022, after she advanced as a write-in from the Republican Primary Election on August 2, 2022.

Ms. Davis is currently a member of the Ohio House of Representatives, representing District 11; an office she assumed on February 16, 2022 after being appointed to replace former Representative Stephanie Howse. Ms. Davis is currently running as an Independent Candidate for election to the Ohio House of Representatives to represent District 18.

The Protester requests the Cuyahoga County Board of Elections ("Board") to reject the candidacy of Ms. Davis as an Independent candidate for State Representative, House District 18, in the November 8, 2022 General Election. The Protester asserts three grounds; 1) That RC 3513.191 bars the candidacy; 2) That petition was not filed by the deadline; 3) That Ms. Davis was a candidate for

County Central Committee at the May 3, primary; 4) That Ms. Davis was appointed to fill a vacant seat in the General assembly; and 5) Ms. Davis has a past history of voting in Democratic Party primary elections. The first two grounds are clearly incorrect as a matter of law, and the other three grounds are not sufficient to prevent Ms. Davis' candidacy based upon clear case law from the Ohio Supreme Court.

Ground 1

Ohio Revised Code Section 3513.191(A) proscribes the following: "No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years". By its very language this provision is not applicable given that it applies only to disqualification as a candidate at a primary election. Ms. Davis' petition is to be a candidate at the general election.

Ground 2

Per Secretary of State Directive 22-34, the filing deadline for Independent Candidates for the General Assembly was the day before the August 2nd primary, i.e., August 1. Ms. Davis' petition was filed on July 29th before this deadline and thus is timely.

Grounds 3-5

Protests are required to set forth with specificity the grounds and those grounds define the scope of the protest hearing. *State ex rel Cooker Restaurant Corp. v. Montgomery Cty. Bd. of Elections*, 80 Ohio St. 3d 302. Ohio case law firmly establishes that an individual previously affiliated with a political party may at any time decide to disaffiliate and claim non-affiliation and run as an independent candidate so long as the person acts consistently with such declaration after making it. In the present case, Ms. Davis signed her nominating petition declaring her independent candidacy on June 10, 2022 and has acted entirely consistent with that declaration. In short, all three of these grounds asserted by the Protestor relate to activity prior to June 22 and are not controlling.

The Ohio Supreme Court in *State ex rel. Davis v. Summit Cty. Bd. of Elections*, 137 Ohio St.3d 222, 2013-Ohio-4616, ¶28, held that to run as an Independent, "a candidate must declare her lack of affiliation in good faith, not that she take affirmative action to disaffiliate in order to prove her good faith". In *Davis*, Darrita Davis voted in the Democratic presidential primary in 2012 (the year before she sought to run as an independent) and had contributed money to Democratic candidates in 2013. *Id.* at ¶20. The *Davis* Court held that in order for her to be disqualified there had to be sufficient evidence that her claim of disaffiliation was a sham. *Id.* at ¶27. The *Davis* Court concluded that the evidence was not nearly sufficient. *Id.* at ¶30.

The *Davis* court further held that a board of elections errs by applying Paragraph 7 of Section 3513.05 to determine whether an individual seeking to run as an Independent candidate under Section 3513.257 had disaffiliated from her prior political party. *Id.* at ¶21. The Court held that the board of elections erroneously applied the two-year look-back provision for petition signatures in Section 3513.05, paragraph 7 to the separate analysis of disaffiliation pursuant to Section 3513.257. *Id.* at ¶22. The Court found that the Ohio General Assembly expressly wrote a two-year look-back

requirement for petition signatures into Section 3513.05 and did not intend the same rule to apply to claims of disaffiliation governed by Section 3513.257. *Id.* Moreover, the Ohio General Assembly did not make Paragraph 7 of Section 3513.05 applicable to the procedure for protesting and removing a candidate from the ballot under Section 3513.05. *Id.* at ¶23.

In *State ex rel. Law v. Trumbull Cty. Bd. of Elections*, 157 Ohio St.3d 280, 2019-Ohio-3724, ¶16, the Ohio Supreme Court held that the Protester must affirmatively establish by clear and convincing evidence that the candidate's statement of non-affiliation was not made in good faith. *Id.* at ¶19. The *Law* court held that a candidate is not "required to have a compelling reason for disaffiliating, as long as his statement that he had done so was accurate and made in good faith". *Id.* at ¶21, citing *State ex rel. Monroe v. Mahoning Cty. Bd. of Elections*, 137 Ohio St.3d 62, 2013-Ohio-4490, ¶27 ("remark that it was 'more strategic' to run as an independent is not disqualifying"; "evidence that [a] candidate acted on a calculation that he would have a better chance of winning as an independent fails to rise to level of clear and convincing evidence that [the] claim of disaffiliation was a sham"). *Id.* at ¶21. The burden of proof at a protest hearing is on the protester, not the candidate. *Id.*

A candidate's prior voting history, standing alone, cannot be a sufficient basis for disqualifying an independent candidate. *State ex rel. Monroe v. Mahoning Cty. Bd. of Elections*, 137 Ohio St. 3d 62, 2013-Ohio-4490, ¶24; *State ex rel. Wilkerson v. Trumbull Cty. Bd. of Elections*, 11th Dist. No. 2007-T-0081, 2007-Ohio-4762, ¶18. The evidence must establish some post-petition evidence to undermine the disaffiliation claim. *Jolivet v. Husted*, 694 F.3d 760, 767 (6th Cir.2012) (candidate held himself out as a Republican in campaign filings and on Facebook after filing to run as an independent); *Morrison v. Colley*, 467 F.3d 503, 510 (candidate voted in a partisan primary after he filed his nominating petition as an independent); *State ex rel. Lorenzi v. Mahoning Cty. Bd. of Elections*, 7th Dist. No 07MA127, 2007-Ohio-5879, ¶27; *State ex rel. Wilkerson*, 2007-Ohio-4762, ¶24. When the challenge is based solely on pre-petition conduct, the evidence needs to be substantial to warrant excluding an otherwise qualified candidate. *Id.*

A person cannot register as an independent. *State ex rel. Coughlin v. Summit Cty. Bd. of Elections*, 136 Ohio St. 3d 371, 2013-Ohio-3867, ¶28. Party affiliation in Ohio is a matter of self-identification, and that self-identification is subject to change. *State ex rel. Stevens v. Fairfield Cty. Bd. of Elections*, 152 Ohio St.3d 584, 2018-Ohio-1151, ¶20.

Ms. Davis does not dispute that she has generally voted for Democratic Party candidates and issues since approximately 2004 and specifically requested a Democratic Party ballot for the May 3, 2022 Primary Election. Ms. Davis also does not dispute that she testified on an "Agenda Item 8: Certification of candidates and issues for the May 3, 2022, Primary Election" at a Board of Elections meeting on February 14, 2022, to be certified to the Central Committee of the Cuyahoga County Democratic Party, Garfield Heights, Ward 4, Precinct C. However, relative to the elective office in question, Darnell Brewer defeated Vincent Rosemond in the Democratic primary for Ohio House of Representatives District 18 on August 2, 2022. Ms. Davis was not a candidate for that Democratic Primary seat.

Accordingly, based upon the foregoing law, the Protester must establish with clear and convincing evidence that Ms. Davis's Independent candidate claim of disaffiliation was not made in good faith. The Protester cannot do so as Ms. Davis declared herself as an Independent Candidate and disaffiliation in good faith and there is no competent, credible evidence to the contrary. Indeed, each of the factual grounds the Protestor relies upon occurred prior to her declaration as an Independent Candidate and therefore are not dispositive. Notwithstanding the Protester's diatribe regarding Ms. Davis's prior affiliation with the Democratic Party, "[d]isaffiliation by definition presumes a history of support for or membership in a political party". Davis, 2013-Ohio-4616, at ¶19.

The First Amendment to the United States Constitution protects the right of citizens to associate and to form political parties for the advancement of common political goals and ideas. Colo. Republican Fed. Campaign Comm. v. FEC., 518 U.S. 604, 616 (1996). "The impact of candidate eligibility requirements on voters implicates basic constitutional rights". Anderson v. Celebrezze, 460 U.S. 780, 786 (1983). The exclusion of candidates from the ballot burdens a "voters' freedom of association, because an election campaign is an effective platform for the expression of views on the issues of the day, and a candidate serves as a rallying point for like-minded citizens". Id. at 787-88. Therefore, election statutes "should be liberally construed in favor of those seeking to hold office, in order that the public may have the benefit of choosing from all persons who are qualified". State ex rel. Allen v. Warren Cty. Bd. of Elections (2007), 115 Ohio St. 3d 186, 2007-Ohio-4752, ¶20. Accordingly, a decision by the Board precluding Ms. Davis from running as an Independent candidate in this matter would violate, *inter alia*, her First Amendment rights to free speech and association. Preventing Ms. Davis access to the ballot as an Independent candidate would be an unlawful and unconstitutional restraint on, *inter alia*, her ability to exercise her speech rights as an Independent, and to associate with others who are like-minded.

Please contact me if you have any questions or concerns or need further information or documents at this time. I thank you in advance for your anticipated cooperation and Ms. Davis looks forward to further addressing this matter at the upcoming hearing.

Very truly yours,

Political Party Affiliation of Candidates for Party Nomination

A person may be a candidate for nomination of any political party at a primary election (regardless of party affiliation established by voting in a prior partisan primary) if either of the following apply ([R.C. 3513.191](#)):

- The person does not hold elective office, or
- The person holds an elective office for which candidates are not nominated at a primary election.

However, a person holding an elective office for which candidates are nominated at a party primary may become a candidate for a different political party if the person completes and files the Secretary of State's prescribed [Form 10-Y](#), Declaration of Intent to Change Political Party Affiliation, **by 4 p.m. on the 30th day before the filing deadline for the primary election**. The completed [Form 10-Y](#) must be filed with the same office (e.g., Secretary of State, county board of elections) with which the person is required to file the declaration of candidacy and petition.

A person may file such declaration of intent only once during a period of 10 years after first filing a declaration of intent. ([R.C. 3513.191](#))

Please see [R.C. 3513.04](#) and [R.C. 3513.052](#) for further candidacy information.

Independent Candidates

An independent candidate must actually be unaffiliated from any political party, and the required claim of being unaffiliated must be made in good faith in order for the candidate to be qualified to run as an independent candidate. *Morrison v. Colley*, 467 F.3d 503 (6th Cir. 2006); *Jolivet v. Husted*, 694 F.3d 760 (6th Cir. 2012); *State ex rel. Davis v. Summit County Board of Elections*, 137 Ohio St.3d 222 (2013); *State ex rel. Morris v. Stark County Board of Elections*, 143 Ohio St.3d 507 (2015).

At the time a prospective independent candidate (other than a candidate for judge of a municipal court, county court, or court of common pleas) files their nominating petition, the candidate may request to have the designation "nonparty candidate" or "other party candidate" printed underneath the candidate's name on the ballot. The designation "independent" may not appear on the ballot. Such request must be given to the office at which the nominating petition was filed. ([R.C. 3505.03](#), [R.C. 3513.257](#))

Please review the information regarding office qualifications, signature requirements, and filing deadlines for the specific office being sought. More information about independent candidates may also be found in [Advisory 2007-05](#).

ADVISORY NO. 2007-05

June 4, 2007

To: All County Boards of Elections
Re: Independent Candidates and Party Affiliation

It has come to the attention of the Secretary of State's office that the United States Court of Appeals for the Sixth Circuit decided a case in September of 2006 that has a direct impact upon the function of Ohio's boards of elections and the candidacies of some independent candidates in Ohio. The case is *Morrison v. Colley*, 467 F.3d 503 (6th Cir. 2006) (attached). The ruling in *Morrison* changes longstanding practice in Ohio, and this Advisory is intended to inform boards of elections of this change.

Longstanding practice in Ohio and the interpretations of R.C. 3513.257 made by former Ohio Secretaries of State required only that the *candidacy* of an independent candidate be independent of political party affiliation, but not that the *individual* himself or herself be entirely unaffiliated. The *Morrison* case now requires that independent candidates actually be unaffiliated and that when an unaffiliation is claimed, it must be claimed in good faith.

Facts and History of *Morrison*

In December 2005 and January 2006 Charles Morrison circulated petitions seeking election to the Madison County Republican Party Central Committee and to the Ohio Republican Party State Central Committee. Mr. Morrison subsequently filed his petitions and appeared on the ballot in the May 2006 Republican primary ballot for these positions. To appear on the ballot in these races Mr. Morrison affirmed his affiliation with the Republican Party under penalty of election falsification. Additionally, Mr. Morrison advertised his candidacy as a Republican in a newspaper advertisement.

On May 1, 2006, the day before the primary, Mr. Morrison filed as an "independent" candidate in the race for the Ohio 15th U.S. Congressional District. By filing as an independent Mr. Morrison affirmed, under penalty of election falsification, that he had no affiliation with a political party. Mr. Morrison also filed documents with the Federal Election Commission, related to his "independent" candidacy, clearly stating his affiliation with the Republican Party.

On May 2, 2006 Mr. Morrison voted in the Republican primary election in Madison County. By voting in the Republican primary Mr. Morrison again affirmed his affiliation with the Republican Party under penalty of election falsification.

On May 22, 2006 three electors protested Mr. Morrison's candidacy for the congressional seat in the 15th District, alleging that Mr. Morrison was not independent of political party affiliation under Ohio law. The Franklin County Board of Elections (the most populous county) held a protest hearing, and the Board tied 2-2 on the protest. The Board certified the tie vote to this office, and former Assistant Secretary of State Monty Lobb, presumably acting on behalf of then

Secretary of State Blackwell, broke the tie vote in favor of the protest and against certification of Mr. Morrison's candidacy. Assistant Secretary Lobb based his rationale for not certifying Mr. Morrison's petition on Mr. Morrison's failure to disaffiliate himself from the Republican Party and thereby be truly independent of political party affiliation:

[T]he relevant law clearly requires a more definitive representation to demonstrate one's status as an independent candidate for elected office in Ohio. R.C. §3501.01 (I). Because the Supreme Court permits Ohio to determine and devise its own standard for saying when a member of a major political party has transitioned into the status of being an independent, and therefore no longer a member of that party, and because R.C. §3501.01 (I) provides that standard, the law and the facts show that Mr. Morrison was never *truly independent* at any point relevant to this matter.

Mr. Morrison filed suit in the U.S. District Court for the Southern District of Ohio seeking preliminary and permanent injunctions to preclude the Board from invalidating his candidacy and alleging that R.C. 3513.257 was unconstitutional. The district Court upheld Assistant Secretary Lobb's decision, and Mr. Morrison appealed.

The Appellate Court's Analysis

It is important to note at the outset that the *Morrison* court did not attempt to set forth specific guidelines for boards of elections to follow when determining the validity and sufficiency of independent candidates' nominating petitions. Rather, the court simply determined, under the facts of the case, that R.C. 3513.257 was not unconstitutional. However, the portion of the court's opinion relating to Mr. Morrison's claim that the statute was "void for vagueness" does indicate that there are certain threshold requirements an independent candidate must meet in order to be actually "independent." Further, the opinion indicates that the facts of each case will determine whether or not the candidate in question is actually independent and whether or not a candidate made his or her claim of unaffiliation in good faith.

The *Morrison* circuit court noted, and extended, the district court's reasoning:

a person of ordinary intelligence, when considering O.R.C. § 3513.257 which requires the candidate to claim independence and O.R.C. § 3501.01(I) which defines an 'independent' candidate as one who claims not to be affiliated with any political party in the whole legislative scheme, would understand that an aspiring independent candidate must actually be independent, rather than merely claim it. A candidate possessing ordinary intelligence and common sense would readily understand that the claim of independence must be made in good faith -- otherwise there would be no reason for having the claim requirement, and none of the state interests animating the claim requirement would be served.

Morrison, F.3d at 509 (internal quotations omitted).

In reaching its conclusion, the circuit court noted that the statutory scheme in Ohio recognizes only voter history as a means to determine party affiliation. However, the court also noted that even if some doubt existed as to Mr. Morrison's affiliation after considering that he had voted Republican prior to 2006 as well as in the 2006 Republican primary election, and had run in the 2006 Republican primary, all doubt was dispelled by Mr. Morrison's own FEC filings (for his "independent candidacy"). Those filings indicated his affiliation with the Republican Party, and the court stated that "Morrison cannot complain if his own campaign committee's express statement of his party affiliation is considered and used to rule against him." Thus, the court concluded that because Mr. Morrison had voted in past Republican primaries, and most importantly, in the Republican primary held the day after he filed as an independent candidate, and because so voting required him to state under penalty of criminal prosecution for election falsification that he was affiliated with the Republican party, Mr. Morrison could not claim in good faith that he actually was independent of party affiliation.

The court also stated that, "most importantly, under Ohio law, if Morrison was unaffiliated with any political party on May 1, 2006," as indicated by his filing as an independent, "he could not also claim in good faith to be a Republican at the same time," as indicated by his voting in the Republican primary the next day, "without risking consequences more serious than exclusion from the ballot" such as criminal prosecution under, among other statutes, R.C. 3599.11(A).

The Court concluded that under the facts of the case, Morrison had not provided grounds to enjoin the Franklin County Board of Elections from excluding him from the ballot because he had, in fact, failed to comply with the requirements of R.C. 3513.257.

Conclusion

We advise, as indicated by the *Morrison* court, that R.C. 3513.257 requires that:

- an independent candidate actually be unaffiliated, or disaffiliated from any political party; and
- the required claim of unaffiliation by an independent candidate must be made in good faith.

However, as mentioned above, the *Morrison* court did not provide clear guidelines for determining when an independent is actually affiliated with a political party, or how to determine whether an independent candidate has claimed unaffiliation in good faith.

Absent direction from the General Assembly or a court, this office is attempting to provide some guidance on this matter to the boards of elections. Thus:

- If an independent candidate votes in a party primary election after filing as an independent, the candidate is not actually unaffiliated, and the candidate's claim of independence was either not made in good faith or is no longer current; and
- If an independent candidate was on a political party's central or executive committee at the time he or she filed as an independent candidate, or becomes such a committee member at any time during his or her independent candidacy, the candidate is not

actually unaffiliated, and the candidate's claim of independence was either not made in good faith or is no longer current.

Additionally, as indicated by the *Morrison* court, indications of party affiliation such as past voting history, information submitted on required election-related filings, political advertisements, participation as a political party officer or member, or holding a public office for which the office holder was nominated through a political party's primary election and elected on a partisan ticket may serve as evidence, though not necessarily conclusive evidence, of party affiliation to support a protest against an independent candidate's candidacy. For example, voting *history*, alone, is an insufficient basis on which to disqualify an independent candidate because Ohioans are freely entitled to change or revoke their party affiliation at any time. However, voting history, together with other facts tending to indicate party affiliation, may be sufficient grounds to disqualify an independent.

Finally, please note that it is well established that boards of elections may accept filed petitions at face value. That is, because candidates file their petitions under penalty of election falsification, a board may accept the declaration of the candidate without further inquiry. However, if a board has personal knowledge or reason to believe that the declaration made by a candidate is false, or a protest is filed against an independent candidate, the board may inquire further to determine whether sufficient grounds exist to invalidate the candidate's petition and disqualify the candidate from running as an independent.

* An interim opinion was filed in this matter on September 22, 2006. The court is now filing this more detailed opinion.

PRIOR HISTORY: [**1] Appeal from the United States District Court for the Southern District of Ohio at Columbus. No. 06-00644. George C. Smith, District Judge. *Morrison v. Colley*, 2006 U.S. App. LEXIS 24028 (6th Cir.) (6th Cir. Ohio, 2006)

DISPOSITION: Affirmed.

CASE SUMMARY:

PROCEDURAL POSTURE: Seeking preliminary and permanent injunctions, plaintiff candidate sued defendants, a county elections board and several individuals, under 42 U.S.C.S. § 1983, alleging violation of the candidate's rights under the First and Fourteenth Amendments to the Constitution of the United States. The United States District Court for the Southern District of Ohio at Columbus denied the candidate all relief. The candidate appealed.

OVERVIEW: The candidate alleged defendants violated his constitutional rights by excluding him from a ballot as an independent candidate for a congressional seat because he was affiliated with a political party. In an interim order, the instant court upheld the trial court's decision denying the candidate injunctive relief. In the instant order, the court expounded on that decision. *Ohio Rev. Code Ann. § 3513.257* did not impose a severe restriction on an independent candidate's First and Fourteenth Amendment rights, so the statute only had to survive review for reasonableness. The First and Fourteenth Amendments did not prohibit a state from requiring independent candidates to claim on the day before a primary that they were not affiliated with any political party. *Ohio Rev. Code §§ 3513.19(A)(3); 3513.05*, para. 7; 3513.19(B); 3513.20; and § 3599.11(A) put the candidate on notice that "claims" of party affiliation or nonaffiliation must be made in good faith. When the candidate declared that he was not affiliated with a political party, he had already made sworn statements to the contrary. Under the facts of the case, *Ohio Rev. Code Ann. § 3513.257* was not overbroad or void for vagueness.

OUTCOME: The court affirmed the judgment of the district court.

COUNSEL: SARGUED: David R. Langdon, LANGDON & HARTMAN LLC, Cincinnati, Ohio, for Appellants.

OPINION:

[*504] GRIFFIN, Circuit Judge. Plaintiff-appellant Charles R. Morrison sought to run as an independent candidate for the office of United States Representative in Ohio's Fifteenth Congressional District ("CD") in the November 7, 2006, election. Defendants-appellees Franklin County Board of Elections ("BOE"), *et al.*, excluded Morrison from the ballot on the ground that, under Ohio election law, he [*505] did not [**2] qualify as an independent candidate because he was affiliated with a political party. Morrison filed an action in the United States District Court for the Southern District of Ohio seeking preliminary and permanent injunctions requiring the BOE to place him on the ballot. Morrison claimed that the Ohio statutory provision violated his *First* and *Fourteenth Amendment* rights and those of his would-be voters because it was allegedly overbroad, illegally discriminatory, and void for vagueness. After the district court denied Morrison all relief, Morrison appealed to this court. We granted Morrison's motion to expedite the appeal and heard oral argument on September 20, 2006. On September 22, 2006, we issued a per curiam interim opinion unanimously affirming the district court, stating, "despite any constitutional infirmities that *may* exist in the relevant Ohio statutes as they might apply to others, there is no reasonable basis for Morrison to claim in good faith that he is not affiliated with a political party." (Emphasis added.) Today we explain our holding in greater detail.

I.

In December 2005 and January 2006, Morrison began circulating petitions seeking placement on the May 2, 2006, ballot [**3] for the Madison County Republican Party Central Committee and the Ohio Republican Party State Central Committee. Morrison filed his petitions, was certified as a candidate in the Republican primary for the state and county committee positions, and appeared on the May 2, 2006, Republican primary ballot. He lost both races.

Morrison filed his declaration of candidacy for the county committee on a form that stated, "This petition shall be circulated only by a member of the same political party as stated above by the candidate." Morrison signed the declaration, which also required him to state, under penalty of "election falsification," that he was a member of the Republican Party. Likewise as to the state committee, Morrison signed a declaration of candidacy that required him to state, under penalty of election falsification, that he was a member of the Republican Party.

Approximately three weeks before the May 2, 2006, Republican primary, Morrison purchased local newspaper advertisements supporting his state and county committee candidacies. In his ads, Morrison stated that he was a Republican. On May 2, 2006, Morrison requested a Republican ballot and voted in the Republican primary. [**4]

On May 1, 2006, the day before Morrison's name appeared on the ballot in the Republican primary, he filed nominating petitions with the BOE to run as an independent candidate in Ohio's Fifteenth CD.

On May 22, 2006, three residents and qualified electors from the Fifteenth CD filed a written protest challenging Morrison's congressional candidacy on the ground that he was not an independent under Ohio law, and the BOE responded by holding a protest hearing. After receiving briefs and hearing argument at the hearing, the BOE deadlocked 2-2 on whether to certify Morrison as an independent candidate. Pursuant to *Ohio Rev. Code § 3501.05*, the matter was referred to the Ohio Secretary of State, who voted in favor of the protestors and against certification.

Morrison brought suit in the district court under 42 U.S.C. § 1983, and thereafter the district court held a hearing on the merits.

II.

Because Morrison alleged the violation of rights recognized by the *First* and [*506] *Fourteenth Amendments to the U.S. Constitution*, the district court had federal-question jurisdiction under 28 U.S.C. § 1331. Regarding [**5] our jurisdiction, the district court consolidated the hearing on Morrison's preliminary injunction application with the hearing on the merits, and its order disposed of Morrison's complaint and request for permanent injunctive relief. Accordingly, the district court's order is final and immediately appealable. We review the district court's legal conclusions de novo and its factual findings for clear error. *Planned Parenthood Cincinnati Region v. Taft*, 444 F.3d 502, 507 (6th Cir. 2006) (citing *Taubman Co. v. Webfeats*, 319 F.3d 770, 774 (6th Cir. 2003)).

III.

Recently, in *Clingman v. Beaver*, 544 U.S. 581, 125 S. Ct. 2029, 161 L. Ed. 2d 920 (2005), the Supreme Court emphasized that not all election regulations that burden *First Amendment* rights are subject to a strict scrutiny analysis. Rather, unless a state election regulation places a heavy or severe burden on a party, "a State's important regulatory interests will usually be enough to justify reasonable, nondiscriminatory restrictions." *Id.* at 587 (quoting with approval *Timmons v. Twin Cities Area New Party*, 520 U.S. 351, 358, 117 S. Ct. 1364, 137 L. Ed. 2d 589 (1997)).

In holding [**6] that an Oklahoma statute allowing political parties to open their primary elections to only their own party members and voters registered as independents did not violate the *First Amendment*, the Supreme Court refused to apply a strict scrutiny analysis because the burden was not "severe":

[O]ur cases since *Tashjian [v. Republican Party]*, 479 U.S. 208, 107 S. Ct. 544, 93 L. Ed. 2d 514 (1986)) have clarified [that] strict scrutiny is appropriate only if the burden is severe. [*California Democratic Party v. Jones*, 530 U.S. 567, 120 S. Ct. 2402, 147 L. Ed. 2d 502 (2000)], *supra*, at 582, 147 L. Ed. 2d 502, 120 S. Ct. 2402; *Timmons*, 520 U.S. at 358, 137 L. Ed. 2d 589, 117 S. Ct. 1364.

* * *

Many electoral regulations, including voter registration generally, require that voters take some action to participate in the primary process. *See, e.g., Rosario v. Rockefeller*, 410 U.S. 752, 760-62, 36 L. Ed. 2d 1, 93 S. Ct. 1245 (1973) (upholding requirement that voters change party registration 11 months in advance of the primary election). Election laws invariably "affect[t] -- at least to some degree -- the individual's [**7] right to vote and his right to associate with others for political ends." *Anderson v. Celebrezze*, 460 U.S. 780, 788, 75 L. Ed. 2d 547, 103 S. Ct. 1564 (1983).

These minor barriers between voter and party do not compel strict scrutiny. *See Bullock v. Carter*, 405 U.S. 134, 143, 31 L. Ed. 2d 92, 92 S. Ct. 849 (1972). To deem ordinary and widespread burdens like these severe would subject virtually every electoral regulation to strict scrutiny, hamper the ability of States to run efficient and equitable elections, and compel federal courts to rewrite state electoral codes. The Constitution does not require that result, for it is beyond question "that States may, and inevitably must, enact reasonable regulations of parties, elections, and ballots to reduce election- and campaign-related disorder." *Timmons, supra*, 520 U.S. at 358, 137 L. Ed. 2d 589, 117 S. Ct. 1364; *Storer v. Brown*, 415 U.S. 724, 730, 39 L. Ed. 2d 714, 94 S. Ct. 1274 (1974). Oklahoma's semiclosed primary system does [*507] not severely burden the associational rights of the state's citizenry.

C

When a state electoral provision places [**8] no heavy burden on associational rights, "a State's important regulatory interests will usually be enough to justify reasonable, nondiscriminatory restrictions." *Timmons, supra*, at 358, 137 L. Ed. 2d 589, 117 S. Ct. 1364 (internal quotation marks omitted); *Anderson, supra*, at 788, 75 L. Ed. 2d 547, 103 S. Ct. 1564.

Clingman, 544 U.S. at 592-93. *Clingman* follows, and is consistent with, *Timmons*, which likewise refused to apply strict scrutiny to a challenge to a Minnesota election law prohibiting multi-party or "fusion" candidates from appearing

on the ballot. In rejecting a claim that the Minnesota regulation violated the plaintiffs' *First* and *Fourteenth Amendment* rights, the Supreme Court stated,

[I]t is also clear that States may, and inevitably must, enact reasonable regulations of parties, elections, and ballots to reduce election- and campaign-related disorder. *Burdick [v. Takushi]*, 504 U.S. 428, 119 L. Ed. 2d 245, 112 S. Ct. 2059 (1992)], *supra*, at 433 ("[A]s a practical matter, there must be a substantial regulation of elections if they are to be fair and honest and if some sort [**9] of order, rather than chaos, is to accompany the democratic process") (quoting *Storer v. Brown*, 415 U.S. 724, 730, 94 S. Ct. 1274, 39 L. Ed. 2d 714 (1974)); *Tashjian, supra*, at 217 (The Constitution grants States "broad power to prescribe the 'Time, Places and Manner of holding elections for Senators and Representatives', Art. I, § 4, cl. 1, which power is matched by state control over the election process for state offices").

When deciding whether a state election law violates *First* and *Fourteenth Amendment* associational rights, we weigh the "character and magnitude" of the burden the State's rule imposes on those rights against the interests the State contends justify that burden, and consider the extent to which the State's concerns make the burden necessary. *Burdick, supra*, at 434 (quoting *Anderson v. Celebrezze*, 460 U.S. 780, 789, 103 S. Ct. 1564, 75 L. Ed. 2d 547 (1983)). Regulations imposing severe burdens on plaintiffs' rights must be narrowly tailored and advance a compelling state interest. Lesser burdens, however, trigger less exacting review, and a State's "important regulatory interests" will usually be enough to justify [**10] "reasonable, nondiscriminatory restrictions." *Burdick, supra*, at 434 (quoting *Anderson, supra*, at 788); *Norman [v. Reed]*, 502 U.S. 279, 116 L. Ed. 2d 711, 112 S. Ct. 698 (1992)], *supra*, at 288-289 (requiring "corresponding interest sufficiently weighty to justify the limitation"). No bright line separates permissible election-related regulation from unconstitutional infringements on *First Amendment* freedoms. *Storer, supra*, at 730 ("[N]o litmus-paper test . . . separat[es] those restrictions that are valid from those that are invidious The rule is not self-executing and is no substitute for the hard judgments that must be made.").

Timmons, 520 U.S. at 358-59.

The district court concluded correctly that *Ohio Rev. Code § 3513.257* does not impose a severe restriction on the *First* and *Fourteenth Amendment* rights of Morrison or other potential independent candidates or voters. *See Lawrence v. Blackwell*, 430 F.3d 368 (6th Cir.) (Ohio [*508] statute requiring independent congressional candidates to file statement of candidacy and nominating [**11] petition on the day preceding the primary election did not impose a severe burden on independent candidates' or voters' constitutional rights, so strict scrutiny was not warranted), *cert. denied*, ___ U.S. ___, 126 S. Ct. 2352, 165 L. Ed. 2d 278 (2006). The election regulation at issue is merely a reasonable, nondiscriminatory regulation to require would-be independent candidates to claim, no later than 4:00 p.m. of the day before the primary elections, that they are free of affiliation with any political party. Therefore, Ohio need only show that this requirement advances an important state interest, not a compelling state interest. *Id.* For the reasons stated by the district court, the non-affiliation requirement passes muster under this deferential standard. In addition, the statute itself specifies the following important state interests furthered by the election regulation:

The purpose of establishing a filing deadline for independent candidates prior to the primary election immediately preceding the general election at which the candidacy is to be voted on by the voters is to recognize that the state has a substantial and compelling interest [**12] in protecting its electoral process by encouraging political stability, ensuring that the winner of the election will represent a majority of the community, providing the electorate with an understandable ballot, and enhancing voter education, thus fostering informed and educated expressions of the popular will in a general election. The filing deadline for independent candidates required in this section prevents splintered parties and unrestrained factionalism, avoids political fragmentation, and maintains the integrity of the ballot. The deadline, one day prior to the primary election, is the least drastic or restrictive means of protecting these state interests. The general assembly finds that the filing deadline for independent candidates in primary elections required in this section is reasonably related to the state's purpose of ensuring fair and honest elections

while leaving unimpaired the political, voting, and associational rights secured by the *first* and *fourteenth* amendments to the United States Constitution.

OHIO REV. CODE § 3513.257.

As the Supreme Court recognized in *Timmons*, a state may, consistent with the *First Amendment*, ban [**13] "fusion" or multi-party candidates in order to reduce election disorder. Cf. *Libertarian Party of Ohio v. Blackwell*, 462 F.3d 579, 462 F.3d 579, 2006 U.S. App. LEXIS 22639 (6th Cir. 2006).

In summary, we hold that the *First* and *Fourteenth Amendments* do not prohibit the Ohio General Assembly from requiring independent candidates to claim on the day before the primary that they are not affiliated with any political party.

IV.

Next, Morrison argues that the statute is void for vagueness because it allegedly fails to specify what a putative independent candidate must do to get on the ballot, and because it does not provide objective standards for enforcement. His argument is wholly unpersuasive under the facts of this case.

Under *Grayned v. City of Rockford*, 408 U.S. 104, 108, 92 S. Ct. 2294, 33 L. Ed. 2d 222 (1972), a statute must "give the person of ordinary intelligence a reasonable opportunity to know what is prohibited" or, in this case, what is required. In addition, the statute "must provide explicit standards for those who apply them." *Id.* Cf. *Risbridger v. Connelly*, 275 F.3d 565, 572 [*509] (6th Cir. 2002) ("[T]he void-for-vagueness doctrine requires that a penal statute define the criminal [**14] offense with sufficient definiteness that ordinary people can understand what conduct is prohibited and in a manner that does not encourage arbitrary and discriminatory enforcement.") (quoting *Kolender v. Lawson*, 461 U.S. 352, 357, 103 S. Ct. 1855, 75 L. Ed. 2d 903 (1983)).

The district court rejected Morrison's argument that the statute "creates confusion as to . . . whether a person desiring to become an independent candidate can merely claim not to be affiliated with a political party or whether they must truly be unaffiliated with a political party." The district court reasoned, "a person of ordinary intelligence, when considering O.R.C. § 3513.257 [which requires the candidate to claim independence] and O.R.C. § 3501.01(I) [which defines an 'independent' candidate as one 'who claims not to be affiliated with any political party'] in the whole legislative scheme, would understand that an aspiring independent candidate 'must actually be independent, rather than merely claim it.'" A candidate possessing ordinary intelligence and common sense would readily understand that the claim of independence must be made in [**15] good faith -- otherwise there would be no reason for having the claim requirement, and none of the state interests animating the claim requirement would be served. See *United States v. Gjieli*, 717 F.2d 968, 972 (6th Cir. 1983).

In addition to the common-sense meaning of "claim" in *Ohio Rev. Code* § 3513.257, other sections of the Ohio election code put Morrison on notice that his actions were incompatible with his contemporaneous claim that he was not affiliated with any political party. Provisions of the Ohio election code other than § 3513.257 discuss political party affiliation and specify how it may be determined when challenged. This is significant, because typically "identical words used in different parts of the same act are intended to have the same meaning." *OfficeMax, Inc. v. United States*, 428 F.3d 583, 591 (6th Cir. 2005) (quoting *Gustafson v. Alloyd Co., Inc.*, 513 U.S. 561, 570, 115 S. Ct. 1061, 131 L. Ed. 2d 1 (1995)). n1

n1 See also *Lewis v. Philip Morris, Inc.*, 355 F.3d 515, 536 (6th Cir.) (Moore, J., for the court, joined in pertinent part by Katz, U.S.D.J.) (referring to "[t]he usual presumption that 'the same words used twice in the same act have the same meaning'" (quoting 2A NORMAN J. SINGER, SUTHERLAND ON STATUTES AND STATUTORY CONSTRUCTION, § 46.06, at 193 (6th ed. 2000)), cert. denied, 543 U.S. 821, 125 S. Ct. 61, 160 L. Ed. 2d 31 (2004); *Lake Cumberland Trust, Inc. v. EPA*, 954 F.2d 1218, 1222 (6th Cir. 1994) ("We must presume that words used more than once in the same statute have the same meaning.") (citation omitted).

[**16]

First, *Ohio Rev. Code* § 3513.19(A)(3) provides that a person's right to vote in a party's primary can be challenged on the basis that he "is not affiliated with or is not a member of" that party. That section also states, in pertinent part, that "[s]uch party affiliation shall be determined by examining the elector's voting record for the current year and the

immediately preceding two calendar years as shown on the voter's registration card, using the standards of affiliation specified in the seventh paragraph of *section 3513.05* of the Revised Code." *OHIO REV. CODE. § 3513.19(A)(3)*. In turn, *§ 3513.05 P 7* considers a voter to be affiliated with a party if he was registered with that party and voted in that party's primaries during the current year and the two preceding years. Morrison has never denied that he was registered as a Republican and voted in the May 2, 2006, Republican primary, nor has he claimed that he was ever registered [*510] as something other than a Republican or that he voted in non-Republican primaries during the preceding two calendar years.

Moreover, the next subsection of the statute, *Ohio Rev. Code § 3513.19(B) [**17]* , provides:

When the right of a person to vote is challenged upon the ground set forth in division (A)(3) of this section, membership in or political affiliation with a political party shall be determined by the person's statement, *made under penalty of election falsification*, that the person desires to be affiliated with and supports the principles of the political party whose primary ballot the person desires to vote.

(Emphasis added.) By registering as a Republican and then affirmatively requesting and voting the Republican Party primary ballot on May 2, 2006, Morrison necessarily evinced a desire to be affiliated with the Republican Party at that time. Indeed, when Morrison presented himself as eligible to vote in the Republican primary on May 2, 2006, Ohio law required him to be prepared to prove, *under penalty of punishment for false statement*, that he was affiliated with the Republican Party:

Before any challenged person shall be allowed to vote at a primary election, the person shall make a statement, *under penalty of election falsification*, before one of the precinct officials . . . stating that the person desires to be affiliated [**18] with and supports the principles of the political party whose ballot the person desires to vote; and giving all other facts necessary to determine whether the person is entitled to vote in that primary election. The statement shall be returned to the office of the board with the poll-books and tally sheets.

OHIO REV. CODE § 3513.20.

If there were any doubt whether registering Republican, running as a Republican in the primary, and voting in the Republican primary precluded a good faith claim to be unaffiliated with any party, Morrison's own Federal Election Commission ("FEC") filing dispels it. Morrison conceded that his own congressional campaign committee's statement of organization, FEC Form 1, listed him as affiliated with the Republican Party.

Morrison cannot complain if his own campaign committee's express statement of his party affiliation is considered and used to rule against him. *Cf. In re El-Amin*, 252 B.R. 652, 659 (Bankr. E.D. Va. 2000) ("The party who made the admission cannot complain that they [sic] were prejudiced by their own words."); *Levy v. United States*, 1858 U.S. Ct. Cl. LEXIS 58, 1858 WL 4645, at *27 (Ct. Cl. May 4, 1858) [**19] Morrison cannot complain if his own campaign committee's express statement of his party affiliation is considered and used to rule against him. *Cf. In re El-Amin*, 252 B.R. 652, 659 (Bankr. E.D. Va. 2000) ("The party who made the admission cannot complain that they [sic] were prejudiced by their own words."); *Levy v. United States*, 1858 U.S. Ct. Cl. LEXIS 58, 1858 WL 4645, at *27 (Ct. Cl. May 4, 1858) [**19] ("The petitioner cannot object to this conclusion, because it is in exact accordance with his own export manifest, rendered on his own oath."). n2

n2 *Cf. also United States v. Beal*, 940 F.2d 1159, 1162 (8th Cir. 1991) ("[D]efendant cannot complain if his own admissions . . . [are] received in evidence against him.");

United States v. Alvarez, 810 F.2d 879, 889 (9th Cir. 1987) ("The defendant cannot complain when his own testimony fixes the time of his arrest.");

Courtney v. United States, 518 F.2d 514, 517 (4th Cir. 1975) ("[T]he defendant cannot be heard to complain that he was convicted on the basis of his own testimony.");

467 F.3d 503, *, 2006 U.S. App. LEXIS 25416, **;
2006 FED App. 0373P (6th Cir.)

United States v. Bates, 141 F.2d 436, 439 (7th Cir.) ("Defendant cannot complain if the jury accepted at their face value his own statements . . ."), *vac'd on other grounds*, 323 U.S. 15, 65 S. Ct. 15, 89 L. Ed. 13 (1944);

The Eroee, 9 Ben. 191, 8 F. Cas. 774, 775, F. Cas. No. 4521 (E.D.N.Y. 1877) (No. 4,521) ("[T]he respondents can resort to this bill rendered . . . there being no other proof, it must be taken of evidence of the amount of such difference. Of this the consignees cannot complain, as it is their own bill."), *aff'd*, 17 Blatchf. 16, 8 F. Cas. 775, F. Cas. No. 4522 (C.C.S.D.N.Y. 1879) (No. 4,522).

[**20]

[*511] Most importantly, under Ohio law, if Morrison was unaffiliated with any political party on May 1, 2006, as he contends, he could not also claim in good faith to be a Republican at the same time without risking consequences more serious than exclusion from the ballot. Specifically, *Ohio Rev. Code § 3599.11(A)* provides the following criminal penalties for false swearing: "No person shall knowingly swear or affirm falsely upon a lawful examination by or before any registering officer; or make, print, or issue, any false . . . certificate of registration . . . No person shall . . . knowingly make any false statement on any form for registration or change of registration . . . Whoever violates this division is guilty of a felony of the fifth degree."

A person of ordinary intelligence in the position of Morrison is put on notice that "claims" of party affiliation or non-affiliation must be made in good faith; otherwise the person is subject to criminal prosecution.

We conclude that the statutes at issue gave Morrison sufficient notice that his claims of party affiliation or non-affiliation had to be made in good faith when he filed his independent congressional [**21] candidacy petition on May 1, 2006. Further, under the undisputed facts of this case, Morrison's claim of unaffiliation with a political party was not made in good faith.

For these reasons, we hold that, under the facts of this case, *Ohio Rev. Code § 3513.257* is not void for vagueness. *Cf. McEntee v. MSPB*, 404 F.3d 1320, 1333-34 (Fed. Cir.), *cert. denied*, ___ U.S. ___, 126 S. Ct. 381, 163 L. Ed. 2d 167 (2005). In addition, for the reasons stated by the district court, we hold that *Ohio Rev. Code § 3513.257* is not overbroad, nor was it applied in a manner that illegally discriminated against Morrison.

V.

In conclusion, we affirm the district court's denial of Morrison's application for preliminary and permanent injunctive relief. Morrison has not provided grounds to enjoin defendants from excluding him from the November 2006 congressional ballot due to his non-compliance with *Ohio Rev. Code § 3513.257*.

Affirmed.

Summary: Protestor filed against candidate Shawn Irish's Independent candidacy petition for Mayor of Village of Newburgh Hts. Mr. Irish addressed the Board and stated that he was a Republican. He has always run as an Independent candidate because he believes it best serves the community not to be affiliated with a particular party. He did not seek support or an endorsement from the Republican Party. Mr. Irish had run four times as an Independent and won each time. Chairman Hasting made a motion to deny the protest. Board Members McNair and Davis Chappell voted against the motion, and the motion failed. Board Member Davis Chappell made a motion to uphold the protest. 8/22/2011	Michael Lee Marsh	Eric J. Becker	City Council, Parma Ward 4	Filed as Independent, said to be affiliated with Republican Party	Denied
Summary: The protestor stated Mr. Marsh's voting record & registration establishes him as a registered Republican. Also, Mr. Marsh was appointed to the CCRP Central Committee in 2011, and his fundraiser was listed on the Republican Party website. Candidate March addressed the Board and stated that he voted as an Independent in the May Primary. He also provided a copy of his 7/28/2011 resignation letter from the CCRP Central Committee. Board Member McNair did not support the motion to deny the protest due to the length of time it took to resign from the RPCC Central Committee. Board Member Davis Chappell indicated it should be left up to the voters to determine who their representative would be; since he pulled petitions before the appointment, she supported denying the protest. Board Member Sutherland concurred with Board Member Davis Chappell. The Board voted to deny the protest against Mr. Marsh's Independent candidacy petition. Board Member McNair opposed the motion.					
1/9/2012	Tim McCormack	Don Willey	Judge, Court of Appeals	Filed as Democrat, said to be an Independent	Denied
Summary: Protestor filed against Tim McCormack's candidacy petition for Judge in the Court of Appeals, stating Mr. McCormack was not affiliated with the Democratic Party. The attorney for the protestor stated McCormack voted "issues only" ballot in 2009 and 2010 and ran for County Executive as an Independent Candidate. Civil Division Chief Lambert stated the protestor's argument is based on qualifications to vote, not on qualifications to file petitions to be a candidate. Candidate Tim McCormack addressed the Board and stated he called the Chairman of the Democratic Party, explained wanting to run as a Democrat for the Court of Appeals, and completed questionnaire form 10X. Chairman Hastings stated Mr. McCormack testified under oath that he was a member of the Democratic Party; this is the reverse of Morrison, he was an Independent and wants to become a Democrat now, and he is entitled to do this. The Board voted unanimously to deny the protest.

MR. HASTINGS: Do we want to hear then Ms. Davis' complaint?

MR. LAWLER: For a point of clarification, you all have this list and both Ms. Davis and Mr. Yeung are not on the challenges and we're asking you not to certify these people to the ballot. They are not on this list. We have separated them out because we were aware that these two individuals would be --

MS. CHAPPELL: Where is that? I don't think I have that list. Is that in our packet? I don't see that.

MR. HASTINGS: What you're holding up there, Mr. Lawler, is that under --

MS. STICKAN: No, they have a separate tab.

MR. LAWLER: It's a separate tab.

MS. STICKAN: Yeah, looking for their name.

MS. CHAPPELL: I mean, I have information about Davis and Yeung.

MS. STICKAN: Yeah, that makes

1 sense.

2 MS. CHAPPELL: Thank you.

3 Is it under a tab in particular?

4 MS. STICKAN: It's their name under
5 there.

6 MR. HASTINGS: Great. You're
7 holding up a piece of paper. So petitions for
8 Board review; is that it, Mr. Lawler?

9 MR. LAWLER: Yes. That would be
10 done before. We were going to hear the two
11 individuals that are here today, and if
12 there's anyone else, we would hear them also.
13 I don't know that there are. Then we would do
14 this.

15 MR. HASTINGS: I see.

16 MR. LAWLER: Which are the people
17 or petitions that are in question that we do
18 not believe are valid and the reasons are
19 stated. Once we've completed all that, then
20 we would certify the remaining candidates.

21 MR. HASTINGS: So we'll hear from
22 Ms. Davis and then the other individual is
23 Mr. Yeung, I believe?

24 MR. LAWLER: Correct.

25 MR. HASTINGS: Then we'll look to

1 the matter here of what the staff has
2 recommended, not to certify.

3 MR. LAWLER: Correct.

4 MR. HASTINGS: And act on that.
5 Once we're done with that, then we can move
6 onto certification.

7 MR. LAWLER: Correct.

8 MR. HASTINGS: Thank you, very much.

9 Ms. Davis, you've provided us a
10 summary, Ms. Davis, the office has provided us
11 a summary. Do you want to kind of just give
12 us a summary, Mr. Lawler, on
13 Ms. Davis? Ms. Davis, are you here?

14 MS. DAVIS: Yes.

15 MR. HASTINGS: Why don't you come
16 up?

17 Go ahead, Mr. Lawler.

18 MR. LAWLER: Thank you. Candidate
19 filed a petition with six signatures. Five
20 are required for Democratic County
21 Committeeman. She's running for Garfield
22 Heights Ward 4, Precinct C.

23 The Registration Department and
24 Ms. Edwards, the Registration Manager,
25 reviewed the petitions and came up with four

1 valid, making the petition short by one.

2 We've had discussions with Ms. Davis and two
3 of the people, which I believe are children,
4 Anthony Gamble and Shy'aira Davis. Shy'aira
5 Davis printed her signature and Anthony's
6 signature does not match what's on file with
7 the Board of Elections. As you're aware,
8 we're required to match signatures as they are
9 on file with the Board of Elections.

10 So you have a sheet of paper that looks
11 like this (indicating). We try to do a
12 comparison of signatures, so that you have it
13 easier to review. The first one is the
14 signature on file and then you have a
15 registration card, and then you have the
16 registration signature for Anthony and then
17 her daughter is the second one there.

18 So our recommendation is she is short
19 by one signature and she should not be
20 certified to the ballot.

21 MR. HASTINGS: Terrific. Thank you,
22 I appreciate it. Ms. Davis, I'm going to put
23 you under oath here and then hear from you,
24 the Board.

25 Steven, would you put her under oath,

1 please?

2 (Shayla Davis, sworn by the court
3 reporter.)

4 MR. HASTINGS: Ms. Davis, we're here
5 to hear from you.

6 MS. DAVIS: Good morning. I
7 thank you guys for allowing me to speak this
8 morning. I'm here because my daughter signed
9 my petition and she printed her first name.
10 The print is consistent with her registration
11 and anything that she's printed. Why she did
12 that, she has submitted a letter to me that is
13 notarized, saying that it is, in fact, her.

14 MR. HASTINGS: Excuse. We don't
15 have a copy of that letter, do we? Have you
16 made copies for us?

17 MS. DAVIS: No, I did not, I'm
18 sorry.

19 MR. HASTINGS: We need to see what
20 you're submitting as evidence in support of
21 your position, that's all. So go ahead, you
22 have a letter from your daughter that's
23 notarized.

24 MS. DAVIS: You know, stating
25 that it was her, it was error. She was trying

1 to insure that her first name was spelled out
2 correctly. The last name is signed.
3 Obviously, I didn't get more signatures,
4 because they're my children. They're
5 registered voters. I know them to be actual
6 registered voters in my household. They
7 signed all five of my petitions in the past
8 and there's never been an issue or concern.
9 My daughter couldn't be here today because
10 she's at work, so she decided to write the
11 letter, have it notarized and asked that I
12 come and share it with you all.

13 MR. HASTINGS: You've seen the
14 signature cards for your children, correct?

15 MS. DAVIS: Yes.

16 MR. HASTINGS: Would you agree, at
17 least your son's signature from his
18 registration, doesn't look like what he signed
19 on the petition?

20 MS. DAVIS: And that's correct.
21 He's gone back to school in Chicago. I have
22 no clue if he's changed his signature. I
23 asked him about it, why is it different? And
24 he said, mom, I just signed it.

25 MS. CHAPPELL: As to your daughter's

1 signature, so you would agree that she did
2 print her name and that printed signature
3 looks different from the signature that we
4 have on record from her provisional envelope
5 signature? Have you seen that?

6 MS. DAVIS: Yes, Mr. Lawler did
7 provide me with that. So yes, it does look
8 different, however, it does match her printed
9 name and it was just an error on her part,
10 trying to over clarify something; and as a lay
11 citizen, she's not aware that that is not
12 acceptable.

13 MR. HASTINGS: Any questions for
14 Ms. Davis or Mr. Lawler?

15 MS. CHAPPELL: No. I don't. Is
16 there any discretion here or is the rule that
17 the signature --

18 MR. HASTINGS: We have discretion.

19 MS. CHAPPELL: We do have discretion
20 about it?

21 MR. HASTINGS: Here's my thoughts.
22 I appreciate Mr. Lawler and his shop, and I
23 understand why they got us here to this point.
24 I don't believe he had a copy of this letter
25 submitted to him just yet and even then, it

1 comes to us and he properly brought it to our
2 attention. In light of this letter now from
3 your daughter and your presence down here
4 under oath, Ms. Davis, with the utmost respect
5 for our staff, we'll move to have your name
6 certified to the Democratic County Central
7 Committee, if there's a second?

8 MS. CHAPPELL: There is a second.
9 You can see on her sworn affidavit, her
10 printed name matches and the signature
11 matches. So I'm comfortable with that.

12 MS. STICKAN: I just have a
13 question. Because it's notarized, we can give
14 that more weight, right?

15 MR. MUSSON: It's a sworn
16 statement. I haven't seen the jurat or what
17 the --

18 MS. STICKAN: I'm just saying it is
19 notarized. I just want it on the record.

20 MS. CHAPPELL: Mr. Chair, we'll make
21 this part of the record.

22 MR. HASTINGS: Sure.

23 MS. STICKAN: You'll get an
24 original?

25 MR. MUSSON: I think she's

1 authenticating her signature.

2 MS. STICKAN: I don't the original
3 is a part of the record.

4 MR. PERLATTI: I provided Mary with
5 the original.

6 MS. STICKAN: Okay, perfect. I
7 feel comfortable, based on our legal counsel's
8 recommendation. Thank you.

9 MR. HASTINGS: Thank you.

10 There's a motion and a second. Any
11 other question or comment for Ms. Davis?

12 (No response.)

13 MR. HASTINGS: Hearing none, all
14 those in favor, signify by saying aye.

15 MS. CHAPPELL: Aye.

16 MR. HASTINGS: Aye.

17 MS. STICKAN: Aye.

18 MR. HASTINGS: Thank you. Thank
19 you, Ms. Davis.

20 MS. DAVIS: Thank you, very much.
21 I appreciate it.

Cuyahoga County elections board to consider disqualifying state representative from November ballot

Published: Aug. 16, 2022, 1:01 p.m.

Rep. Shayla Davis, of Garfield Heights, is trying to run as an independent candidate after missing a filing deadline to run in the Democratic primary. (Handout)

NEW!

By **Andrew J. Tobias, cleveland.com**

COLUMBUS, Ohio -- The Cuyahoga County Board of Elections is expected to consider whether to allow a Garfield Heights state legislator to appear on the Nov. 8 ballot, after one of her would-be opponents filed a challenge to her candidacy.

At its Monday meeting, the county elections board will decide whether to certify state Rep. Shayla Davis as an independent candidate for the upcoming election. As part of that process, it is expected to consider a complaint filed by Shalira Taylor, a Republican who is challenging Davis's eligibility, given her longtime history as a Democrat. The elections board has two Democrats and two Republicans, with Republican Secretary of State Frank LaRose casting any tie-breaking vote.

Davis and Taylor, as well as Democrat Darnell Brewer, all are running for Ohio's heavily Democratic 18th House District, which includes several East Side Cleveland neighborhoods, as well as Garfield Heights and Maple Heights

Davis, who was appointed as a Democrat to a vacant seat earlier in February, is trying to switch her party affiliation to a political independent so she can remain in the state legislature next year. She made the decision to do so in June, after the deadline had passed for her to file to run in the Democratic primary.

Davis had not planned to remain in office past this year. But she has said bills the Republican-dominated House passed before it broke for its summer recess motivated her to try to run for election. She also made the decision around the time that a prominent Democrat, Sandra Williams, decided to drop out of the 18th House District race and quit the state Senate to take a lobbying job.

Ohio law is fairly lax when it comes to allowing political candidates to drop their party affiliations, although a federal court decision from the mid-2000s sets some limitations, including barring people from running for elected central committee positions with a political party at the same time they seek to run for public office as an independent.

In her Aug. 10 complaint, Taylor accused Davis of trying to circumvent filing rules for partisan political candidates. She pointed out Davis voted in the Democratic primary on May 3, when Davis ran and lost a race for a Garfield Heights seat on the Cuyahoga County Democratic Party's central committee.

"This is clearly a Democrat political move to run [two] Democrats against one Republican in the November general election," Taylor wrote.

INDEPENDENT CANDIDATE - NOMINATING PETITION³

An independent candidate is a person who is not affiliated with a political party, but seeks to run for an office for which partisan candidates may be nominated at a primary election. Independent candidates must file the appropriate nominating petition no later than 4 p.m. the day before the primary election. The name of any certified independent candidate appears on the general election ballot.

An independent candidate must actually be unaffiliated from any political party, and the required claim of unaffiliation must be made in good faith for the candidate to be qualified to run as an independent candidate.⁴

An independent candidate, other than a candidate for judge of a municipal court, county court, or court of common pleas, who files a nominating petition may request in writing at the time of filing that the candidate be designated on the ballot as a "nonparty" candidate or as an "other-party" candidate, or may request that the candidate's name be placed on the ballot without any designation. Any independent candidate who fails to request a designation either as a "nonparty" candidate or as an "other-party" candidate will have the candidate's name placed on the ballot without any designation.

NONPARTISAN CANDIDATE - NOMINATING PETITION⁵

A nonpartisan candidate is a person who seeks to run for an office that pursuant to Ohio law does not provide for the nomination of party candidates, such as state board of education, county court judge, township office, and offices in some municipal corporations. Although most of these candidates are nominated by petition, some municipalities hold nonpartisan primaries. The filing deadline for candidates for statutory nonpartisan offices generally is 4 p.m. on the 90th day before the general election. However, the board of elections should confirm the filing deadline for each nonpartisan office elected in its county.

In a statutory village with a population of less than 2,000, all candidates are nominated by petition unless the village voters adopted provisions to hold partisan primary elections.⁶ If the village has not adopted partisan elections, all candidates are designated as nonpartisan candidates.

was a candidate for County Central Committee at the May 3, primary; 4) That Ms. Davis was appointed to fill a vacant seat in the General assembly; and 5) Ms. Davis has a past history of voting in Democratic Party primary elections. The first two grounds are clearly incorrect as a matter of law, and the other three grounds are not sufficient to prevent Ms. Davis' candidacy based upon clear case law from the Ohio Supreme Court.

Ground 1

Ohio Revised Code Section 3513.191(A) proscribes the following: "No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years". By its very language this provision is not applicable given that it applies only to disqualification as a candidate at a primary election. Ms. Davis' petition is to be a candidate at the general election.

Ground 2

Per Secretary of State Directive 22-34, the filing deadline for Independent Candidates for the General Assembly was the day before the August 2nd primary, i.e., August 1. Ms. Davis' petition was filed on July 29th before this deadline and thus is timely.

Grounds 3-5

Protests are required to set forth with specificity the grounds and those grounds define the scope of the protest hearing. *State ex rel. Cooker Restaurant Corp. v. Montgomery Cty. Bd. of Elections*, 80 Ohio St. 3d 302. Ohio case law firmly establishes that an individual previously affiliated with a political party may at any time decide to disaffiliate and claim non-affiliation and run as an independent candidate so long as the person acts consistently with such declaration after making it. In the present case, Ms. Davis signed her nominating petition declaring her independent candidacy on June 10, 2022 and has acted entirely consistent with that declaration. In short, all three of these grounds asserted by the Protestor relate to activity prior to June 22 and are not controlling.

The Ohio Supreme Court in *State ex rel. Davis v. Summit Cty. Bd. of Elections*, 137 Ohio St.3d 222, 2013-Ohio-4616, ¶28, held that to run as an Independent, "a candidate must declare her lack of affiliation in good faith, not that she take affirmative action to disaffiliate in order to prove her good faith". In *Davis*, Darrita Davis voted in the Democratic presidential primary in 2012 (the year before she sought to run as an independent) and had contributed money to Democratic candidates in 2013. *Id.* at ¶20. The *Davis* Court held that in order for her to be disqualified there had to be sufficient evidence that her claim of disaffiliation was a sham. *Id.* at ¶27. The *Davis* Court concluded that the evidence was not nearly sufficient. *Id.* at ¶30.

The *Davis* court further held that a board of elections errs by applying Paragraph 7 of Section 3513.05 to determine whether an individual seeking to run as an Independent candidate under Section 3513.257 had disaffiliated from her prior political party. *Id.* at ¶21. The Court held that the board of elections erroneously applied the two-year look-back provision for petition signatures in Section 3513.05, paragraph 7 to the separate analysis of disaffiliation pursuant to

From the Desk of Rep. Davis

Dear Neighbor,

After a busy last month, House session and committees are over for this General Assembly, and will be resuming after the November elections. I have spent the last several months working with my colleagues in the General Assembly to create legislation, advocate for action, and work to improve the lives of Ohioans.

Even though the House is not currently in session, my office is still working to provide help and resources to the people of District 11. We are available to help with a variety of issues including: disputes with government agencies; connecting you or your business to state programs or services; speaking engagements and appearances at events in the district; proposing bill ideas and law changes; and Ohio House commendations, condolences and congratulatory letters. I encourage all of you to have a safe and healthy summer, to be active in your community through summer programs and events, and to have fun, meaningful experiences with your friends, family, and neighbors.

If you ever have any questions or are in need of help we are here at the Statehouse ready to assist you at (614) 466-1414 or Rep11@ohiohouse.gov. To be added to our email list please email rep11@ohiohouse.org.

State Representative Shayla L. Davis

Rep. Davis is proud to be a part of the Democratic caucus's plan to protect women's healthcare and support babies and families. This comprehensive legislative plan invests in families from the very beginning and ensures all babies have the resources they need to grow and thrive.

One of Rep. Davis's main legislative priorities has been to lower the infant mortality rate, and she believes that all of these pieces of legislation will help in that goal. She is sponsoring three of these bills and has been working hard to ensure that the healthy and safety of babies and mothers is a top priority.

The legislative package includes bills to:

- Eliminate the diaper tax
- **Create the Infant Formula Tax Credit**
- **Establish the Ohio Safe Sleep and Baby Box Program**
- Require insurance coverage of medically necessary donor human milk
- **Create the Infant Nutrition Protection Act**
- Enact the Ohio Pregnant Workers Fairness Act

Constitutional Carry Law goes into effect.

On **June 13**, Ohio's new constitutional carry law went into effect. This law allows those who are 21-years-of age or older who would be qualified for a concealed carry license to carry a concealed handgun without actually possessing a license. This means that people in Ohio can have a concealed handgun without going through the proper safety training that is required before obtaining a license.

Legislative Update

Over the last 60 days we have accomplished a lot. Below you can find some bills that have been passed by the House, how I voted on that bill and where it currently stands, in no particular order.

- HB 99 *Voted As Dem After June 10th*
 - Allows for certain individuals (including teachers) to be armed within schools. **I voted no on this bill.** This bill has been passed by the House and the Senate, and has been signed into law by Governor DeWine.
- HB 687 *Voted As Dem After June 10th*
 - Appropriated resources from the capital budget to state owned infrastructure, colleges, universities, and school districts as well as other community projects. **I voted yes on this bill.** This bill allocated \$2.1 million dollars to District 11. This bill has been passed by the House and the Senate, and has been signed by Governor DeWine.
- HB 377
 - Released funds from the American Rescue Plan to Ohio's cities, villages, and townships with less than 50,000 people. **I voted yes on this bill.** This bill has been passed by the House, the Senate, and has been signed Governor DeWine.
- HB 542
 - Changed the regulations of cosmetologists and barbers. **I voted yes on this bill, and successfully amended it.** My amendment decriminalized practicing barbering and cosmetology without a license. This bill passed the House and awaits action from the Senate.
- SB 156
 - Barred local governments from regulating the use of knives. **I voted no on this bill.** This bill has been signed into law by Governor DeWine.

Statehouse Republicans ignore Ohioans' calls for commonsense gun safety as permitless concealed carry takes effect

Gov. DeWine further endangers children by signing HB 99 to allow guns in schools

June 13, 2022

COLUMBUS- Today, State Rep. Shayla L. Davis (D-Garfield Heights) issued a statement as Senate Bill (SB) 215, Republican legislation that allows Ohioans to carry hidden, loaded handguns in public without a permit, takes effect. Additionally, SB 215 eliminates the requirement for concealed weapon training and reduces penalties if a gun owner fails to notify law enforcement they are carrying.

This morning, Gov. DeWine also signed House Bill (HB) 99, legislation to allow teachers and staff to be armed in schools. Police, teachers' unions, civil rights groups and students all strongly oppose this legislation and the effects it would have on our children and schools.

“Keeping our schools and students safe is a top priority for everyone right now, but these bills are a step in the wrong

relationship building, not weapons. Instead, we must provide reasonable solutions backed by data, and intervene before violence occurs, such as preventative measures and programming focused on mental health and other resources to help families and children. As lawmakers, we have a responsibility to create commonsense laws, but these laws are nonsense.”

Rep. Sweeney, Davis introduce bill to create Infant Formula Tax Credit

Legislation would save Ohio families hundreds of dollars each year
June 21, 2022

COLUMBUS — State Rep. Bride Rose Sweeney (D-Cleveland) and Shayla L. Davis (D-Garfield Heights) today announced the introduction of the Infant Formula Tax Credit legislation. The bill will provide a one-time refundable \$600 income tax credit per child for parents or guardians who purchase infant formula.

“The high cost of formula causes many of our families to struggle financially,” said Rep. Sweeney. “Ohioans should not have to worry about the price of basic and necessary expenses such as formula. This legislation will not only ensure the health

of our babies by providing proper nutrition, but will also reduce the financial burden felt by parents and guardians and put money back into the pockets of working families.”

According to the United States' Office of the Surgeon General, the price of formula in the country fluctuates between \$1,200 and \$1,500 per family for the first year of a baby's life. This bill seeks

"Things for children under five were expensive to begin with," she said.

"Now you add in all these shortages, and you add in the inflation and you add in low supply."

Lake County Treasurer Michael Zuren hosts frequent diaper drives hoping to provide some relief but said it's time for our lawmakers to step up.

"It's not happening on the federal level, so we need to do it in the state of Ohio," Zuren said. "Reducing the taxes is a great idea."

State Rep. Shayla Davis, a Democrat from Garfield Heights, agreed, cosponsoring House Bill 695, a bipartisan bill that would eliminate the sales tax for child and adult diapers.

"If families are unable to do those essential things, what then happens to their child?" the Democrat asked. "We know we're in this kind of post-COVID situation where people are still struggling with a lot of things and they don't need this added on."

Davis and other lawmakers said they hope those extra dollars saved each week help alleviate the stress for thousands of working families struggling to cover the bills.

Programs like Women, Infants, and Children do not cover the costs of diapers, which Davis said can hurt lower-income and single-parent families.

Reps. Davis, Seitz introduce the Sentencing Fairness and Justice Act

Criminal justice reform legislation would help ensure justice for incarcerated Ohioans

July 29, 2022

COLUMBUS — State Reps. Shayla L. Davis (D-Garfield Heights) and Bill Seitz (R- Cincinnati) today announced the introduction of House Bill (HB) 708, the Sentencing Fairness and Justice Act. The bill will allow non-violent offenders to secure their release or reduce their punishment in accordance with updated laws as laws are changed to decriminalize or reduce the penalties for particular offenses.

“This bill is rooted in the basic human senses of fairness and justice. People shouldn’t deteriorate in prison when their crimes are not harmful to society,” said Rep. Davis. “When we find it within ourselves to correct the injustices of the past, redemption shouldn’t just live on paper – it should touch the lives of the people who’ve suffered under that injustice, too.”

Legal changes that reduce criminal sentences are extremely rare in Ohio. There were no sentence reduction bills in the past four

I have joined with Rep. Davis in sponsoring this bill because I believe it is a small but important step forward in our efforts to achieve restorative justice and to reduce the collateral consequences of criminal convictions so that these ex-offenders can regain work opportunities and become more productive citizens,” said Rep. Seitz.

The Sentencing Fairness and Justice Act now awaits assignment to an Ohio House committee.

Introduced to the Statehouse in late July, the bipartisan-backed House Bill 708, or the Sentencing Fairness and Justice Act, would permit Ohioans behind bars for non-violent

offenses to appeal their sentence — on the condition that the state enacts legislation to reduce or change sentencing guidelines for the respective crime.

“The general principle of the bill is a step forward in our quest for restorative justice across Ohio,” House Majority Leader Bill Seitz (R-Wadsworth), a primary sponsor of the bill, said.

Seitz and fellow sponsor Rep. Shayla Davis (D-Garfield Heights) said HB 708 would apply to all criminal offenses, except for the most serious crimes like murder and rape — two offenses for which Seitz said he doesn’t see lawmakers reducing penalties.

“When we start to change and shift with society, we must also look at those non-violent offenses,” Davis said.

(The Center Square) – Nonviolent offenders could find it easier to get out of prison and work their way back into society if bipartisan legislation introduced in the Ohio House becomes law.

At the same time the Sentencing Fairness and Justice Act was introduced in the House, Democratic Gov. Mike DeWine released recommendations for control supervision based on recommendations from a group he commissioned in 2019.

Reps. Shayla Davis, D-Garfield Heights, and Bill Seitz, R-Cincinnati, introduced **House Bill 708** they say will allow nonviolent offenders to be released in relation to updated laws when laws are changed to decriminalize or reduce penalties for some offenses.

"These additional recommendations will carry us forward as we continue to refine and improve the framework for post-release control," DeWine said. "Implementing these recommendations is another solid step in the right direction to ensure that former inmates have the appropriate level of supervision to help them get back on their feet while also reducing the likelihood of recidivism and protecting the community."

In 2021, about 12,000, or nearly 25%, of Ohio prisoners were non-violent offenders, according to the Ohio Department of Rehabilitation & Correction.

- Rep. Seitz says this bill is important because it's a step forward to help ex-offenders regain work opportunities and become more productive citizens.

A new bill could mean that these non-violent offenders could get out early, or have their sentences reduced.

The **Sentencing Fairness and Justice Act**, or HB 708, is a bi-partisan bill sponsored by Rep. Shayla Davis (D-OH) and Rep. Bill Seitz (R-OH). If passed, Rep. Seitz says it would allow incarcerated non-violent offenders to secure their release or reduce their punishment in accordance with updated laws or reform.

"We have far too many people in our prison system, which is a great expense to taxpayers," said Rep. Seitz. "And many of us believe there are better ways of dealing with those folks to get to underlying issues than letting them languish in our prisons."

It is expected to cost a little over \$2 million to operate Ohio prisons in 2022, according to **ODRC**. American Civil Liberties Union Ohio Chief Lobbyist Gary Daniels agrees that this bill in theory would help non-violent offenders.

"If you have a felony record, that's a long-lasting thing," said Daniels. "It can impact your ability and absolutely does to get a job, get housing, to get education."

Representative Seitz said this would help non-violent offenders like those with drug charges or even non-concealed carry violations. However, before HB 708 would come into play, reform would have to happen first. And that's something he and Daniels both agree rarely ever happens, but hope that it does.

"This is a positive development, but the problem is how often we engage in reform here in Ohio with regard to sentences, or sentencing ranges or punishment or penalties or anything like that," said Daniels.

Seitz said they came close to reform in 2020 with **Senate Bill 3**. If passed, it would have reclassified low-level drug possession charges down to unclassified

Reps. Davis, Seitz introduce the Sentencing Fairness and Justice Act *Criminal justice reform legislation would help ensure justice for incarcerated Ohioans*

COLUMBUS — State Reps. Shayla L. Davis (D-Garfield Heights) and Bill Seitz (R-Cincinnati) today announced the introduction of House Bill (HB) 708, the Sentencing Fairness and Justice Act. The bill will allow non-violent offenders to secure their release or reduce their punishment in accordance with updated laws as laws are changed to decriminalize or reduce the penalties for particular offenses.

“This bill is rooted in the basic human senses of fairness and justice. People shouldn’t deteriorate in prison when their crimes are not harmful to society,” said **Rep. Davis**. “When we find it within ourselves to correct the injustices of the past, redemption shouldn’t just live on paper – it should touch the lives of the people who’ve suffered under that injustice, too.”

Legal changes that reduce criminal sentences are extremely rare in Ohio. There were no sentence reduction bills in the past four General Assemblies that became law. Meanwhile, the number of distinct felonies in the Ohio Revised Code has increased nearly 500% since 1980 – from 161 then, to 752 in 2020. That means this legislation is a much-needed step toward decarceration in the face of decades of over-criminalization.

“I have joined with Rep. Davis in sponsoring this bill because I believe it is a small but important step forward in our efforts to achieve restorative justice and to reduce the collateral consequences of criminal convictions so that these ex-offenders can regain work opportunities and become more productive citizens,” said **Rep. Seitz**.

The Sentencing Fairness and Justice Act now awaits assignment to an Ohio House committee.

Criminal justice reform legislation would help ensure justice for incarcerated Ohioans

COLUMBUS State Reps. Shayla L. Davis (D-Garfield Heights) and Bill Seitz (R-Cincinnati) today announced the introduction of House Bill (HB) 100, the Sentencing Fairness and Justice Act. The bill will allow non-violent offenders to secure their release or reduce their punishment in accordance with updated laws as laws are changed to decriminalize or reduce the penalties for particular offenses.

This bill is rooted in the fundamental values of fairness and justice. People shouldn't desecrate in prison when their crimes are not harmful to society, said Rep. Davis. When we had it, it was our duty to correct the injustices of the past, and it should be first on paper, it should be in the lives of the people that we suffered under that injustice too.

Legal changes that reduce criminal sentences are extremely rare in Ohio. There have been no sentence reduction bills in the past four General Assemblies that became law. Moreover, the number of distinct felonies in the Ohio Revised Code has increased nearly 50% since 1990. From 1990 to 2020, that means this legislation is a much-needed step toward decriminalization in the face of decades of over-criminalization.

I have introduced this bill because I believe it is a small, but important step forward in our efforts to achieve restorative justice and to reduce the collateral consequences of criminal convictions so that these offenders can regain work opportunities and become more productive citizens, said Rep. Seitz.

The Sentencing Fairness and Justice Act now awaits assignment to an Ohio House committee.

Rep. Sweeney, Davis introduce bill to create Infant Formula Tax Credit
Legislation would save Ohio families hundreds of dollars each year

COLUMBUS — State Rep. **Bride Rose Sweeney (D-Cleveland)** and **Shayla L. Davis (D-Garfield Heights)** today announced the introduction of the Infant Formula Tax Credit legislation. The bill will provide a one-time refundable \$600 income tax credit per child for parents or guardians who purchase infant formula.

"The high cost of formula causes many of our families to struggle financially," said Rep. Sweeney. "Ohioans should not have to worry about the price of basic and necessary expenses such as formula. This legislation will not only ensure the health of our babies by providing proper nutrition, but will also reduce the financial burden felt by parents and guardians and put money back into the pockets of working families."

According to the *U.S. Department of Agriculture*, the price of formula in the country fluctuates between \$1,200 and \$1,500 per family for the first year of a baby's life. This bill seeks to rectify the issue of rising costs by including this credit in the annual income tax return.

"It is our responsibility to protect the youngest and most vulnerable people in our communities," said Rep. Davis. "We want to protect the health and wellness of our babies, as well as take the financial strain off of working class families, and this legislation is a big step in that direction."

The Infant Formula Tax Credit now awaits assignment to an Ohio House committee.

I am the Ohio House Majority Leader and proudly support HB 708 which I have very recently introduced with my colleague Rep Shayla Davis. I am glad you support this bipartisan bill.

Rep Davis was seated a few months back as a Democratic member of the House. She told me she was originally not going to stand for election in 2022 but changed her mind in June. By that time it was too late for her to file to run in the Democratic primary. She said she would run as an independent. However, she indicated that she would help me get Democratic support for our bill if I would do the same with my Republican colleagues.

Whether it is legal for a Democratic member of the House to run in November as an independent is a legal conclusion on which I offer no opinion. I have no reason, however, to believe she has walked away from the Democratic Party.

On Monday, August 1, State Representative Shayla L. Davis received notification from the Cuyahoga Board of Elections that she has enough valid petition signatures to enter the race for the Ohio-18th District race on the November 8 ballot. With the Board's verification of her petitions, she is now in the race as a nonpartisan candidate for the Ohio-18 race.

Davis was appointed to her current 11th statehouse district seat in February 2022. Her past experiences and current statehouse tenure have proven she has the grit to fight for the people.

The newly constructed district includes Garfield Heights, Maple Heights, the entirety of Cleveland wards 2 and 4, and portions of Cleveland's wards 1, 5, 6, and 12.

Hey Tanasia!

I checked about changing the Ds to I on the red box.... I don't have the capability to change that or take away the D. The only options available for that are Republican or Democrat. I can certainly call LIS and ask them what we can do about that, but they may not be able to change that immediately.

For the press releases, it's an easy change, I can just go in and adjust them on the website so we won't need to re-upload and the date's will all stay the same! My question is though, since Rep. Davis was appointed as a Democrat for the remainder of the 134 GA and all of those press releases have gone out before the change to Independent are we allowed to make that change from D to I? I am unsure of the process and if that would cause issues if someone were to public records request those.

Let me know,

Jackie
