NEW BUSINESS

Update as to East Cleveland Councilman Ernest Smith's comments about the circulation of recall petitions made at the 9/1/2022 CCBOE Meeting

Deputy Director Kaloger conducted an investigation regarding the circulation of the recall petitions for East Cleveland Councilman Ernest Smith. Deputy Director Kaloger presented a summary from the Board Packet relating to the petition signers for the recall petition. Mr. Kaloger interviewed Ernest Smith, who visited several petition signers to ask how Mr. Smith had fallen short as a council member and what could be improved. Three of the signers stated they were told the petition was to recall Mayor King, not Councilman Smith. A fourth signer stated they were told the petition was to keep Ernest Smith in office. Councilman Smith had affidavits prepared and signed by the four individuals, which he presented at the September 1, 2022, Board Meeting. Deputy Director also interviewed Twon Billings, who circulated the petitions. Mr. Billings stated that each petition page clearly shows the petition is to recall Councilman Ernest Smith, and Mr. Billings did not misrepresent the purpose of the petition.

The recall petition required 154 valid signatures, and 168 valid signatures were collected. Based on the information learned from the investigation, Director Perlatti and Deputy Director Kaloger did not deem it necessary to have the four individuals testify before the Board. Signing a recall petition can be uneasy. Then to be questioned by the councilman can be uncomfortable. According to Mr. Smith, the signers did not admit to signing the petition until they were presented a copy of the petition, which then changed their position to being "tricked" into signing. Deputy Director stated no additional petition signers had come forward with similar statements. The CCBOE staff has concluded there was likely a misunderstanding among the involved parties, consider the matter adequately investigated, and recommended the investigation be closed.

Chairman Hastings stated he appreciated Deputy Director Kaloger's efforts in investigating the comments made by Mr. Smith at the 9/1/2022 public meeting.

Chairman Hastings moved to acknowledge the Ernest Smith East Cleveland, Ward 3 Recall Petition Summary Report and acknowledge the recommendation to close the investigation. Board Member McCafferty seconded. The motion passed unanimously.

Pinnacle Award in Web Design

Peter James, Elections and Compliance Administrator stated the CCBOE received the 2022 Pinnacle Award for excellence in government web design from the National Association of Government Web Professionals. The award recognizes the best city, county, federal, state, or NGO microsites and custom websites. Entries are judged on content, design, performance, flexibility, organization, accessibility standards, and interactivity. The award was nominated by Jeremy Williams, Cuyahoga County Information Technology Manager of Technical Services.

The CCBOE made significant improvements to the website this year, including enhancements to mobile access. The CCBOE site is now easier to navigate due to less clutter focusing on audience needs, and a modern design. Accessibility to the website was also improved, including accessibility for those with visual impairments. The contributors to the website design included a partnership with County IT. including Elliot Hoffman, User Experience Designer and the CCBOE web site design committee including Mary Hannah Boyer, the lead project manager, Robin Roy, Peter James, Cory Milne, Becky Brake, Hasani Wheat, Jessica King, and Elia Burgos.

Chairman Hastings stated the news of the CCBOE being honored with the prestigious Pinnacle Award for Web Design should be shared with the Ohio Secretary of State (SOS), Ohio Association of Election Officials, County Media, and Media outlets.

Election Update

Director Perlatti stated that poll worker recruitment is doing well. The CCBOE has a sufficient number of individuals to work the polls, of which over 90% have already been trained. The Election Officials Department will continue to hire and train individuals to ensure a sufficient pool for staffing changes and stand-by workers.

The CCBOE has received 105,000 Vote-by-Mail (VBM) ballot application requests, and the projections are to receive approximately 160,000 during the election cycle. All VBM ballot applications have been processed and proofed. The SOS should send out the second round of VBM ballot applications next week. The SOS mailing will include newly registered voters and exclude voters who have already submitted a VBM ballot application. The CCBOE Vote Information Guide will also be mailed out to all households with registered voters this week. The CCBOE Track-my-Ballot application is up to date and available on the website.

The Ballot Department is currently conducting approval to print testing, also known as Logic and Accuracy testing, on the ballot equipment. The print testing is done using pre-voted ballots where the outcome is known and then processed through the central count scanners that tally the VBM ballots, the DS200s used at the polling locations, and for early-in-person voting. Once the testing is completed, Midwest Direct is notified ballot printing can begin.

The close of registration is Tuesday, October 11, 2022. The CCBOE has received an increase in voter registration cards. Deputy Director Kaloger is working with the Registration Department to timely process and proof all the incoming voter registration cards. A portion of the registration cards are attributed to Black Fork Group who is conducting a statewide voter registration drive and periodically delivers anywhere from 3,000 to 5,000 registration cards to the CCBOE.

Early in-person voting begins on October 12, 2022, which is also the same day that VBM ballots can be mailed to voters who have already submitted a VBM ballot application. Starting on October 12, 2022, the employees who park in the Hughes parking lot will be relocated to off-site parking. The Hughes Parking lot and an additional off-site lot will be available for only voter parking. During the first two weeks of voting, the rear door will be the voter entrance, and the Euclid Ave entrance will be used closer to the election. A tent will be installed on the Euclid front sidewalk two weeks before Election Day.

Deputy Director Kaloger and the Fiscal Department met with the County Sheriff's office to review security protocols. Beginning on October 12, 2022, the telescope and security camera will monitor the rear parking lot and Ballot Drop Box.

Before every election, the CCBOE conducts a pre-test of voting equipment that is open to the public to see how the ballot equipment works. The next public test will be on Friday, October 7, 2022, at 9:30 a.m. The CCBOE is promoting the pretest through media outlets for the public to attend. The CCBOE wants to demonstrate what processes are conducted to ensure voter confidence and election integrity. The public test will allow individuals an opportunity to observe and ask questions regarding ballot testing and other operations, including VBM and other processes.

Agenda Item #2

a)

RELEASED: September 29, 2022

SUMMARY

- *Directive 2022-46* provides instructions for the National Change of Address (NCOA) and Supplemental Process components of the 2022 General Voter Records Maintenance Program.
- This program proactively contacts voters who likely moved and provides them the opportunity to update their voter registration.
- The program also seeks to identify those who may no longer be qualified electors under the law and provide proper legal notice that their voter registration will be cancelled if they do not engage in any voter-initiated activity.
- The General Voter Records Maintenance Program is a requirement of the National Voter Registration Act of 1993. There are two parts of Ohio's implementation of this program:
 1. **NCOA Process** – Triggered when a voter record appears in the US postal service NCOA database, indicating the voter likely moved since records were last compared.
 2. **Supplemental Process** – Triggered by voter inactivity during a fixed period, generally two years. Generally, the process begins after two years of voter inactivity and the voter has an additional four years for a total of six years of no voter activity before their registration is cancelled.
- Voter registrations will not be cancelled pursuant to the 2022 NCOA or Supplemental Process until four years after a confirmation notice is sent.
- A registration will be cancelled only if the voter fails to respond a notice or engage in any other voter-initiated activity during a period of four consecutive years, including two general federal elections.
- A voter placed in “active-confirmation” status under this program must appear in the pollbook and should **not** be flagged to cast a provisional ballot (unless flagged for some other reason). The same holds true if a voter placed in “active-confirmation” status requests an absentee ballot. If the voter meets all the requirements to be issued a regular ballot, they will then be issued one.

DIRECTIVE 2022-46

September 29, 2022

To: All County Boards of Elections
Board Members, Directors, and Deputy Directors

Re: 2022 General Voter Records Maintenance Program

SUMMARY

Maintaining accurate voter registration lists is critical to ensuring elections are secure. This Directive provides instructions to boards of elections for the National Change of Address ("NCOA") and Supplemental Process components of the 2022 General Voter Records Maintenance Program.

This uniform and nondiscriminatory program is designed to ensure that accurate and current voter registration rolls are maintained. Voters who likely moved are proactively contacted and given the opportunity to update their voter registration. The process also seeks to identify those who may no longer be qualified electors under the law and provide proper legal notice that their voter registration will be cancelled if they do not engage in any voter-initiated activity.

BACKGROUND

The general voter records maintenance program is a requirement of the National Voter Registration Act of 1993 ("NVRA"),¹ commonly referred to as the "motor voter law." The purposes of the NVRA are to increase the number of voter registrations for eligible citizens, to enhance the participation of eligible citizens in the voter process, to protect the integrity of the electoral process, and to ensure that accurate and current voter registration rolls are maintained.²

Additionally, state law requires local election officials to conduct the state's general voter records maintenance program every year.³ There are two parts of Ohio's implementation of the general voter records maintenance program:

1. **The NCOA Process**, which is triggered when a voter record appears in the United States Postal Service ("USPS") NCOA database, indicating that the voter associated with that record likely moved since the records were last compared, and may need to update their voter registration with the current voting residence address. Under state law, the Secretary of State matches voter records in the Statewide Voter Registration Database against the NCOA database to compile the data for the NCOA process.⁴

¹ [52 U.S.C.A. §20507](#).

² [52 U.S.C.A. §20507\(b\)](#).

³ [R.C. 3503.21\(D\)](#).

⁴ [R.C. 3503.21](#).

2. **The Supplemental Process**, which is triggered by a voter's inactivity during a fixed period of time, generally two years. This process seeks to identify electors whose lack of voter-initiated activity indicates they may have moved, even though their names did not appear as a part of the NCOA process. County boards of elections use voter activity in their local voter registration system to compile the data for the supplemental process. Generally, the process *begins* after two years of voter inactivity and the voter has an additional four years for a *total of six years of no voter activity* before their registration is cancelled.

Voter registrations will not be cancelled pursuant to the 2022 NCOA or Supplemental Process until four years after a confirmation notice is sent. A registration will be cancelled only if the voter fails to respond to the notice or engage in any other voter-initiated activity during a period of four consecutive years, including two general federal elections.

INSTRUCTIONS

The following sections outline the steps each board must take in preparation for the 2022 General Voter Records Maintenance Program. **The board must complete the NCOA Process prior to identifying records that are a part of the Supplemental Process.**

I. PREPARATION STEPS FOR THE 2022 GENERAL VOTER RECORDS MAINTENANCE PROGRAM

Before beginning the NCOA or Supplemental process, each board of elections must do the following:

1. Complete the local data entry of all voter registration applications, including any information from provisional ballot envelopes cast in the November 8, 2022 General Election.
2. Update all voter registration records to account for voter-initiated activity as necessary. Voter-initiated activity includes voting, submitting a valid absentee ballot application, registering to vote, updating or confirming an address with a board of elections or the BMV, or signing a candidate or issue petition that is verified by a board of elections.⁵
3. Retrieve and review the "Automatic Confirmation of Address Safeguard" file from the Board of Elections Portal ("BOE Portal") and update any record in "active-confirmation" status to "active-active" status.⁶

II. DATA COLLECTION AND REVIEW OF RECORDS - PRIOR TO MAILING THE CONFIRMATION NOTICES

Step 1

Boards of elections will access their 2022 In-County and Out-of-County NCOA data file through the BOE Portal. An email will be sent once the files are available on the BOE Portal.

⁵ See [Chapter 4](#), Section 4.01 of the Election Official Manual.

⁶ See [Chapter 4](#), Section 4.01 of the Election Official Manual.

Step 2

For voters in the In-County NCOA File, change the voter's registration address to the address in the NCOA file and either place or keep the voters in "active-active" status. **Do not send the confirmation notices to the impacted NCOA voters at this time.**

Boards must ensure all of the following:

- Prior to sending the confirmation notice, the voter's address is changed to the address reported on the 2022 In-County NCOA list;⁹
- The [Secretary of State Form 10-S-In County NCOA](#) contains the voting location assigned for that voter's new address and provides the identification requirements specified in state law;⁷ and
- The elector is in "active-active" status.

If the address provided in the In-County NCOA list already matches the voter's address in the voter registration system and the voter is in "active-active" status, the board does not need to send a notice to the voter. If the address provided in the In-County NCOA list is not within the county, the board must notify the voter as if the record exists on the Out-of-County NCOA list and send the voter a [Secretary of State Form 10-S-1](#) to the address provided on the list.

Step 3

For voters in the Out-of-County NCOA file, place the voters in "active-confirmation" status. Perform the necessary updates to the records identified but **do not send the confirmation notices to the impacted NCOA voters at this time.**

An elector who appears on the 2022 Out-of-County NCOA list may have also appeared on previous NCOA lists. Under the 2022 Out-of-County NCOA Process, do not send a confirmation notice to an elector to whom the board already has sent such a notice, *unless* the 2022 Out-of-County NCOA list provides a new address. If the address on the 2022 NCOA list is new or different from the address that appeared on NCOA lists in previous years, the board must send a new confirmation notice and the four-year timeline for list maintenance will restart.⁸

The electors identified as part of the 2022 Out-of-County NCOA process must be placed in or remain in "active-confirmation" status in the board's voter registration system. Each board must ensure that the status of the voter is properly updated in the Statewide Voter Registration Database.

Each board must ensure it properly processes the Out-of-County NCOA data and accurately completes the mailing by doing the following:

- Placing the elector in "active-confirmation" status.
- Sending the confirmation notice by forwardable mail to the voter's address as it appears on the Out-of-County NCOA list.

⁷ [R.C. 3505.18](#).

⁸ [52 U.S.C.A. §20507\(d\)](#) and [R.C. 3503.21\(B\)](#).

Step 4

Before sending any confirmation notices, each board of elections must compile a data file containing the list of voters to be identified through the Supplemental Process and provide this list to the Secretary of State's Office. **Do not place these voters into "active-confirmation" status in the county VR system prior to receiving emailed approval from the Secretary of State's Office.**

Boards of elections must ensure voter records that will receive a confirmation notice under the Supplemental Process meet **all of the following criteria:**

1. The record of the voter is in an "active-active" status.
2. The voter's registration date is before November 3, 2020.
3. The voter's record does not contain voter-initiated activity on or after November 3, 2020. Voter-initiated activity includes voting, submitting a valid absentee ballot application, registering to vote, updating or confirming an address with a board of elections or the BMV, or signing a candidate or issue petition that is verified by a board of elections.⁹
4. The voter does not appear on the "Automatic Confirmation of Address Safeguard" list on the Board of Elections Portal.

Boards must utilize the same spreadsheet format for the list of voters set to be identified through the Supplemental Process, containing the following information:

- County Number
- County Name
- State Voter ID
- Confirmation Reason (Supplemental)
- Registration Date
- Last Voted Date
- First Name
- Last Name
- Address
- Address 2
- City
- State
- Zip Code
- Voter Status

⁹ See [Chapter 4](#), Section 4.01 of the Election Official Manual.

The spreadsheet must be uploaded to the board's SharePoint folder in a .csv format according to the following schedule:

- **January 4, 2023:** Adams through Guernsey
- **January 5, 2023:** Hamilton through Muskingum
- **January 6, 2023:** Noble through Wyandot

The Secretary of State's Office will review the data. Once the file has passed the necessary data checks, each board will receive an email instructing the board to proceed with the Supplemental Process and mail out the confirmation notices for voters identified in either the NCOA or Supplemental Process.

Boards must wait for the email from the Secretary of State's Office before completing the Supplemental Process and before mailing any confirmation notices pursuant to the NCOA or Supplemental Process.

III. MAILING NOTICES UNDER THE 2022 GENERAL VOTER RECORDS MAINTENANCE PROGRAM

Whether printing confirmation notices in-house or with a vendor, each board of elections must create a proofing process and carefully review the underlying data (e.g., name, address, etc.) and its proper placement on the notice. Each board must review the information contained in [Chapter 2, page 47 of the Election Official Manual](#).

All boards of elections must mail confirmation notices to electors identified through Ohio's 2022 General Voter Records Maintenance Program. There are three types of confirmation notices used in the NCOA and Supplemental Processes:

- [Secretary of State Form 10-S-Out of County NCOA](#) must be used for those records that are identified as part of the Out-of-County NCOA Process.
- [Secretary of State Form 10-S-In County NCOA](#) must be used for those records that are identified as part of the In-County NCOA Process.
- [Secretary of State Form 10-S-Supplemental](#) must be used for those records that are identified as part of the Supplemental Process.

Each board must mail all confirmation notices no later than **January 27, 2023** using the prescribed forms and include a postage-paid return envelope with the notification form.¹⁰ Boards must use a business reply mail permit unless use of the permit is not cost effective. Boards must also record in their voter registration system the date the confirmation notice is mailed to an elector and, when applicable, the date the board receives a response to the confirmation mailing or the date the notice is returned undeliverable. This record is critical to establish the four-year anniversary date for each confirmation notice.

A. Mailing In-County and Out-of-County NCOA Confirmation Notices

Confirmation notices are always mailed to the address that appears on the 2022 NCOA list for the voter. However, to prevent confusion, regardless of the address to which the notice

¹⁰ [R.C. 3503.21\(D\)](#).

is mailed, the front, pre-printed side of [Secretary of State Form 10-S-Out of County NCOA](#) and [Secretary of State Form 10-S-In County NCOA](#) must include *only* the address at which the elector is registered to vote. That is the address the voter is being asked to confirm.

- For [Secretary of State Form 10-S-Out of County NCOA](#) (Out-of-County NCOA Process), print the address that appears in the board's voter registration system for the elector.
- For [Secretary of State Form 10-S-In County NCOA](#) (In-County NCOA Process), print the address that appears in the in-county NCOA file for that elector since the board has updated the voter's registration address to the new address in the same county.

Print the address to which the notice must be mailed as provided by the NCOA list on the letter-side of the confirmation notice. In addition, place the board's name and return address at the top left corner of the letter-side.

B. Mailing the Supplemental Confirmation Notices ([Secretary of State Form 10-S-Supplemental](#))

Once the board has received confirmation that it may proceed, the board must:

- Place the elector in "active-confirmation" status.
- Send the confirmation notice by forwardable mail to the voter's current address (as recorded on the board of elections voter registration record).

For [Secretary of State Form 10-S-Supplemental](#) (Supplemental Process), print the address that appears in the board's voter registration system for the elector.

IV. DATA COLLECTION AND REVIEW – AFTER MAILING THE CONFIRMATION NOTICES

Each board of elections must submit a "confirmation notice file" to the Secretary of State's Office. Boards must generate this file the day that confirmation notices are mailed. On the days shown below, boards of elections must upload the spreadsheet containing the registration records that received each type of confirmation notice:

- **January 30, 2023:** Adams through Guernsey
- **January 31, 2023:** Hamilton through Muskingum
- **February 1, 2023:** Noble through Wyandot

Note that every record on the spreadsheet must have received a confirmation notice.

All boards must utilize the same spreadsheet format provided above. The spreadsheet must be uploaded to the board's SharePoint folder in a .csv format. The Secretary of State's Office will review the data for any issues that may exist and will perform outreach with a board of elections if such issue is detected. Each board will review any potential discrepancies and provide a summary of its findings.

V. RESPONSES TO THE CONFIRMATION NOTICE MAILING

An elector may respond to the confirmation notice online or by returning the notice to confirm or update their voter registration address. Note that if the elector does not respond to the in-county confirmation notice, their status will remain “active-active.”

A. Change of Address within the County

If the elector provides a new residential address within the county, the board of elections must update the elector’s registration record with the new address as of the date provided by the online voter registration system or the date of receipt of the mailed-in notice from the elector. The board must send the elector an acknowledgement notice ([Secretary of State Form 10-J](#)) informing the elector of the registration update and the location of their new polling place. The board must place or keep this elector as “active-active” in its voter registration database.

B. Change of Address to Another Ohio County

If the elector provides a new residential address in another Ohio county using the online voter registration system, the board of elections in the elector’s new county must accept the elector into its voter registration system using the date provided by the online voter registration system as the elector’s registration date in that county.

The board of the new county must send the elector an acknowledgement notice ([Secretary of State Form 10-J](#)) informing the elector of the registration update and the location of their new polling place and list this elector as “active-active” in its voter registration database.

A duplicate record will be created in the statewide voter registration database between the elector’s new and former counties that must be promptly resolved following the normal business procedures established by the Secretary of State and the county boards of elections.

If the elector returns the confirmation return notice by mail and provides a new residential address in another Ohio county, the board of elections that mailed the confirmation notice to the elector must keep a copy of the completed confirmation return notice from the elector and mail the original to the board of elections for the elector’s new county, so that the new board can enter the elector into its voter registration database as an active voter. Completed confirmation notices returned under this section must be forwarded to the appropriate board of elections at least every week.

After the board of elections for the new county has entered the record into its county voter registration database, a duplicate record will be created in the statewide voter registration database that must be promptly resolved following the normal business procedures established by the Secretary of State and the county boards of elections.

C. Change of Address to Another State

If an elector completes and returns the confirmation notice and provides a new residential address in a different state, the board of elections that mailed the confirmation notice must cancel the elector’s registration in that county and make a notation on the elector’s registration record of the date the confirmation return notice was received and the date of

cancellation.¹¹ The online voter registration system does not permit the user to provide a new permanent residential address outside the State of Ohio.

D. Confirmation of Current Address

If the elector uses the online voter registration system or returns the confirmation return notice by mail confirming that the elector resides at the same address on file with the board of elections, the board must indicate on the elector's registration record the date that confirmation was received by the board and note that the address on file with the board of elections is correct. The board must place or keep this elector as "active-active" in its voter registration database.

E. Confirmation Notice NOT Returned

1. In-County NCOA Process

If the elector fails to return the confirmation notice and otherwise fails to engage in any voter-initiated activity, the elector must continue to be listed as "active-active" in the county's voter registration database.

2. Out-of-County NCOA and Supplemental Processes

If the elector fails to return the confirmation notice and otherwise fails to engage in any voter-initiated activity, the elector must continue to be listed as "active-confirmation" in the county's voter registration database.

Unless and until the elector's registration is cancelled as described below, or as otherwise permitted by law, the elector maintains all the rights of an otherwise qualified elector, subject to Ohio's laws governing provisional voting.

F. Handling "No Forwarding Address" Returns

1. In-County NCOA Process

In-county confirmation notices must be sent by forwardable mail. If the USPS returns a [Secretary of State Form 10-S-In County NCOA](#) confirmation notice that is undeliverable, the board must issue a [Secretary of State Form 10-S-1](#) confirmation notice to the voter by forwardable mail.

2. Out-of-County NCOA and Supplemental Process

Confirmation notices must be sent by forwardable mail. However, the USPS sometimes will return to the board a confirmation notice that is undeliverable, because the USPS does not have a forwarding address for the elector. The board must record that fact in the comments section of that elector's record and keep the undeliverable confirmation notice for four years.

¹¹ [R.C. 3503.02](#) and [3503.21](#).

VI. PROSPECTIVE NATURE OF THE 2022 GENERAL VOTER RECORDS MAINTENANCE PROGRAM

The elector's voter status must be changed from "active-confirmation" to "active-active," and the elector must not be cancelled pursuant to the 2022 NCOA and Supplemental Process if any of the following apply:

- The elector responds to the 2022 confirmation notice (either via mail or online);
- The elector updates their voter registration or engages in voter-initiated activity. Voter-initiated activity includes voting, submitting a valid absentee ballot application, registering to vote, updating or confirming an address with a board of elections or the BMV, or signing a candidate or issue petition that is verified by a board of elections; or
- The elector appears on the county's "Automatic Confirmation of Address Safeguard" list.

All other electors contacted pursuant to the 2022 NCOA and Supplemental Process must be cancelled by one of the following dates, whichever is later:

- Not later than 120 days after the date of the second federal general election (November 3, 2026) in which the elector fails to vote; or
- Not later than 120 days after the expiration of the four-year period that begins on the date the confirmation notice is mailed pursuant to this Directive; but
- **No voter registration may be cancelled as a result of the general voter records maintenance program during the 90 days immediately preceding any federal primary or general election.**¹²

VII. MAINTAINING RECORDS FOR PUBLIC INSPECTION AND COPYING

The board of elections must maintain and make available for public inspection and copying at a reasonable cost all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of voter registration lists, including the names and addresses of all registered electors sent confirmation notices and whether or not the elector responded to the confirmation notice. The board must maintain all records described in this paragraph for a period of five years.¹³ Boards of elections must make the list (in electronic form) available to individuals requesting the data under Ohio's public records laws.¹⁴

VIII. "ACTIVE-CONFIRMATION" STATUS AND VOTING

As a reminder, a voter placed in "active-confirmation" status under the general voter records maintenance program must appear in the poll list at the polling place where the voter is registered to vote and should not be flagged to cast a provisional ballot (unless flagged for some other reason). If a voter placed in "active-confirmation" status appears at the voter's assigned polling place to vote, states to the precinct election officials that the voter resides at the same address printed in the poll list, provides valid identification for voting purposes, and is not required to cast a provisional ballot for any other reason, the voter must be permitted to cast a

regular ballot.¹⁵ A military identification or Ohio driver's license or state identification card does not need to include the voter's current address to be valid for voting purposes, and a military identification does not need to include any address. Likewise, if a voter placed in "active-confirmation" status submits an application for an absentee ballot, provides the same address on the application at which the voter is registered to vote, and the application is in all other respects complete and valid, the board must issue the absentee ballot to the voter (whether by mail or in person).¹⁶

IX. POSTAL INFORMATION

To reduce mailing costs and save taxpayer funds, boards of elections must consult with their local Postmaster or regional business mail analyst regarding the use of nonprofit permit postage rates for the mailing of outbound confirmation notices and business reply mail permits for the return of completed confirmation notices from electors. Both permitting methods have an application process, so boards should evaluate these options as quickly as possible. Boards must use a business reply mail permit unless the use of the permit is not cost effective. If a board requires assistance in applying for and setting up a mail permit, please contact your Election Mail Coordinator.

PART ONE – UNOFFICIAL CANVASS

The Unofficial Canvass of the November 8, 2022 General Election must be conducted on Election Night in accordance with processes and procedures outlined in the Election Official Manual.

I. PROCESSING ABSENTEE BALLOTS

The CCBOE may begin processing (including scanning, but not tabulating) absentee ballots October 12. It is prohibited from tabulating any absentee ballot prior to 7:31 p.m. on Election Day.

- State Senator
- State Representative
- Judge of the Court of Appeals
- County Commissioner
- County Auditor
- Member of State Board of Education
- Judge of the Court of Common Pleas
- Judge of County Court

The CCBOE must use the SOS County Submission System (“CSS”) to provide summary results on all candidates that appear on its ballot. The CCBOE must use the USB thumb drives provided by the SOS to ensure the security of the ENR and election management system (“EMS”).

A. INITIAL REPORTING

The CCBOE must log into the CSS no later than 7:45 p.m. on November 8. It must upload vote totals for absentee ballots by 8 p.m. The board must enter zero (0) precincts reporting when it uploads its first absentee results.

B. ENR REPORTING SCHEDULE

ENR begins with the first upload of absentee results by 8 p.m. and will continue at the assigned time throughout the night. *After the CCBOE has uploaded its first summary election results, it must report every “half-hour,” starting at 8:15 p.m.*

Once 100 percent of the precincts have reported, the CCBOE must enter final vote tallies into its ENR System.

C. SUPPLEMENTAL STATISTICS

The CCBOE must provide supplemental statistics when it reports the last precinct or shortly thereafter. **It must promptly report vote totals, even if supplemental statistics are not yet available.**

III. SUMMARY AND FINAL REPORTS

The CCBOE must follow the procedures for reporting summary results and submitting final summary reports in even-numbered year elections. The required reports and forms for the Unofficial Canvass are:

1. Unofficial Vote Total Summary Report.
2. Group Detail Report;
3. Write-In Report;
4. Most Populous Report(s) (when applicable); and
5. Signature Form.

In addition to the Unofficial Vote Total Summary Report submitted on Election Night, each board must print Current County Results from the CSS, proof to the Unofficial Vote Total Summary Report, and email the Current County Results along with the Report to Results@OhioSoS.gov.

The Director and Deputy Director must not leave the office until the assigned SOS staff member contacts the Director to confirm that the board's reports have been received and reviewed to ensure the results match.

PART TWO – POST-ELECTION CURE PERIOD

The CCBOE must be open to the public for seven calendar days immediately following Election Day, and during the hours specified below, to allow voters to cure a deficiency on an absentee or provisional ballot:

- Weekdays, November 9th – November 15th 8:00 a.m. – 5:00 p.m.
- Saturday, November 12th, 8:00 a.m. – 12:00 p.m. and Sunday, November 13th, 1:00 p.m. – 5:00 p.m.

For absentee voters, the CCBOE must receive a completed Form 11-S to cure a deficiency by the 7th day after the election, or the Form 11-S must be postmarked by the 7th day after the election and received by the 10th day after the election.

PART THREE – OFFICIAL CANVASS

I. TIMELINE FOR OFFICIAL CERTIFICATION

The CCBOE may begin the Official Canvass no earlier than **November 19** and no later than **November 23**. It must complete its Official Canvass and certify no later than **November 29**.

II. PRE-CANVASS AND CANVASS ACTIVITY

The CCBOE must reconcile results with records from the poll books and the voter registration system to ensure that only one ballot per voter is counted.

III. FORMS FOR OFFICIAL CERTIFICATION

All certifications and reports must be signed by the appropriate CCBOE personnel before being submitted to the SOS; another board of elections; or another public entity. **The board may not use digital or stamped signatures for these reports.**

A. CERTIFICATION AND REPORTING OF OFFICIAL RESULTS

After the CCBOE completes its Official Canvass, it must email Results@OhioSoS.gov and attach a copy of the official vote total summary report.

The board of elections for the most populous county of any jurisdiction must generate a separate report. The report must include the total number of votes recorded for the office, question, or issue from each county in a multi-county jurisdiction and the total number of votes for all counties.

State law requires the SOS to publish a report on the number of absentee and provisional ballots cast and counted. The CCBOE must provide this supplemental data.

B. CERTIFICATE OF OFFICIAL RESULTS TO SENATE PRESIDENT

The CCBOE must send to the President of the Senate a copy of its official election results for all statewide offices and issues. In addition, the most populous county of a district contest for U.S.

House of Representatives must send a copy of its official, district-wide results for that district contest to the President of the Senate.

C. CERTIFICATE OF OFFICIAL SUMMARY RESULTS FOR LOCAL LIQUOR OPTION QUESTIONS AND LOCAL QUESTIONS AND ISSUES

The CCBOE must certify the results for liquor option questions, as well as local questions and issues and sent notice to the entities outlined in this *Directive*.

PART FOUR - POST-CERTIFICATION REQUIREMENTS

I. CERTIFICATES OF ELECTION

The CCBOE must follow the instructions for issuing certificates of election that are contained in Chapter 10, Section 10.04, of the Election Official Manual.

II. RECOUNTS

The deadline for a candidate or group to request a recount is five days after the certification of official results. A recount must take place no later than 10 days after an application for a recount is filed or an automatic recount is declared.

III. POST-ELECTION AUDITS

Every board of elections must conduct a post-election audit of not less than three contested races, questions, or issues, as directed by the SOS.

- **If there is no recount:** The audit may start six days after the official results are declared and must be completed by the 21st day after that declaration.
- **If there is a recount:** The audit must begin immediately after the board certifies the results of the recount and be complete within 14 days.

An audit must be certified by the board within five days of completion.

For this election, the CCBOE must audit at least three contested races, questions, or issues, including:

- The contest for Governor and Lieutenant Governor;
- At least one other statewide contest to be selected by the SOS office *after* Election Day;
- At least one non-statewide candidate contest to be selected by the CCBOE, and it **must be a countywide candidate contest**.

IV. VOTER HISTORY

All boards must upload voter history to the Statewide Voter Registration Database no later than 14 days after the board's official certification.

Note: If a provisional ballot affirmation is used to register an individual to vote, the newly registered voter should be assigned voter history for casting a provisional ballot.

V. RETENTION OF BALLOTS

As this is a federal election, the CCBOE must retain all ballots for at least 22 months following the election.

PART FIVE – OPEN MEETINGS DURING THE CANVASS

Board Members must remain in session from the time of the opening of the polls on Election Day until the results of the election are received from every precinct in the county and such results are communicated to the SOS. Board members must also meet to adjudicate the validity of provisional ballots, certify the official results of the election, and certify the results of any recount or post-election audit.

PART SIX – SECURE VOTING METHODS

I. SECURE ABSENTEE BALLOT RECEPTACLES (“DROP BOXES”)

The CCBOE must follow the rules and procedures set forth in *Directive 2022-45* for the use of secure absentee ballot drop boxes. At least once each day there is early voting, one Republican and one Democratic election official must together check, retrieve the contents, and re-lock the drop box.

II. REFUSAL TO SIGN ELECTRONIC POLLBOOKS

If an individual refuses to sign an electronic pollbook at a polling location, the voter may **not** cast a regular ballot. Poll workers must provide such an individual a provisional ballot.

III. REFUSAL TO USE PRECINCT-BASED OPTICAL SCANNERS

Voters must cast their ballot in a precinct count optical scanner if they want their ballot to count. An elector who refuses to scan their ballot has not actually voted. Therefore, the ballot should **not** be set aside, scanned, and counted at the board office. Instead, poll workers will treat this circumstance as a *Fleeing Voter* (i.e., the ballot will be voided).

DIRECTIVE 2022-47

October 11, 2022

To: All County Boards of Elections
Board Members, Directors, and Deputy Directors

Re: Unofficial and Official Canvasses of the November 8, 2022 General Election

SUMMARY

This Directive outlines the procedures that boards of elections must follow when conducting both the Unofficial and Official Canvasses of the November 8, 2022 General Election.

To assist boards of elections with any problems, questions, or concerns on Election Day, the Secretary of State's Office is staffed on Election Day from 6:00 a.m. until all boards report their unofficial results to and have been released by our Office. Boards should contact the Secretary of State's Office using the dedicated telephone number that will be emailed prior to November 8, 2022.

All board members, directors, and deputy directors must ensure that they are able to receive emails via their .gov address and other communications sent from the Secretary of State's Office on November 8, 2022 (including after the polls close).

PART ONE – UNOFFICIAL CANVASS

The Unofficial Canvass of the November 8, 2022 General Election must be conducted on Election Night in accordance with state law¹ and [Chapter 10, Section 10.02](#) of the Election Official Manual. Each board must ensure all eligible Election Day and absentee ballots are tabulated and reported in its unofficial canvass. Boards must ensure all memory cards containing tabulated results are properly processed into its election management system.

The Unofficial Canvass must be conducted in full view of the members of the board of elections and any observer appointed in accordance with [R.C. 3505.21](#).² The board must continuously count the ballots during the Unofficial Canvass.³

I. PROCESSING ABSENTEE BALLOTS

Boards of elections may begin processing (including scanning, but not tabulating) absentee ballots on October 12, 2022, the day after the close of voter registration. Boards must begin this process prior to Election Day to ensure the Unofficial Canvass includes all absentee ballots received by the close of polls on November 8, 2022. Ohio law prohibits boards from tabulating

¹ [R.C. 3505.27](#) (counting regular ballots that were cast at precinct polling locations); [R.C. 3505.28](#) (ballots not counted); [R.C. 3509.06](#) (counting absentee ballots); [R.C. 3509.07](#) (absentee ballots not counted); [R.C. 3511.11-3511.13](#) (uniformed service and overseas voter absentee ballots).

² [R.C. 3505.27](#).

³ [R.C. 3505.27](#); [R.C. 3505.29](#); [R.C. 3505.30](#).

any absentee ballot prior to 7:31 p.m. on November 8, 2022.⁴ If a court orders polls to remain open later than 7:30 p.m. on Election Day, boards will receive a directive with alternate instructions.

II. ELECTION NIGHT REPORTING (“ENR”)

State law requires boards of elections to provide election results for certain contests to the Secretary of State’s Office.⁵ Election Night Reporting will consist of races for the following offices:

- Governor and Lieutenant Governor
- Attorney General
- Auditor of State
- Secretary of State
- Treasurer of State
- Chief Justice of the Supreme Court
- Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-2-2023)
- United States Senator
- Representative to Congress
- State Senator
- State Representative
- Judge of the Court of Appeals
- County Commissioner
- County Auditor
- Member of State Board of Education
- Judge of the Court of Common Pleas
- Judge of County Court

All counties must use the Secretary of State’s County Submission System (“CSS”) to provide summary results on all candidates that appear on the county’s ballot, including the results of county offices subject to an unexpired term.

Although boards of elections will have access to manually hand key the results at the time frames below, the upload tool allows each board to do this more efficiently and accurately by mitigating data entry errors. Boards must use the USB drives provided by the Secretary of State’s Office to ensure the security of the ENR system and election management system (“EMS”). The USB drives must be used only once.

For the Unofficial Canvass, boards must provide summary-level election results, rather than precinct-level results. Boards will upload precinct-level results for the Official Canvass.

A. INITIAL REPORTING

Each board must log in to the CSS no later than 7:45 p.m. on November 8, 2022. A board must immediately notify the Secretary of State personnel of delays in completing any portion of the results reporting activity.

⁴ [R.C. 3509.06\(F\)](#).

⁵ [R.C. 3505.27\(C\)](#).

Each board must upload vote totals for absentee ballots by 8:00 p.m., unless the voting system is technologically unable to do so. If necessary, partial absentee results may be uploaded by the county. If a board uploads partial absentee results at 8:00 p.m., it must not double-report the initial upload. Contact the board's voting system vendor if you need technical assistance. The board must enter zero (0) precincts reporting when it uploads its absentee results.

B. ENR REPORTING SCHEDULE

ENR begins with the first upload of absentee results by 8:00 p.m. and will continue uploading results at the assigned time throughout the night. After the board uploads its first summary election results, it must report on the following time increment assigned to the county:

1. “Half-Hour” Counties

Allen, Ashtabula, Athens, Belmont, Butler, Clark, Clermont, Columbiana, Cuyahoga, Delaware, Erie, Fairfield, Franklin, Geauga, Greene, Hamilton, Hancock, Jefferson, Knox, Lake, Lawrence, Licking, Lorain, Lucas, Mahoning, Marion, Medina, Miami, Montgomery, Muskingum, Portage, Richland, Ross, Sandusky, Scioto, Stark, Summit, Trumbull, Tuscarawas, Union, Warren, Washington, Wayne, and Wood Counties.

“Half-hour” counties must report at each half hour beginning at **8:15 p.m.** and every half hour after (e.g., 8:45 p.m., 9:15 p.m., 9:45 p.m., etc.), and must continue reporting until all precincts report results.

A board must notify the Secretary of State personnel if it will be delayed in reporting results. Once 100 percent of the precincts have reported, boards must enter final vote tallies into the ENR system. The board does not have to wait until its designated reporting time before reporting the final results.

2. “Hourly” Counties

“Top-of-the-hour” counties (e.g., 8:00 p.m., 9:00 p.m., etc.): *Ashland, Auglaize, Brown, Champaign, Clinton, Crawford, Darke, Defiance, Fulton, Guernsey, Highland, Huron, Logan, Madison, Mercer, Morrow, Ottawa, Pickaway, Preble, Seneca, Shelby, and Williams Counties.*

“Bottom-of-the-hour” counties (e.g., 8:30 p.m., 9:30 p.m., etc.): *Adams, Carroll, Coshocton, Fayette, Gallia, Hardin, Harrison, Henry, Hocking, Holmes, Jackson, Meigs, Monroe, Morgan, Noble, Paulding, Perry, Pike, Putnam, Van Wert, Vinton, and Wyandot Counties.*

Note: “Bottom-of-the-hour” counties will report once at the “Top-of-the-hour” at 8:00 p.m. and then at the bottom hour as noted above.

“Hourly” counties must report summary election results at the top *or* bottom of every hour, as specified above, and continue until all precincts have reported. If the board reports more frequently, it must still report on the hour.

A board must notify the Secretary of State personnel if it will be delayed in reporting results. Once 100 percent of the precincts have reported, boards must enter final vote tallies into the ENR system. The board does not have to wait until its designated reporting time before reporting the final results.

C. SUPPLEMENTAL STATISTICS

Boards of elections must provide supplemental statistics upon reporting the county's last precinct or shortly thereafter. **Boards must promptly report vote totals, even if supplemental statistics are not yet available.** Upload the election results, then submit the statistics when ready. The required supplemental statistics are as follows:

Counted Ballots

- Total number of regular ballots counted from Election Day precincts (not including absentee ballots).
- Total number of absentee ballots counted (both UOCAVA and Non-UOCAVA).
- Total regular Election Day and absentee ballots counted.

Outstanding Ballots

- Total number of outstanding absentee ballots (issued but not yet counted).
- Total number of provisional ballots (issued at the polls or the board office before or on Election Day).

III. SUMMARY AND FINAL REPORTS

Boards of elections must follow the procedures outlined in [Chapter 10, Section 10.02](#) of the Election Official Manual for reporting summary results and submitting final summary reports in even-numbered year elections. The required reports and forms (listed below) for the Unofficial Canvass and the instructions and deadline for submission will be provided to boards of elections via email before Election Day:

1. Unofficial Vote Total Summary Report;
2. Group Detail Report (if not included with Summary Report);
3. Write-In Report;
4. Most Populous Report(s) (when applicable); and
5. Signature Form.

In addition to the Unofficial Vote Total Summary Report submitted on Election Night, each board must print off the county results from the CSS via the "Current County Results" page and proof this report. The unofficial canvass summary report, group detail report, **and** the signature form must be sent to Results@OhioSoS.gov. Instructions outlining this requirement will be provided separately. All final summary reports, and Group Detail Report must be transmitted to the Elections Division via email to Results@OhioSoS.gov.

On Election Night, once the Secretary of State's Office receives, reviews, and compares the board's Unofficial Vote Total Summary Report and Group Detail Report, a Secretary of State staff member will contact the Director.

The Director and Deputy Director must not leave the office until Secretary of State staff contacts the Director to confirm that its reports have been received and reviewed to ensure the results match. The Director is responsible for releasing the board's staff.

PART TWO – POST-ELECTION CURE PERIOD

Each board of elections must be open to the public on each of the seven calendar days immediately following Election Day, and during the hours specified below, in order to allow voters to cure a deficiency on an absentee or provisional ballot, as provided for in state law:⁶

- Wednesday, November 9th 8:00 a.m. – 5:00 p.m.
- Thursday, November 10th 8:00 a.m. – 5:00 p.m.
- Friday, November 11th 8:00 a.m. – 12:00 p.m.⁷
- Saturday, November 12th 8:00 a.m. – 12:00 p.m.
- Sunday, November 13th 1:00 p.m. – 5:00 p.m.
- Monday, November 14th 8:00 a.m. – 5:00 p.m.
- Tuesday, November 15th 8:00 a.m. – 5:00 p.m.

Whenever a board of elections receives an absentee ballot identification envelope that is missing required information or that contains information that does not conform to the voter's registration record, the board must follow the instructions set forth in [Chapter 7, pages 228 to 230](#) of the Election Official Manual.

For absentee voters, a board of elections must receive a completed [Form 11-S](#) to cure a deficiency by the 7th day after the election, or the Form 11-S must be postmarked by the 7th day after the election (**Tuesday, November 15, 2022**) and received by the 10th day after the election (**Friday, November 18, 2022**).

If a board of elections has no voters with a deficiency on their absentee or provisional ballot after Election Day (i.e., there is nothing *possible* to cure for any voter that cast a ballot in the election) or all deficiencies have been cured, the board may return to its normal operating hours for the remainder of the cure period.

PART THREE – OFFICIAL CANVASS

I. TIMELINE FOR OFFICIAL CERTIFICATION

Boards of elections may begin the Official Canvass of the November 8, 2022 General Election no earlier than the 11th day after the election (**Saturday, November 19, 2022**) and must begin no later than the 15th day after the election (**Wednesday, November 23, 2022**). Each board must complete its Official Canvass and certify no later than the 21st day after the election (**Tuesday, November 29, 2022**).⁸

II. PRE-CANVASS AND CANVASS ACTIVITY

Boards of elections must follow the instructions for pre-canvass activity that are outlined in [Chapter 10, Section 10.03](#) of the Election Official Manual. Boards must also follow the rules

⁶ [R.C. 3505.181\(B\)\(7\)](#); [R.C. 3509.06\(D\)\(3\)](#). See also *Northeast Ohio Coalition for the Homeless v. Husted*, 837 F.3d 612 (6th Cir. 2016) (holding that the seven-day post-election cure period for absentee and provisional ballots established in state law is constitutional).

⁷ November 11 is Veterans Day, a legal holiday according to [R.C. 1.14](#) and [5 U.S.C. § 6103](#).

⁸ [R.C. 3505.32\(A\)](#).

and procedures outlined in [Chapter 10, Section 10.04](#) of the Election Official Manual for conducting the Official Canvass. Each board must reconcile results with records from the poll books and the voter registration system to ensure that only one ballot per voter is counted.⁹ This includes ensuring that all returned absentee ballots are logged in the voter registration system and reconciling the list of voters whose ballots were returned with the number of physical ballots returned.

Pursuant to [R.C. 3505.32](#), board members and employees are prohibited from disclosing partial or final results of any contest in the election between the completion of the Unofficial Canvass and the certification of official results.

III. FORMS FOR OFFICIAL CERTIFICATION

After the Unofficial Canvass, our Office will provide the forms for reporting official results. All certifications and reports must be signed by the appropriate board personnel before the board submits them to our Office, another board of elections, or another public entity. The board may not use digital or stamped signatures for these reports. Each board of elections must submit the signature form to certify the Official Election Results, including the absentee and provisional ballot reports, to the Secretary of State's Office.

A. CERTIFICATION AND REPORTING OF OFFICIAL RESULTS¹⁰

Each board of elections must complete and provide all of the following the day it completes its official certification and no later than **Tuesday, November 29, 2022**:

1. Official Vote Total Summary Report;
2. Group Detail Report (if not included with Summary Report);
3. Signature form;
4. Write-In Report;
5. Report forms;
6. Electronic turnout detail by precinct;
7. SOVC report; and
8. Absentee and provisional ballot report.

Each board must submit these reports to Results@OhioSoS.gov as soon as the board completes its official certification. The Official Vote Total Summary Report must be clearly labeled "[County]'s Official Canvass," and it must contain *only* vote totals for that county. Boards must not delay submitting the official certification forms because of a recount for any race or issue. Every board must maintain a copy of each of its completed certification and report forms.

State law requires the Secretary of State to publish a report on the number of absentee and provisional ballots cast and counted for the election in each county.¹¹ Each board of elections must provide this data for absentee and provisional ballots. Our Office will provide the reporting forms after the Unofficial Canvass.

⁹ [R.C. 3505.32\(D\)](#).

¹⁰ [R.C. 3505.30](#).

¹¹ [R.C. 3501.05\(Y\)](#).

The board of elections for the most populous county of any multi-county jurisdiction or district must generate a separate report from its voting system, create a report outside of its voting system, or use a reporting form which will be provided after the Unofficial Canvass. This report must be clearly labeled “[County’s] Official Canvass – Most Populous County.” The report must include the total number of votes recorded for the office, question, or issue from each county in a multi-county jurisdiction and the sum total for all counties. The board must clearly mark the contest(s) for which a board is the most populous county to clearly identify it as a contest contains vote totals from other counties. The board must email the report(s) to Results@OhioSoS.gov.

Boards of elections that create Cast Vote Record reports must redact the “RecordID” field from public view if this field is populated. This field must be redacted to ensure that the secrecy of each voter’s choices is preserved.¹²

B. CERTIFICATE OF OFFICIAL RESULTS TO SENATE PRESIDENT

Each board of elections must send to the President of the Senate a copy of the board’s official election results for all of the following: the joint offices of Governor and Lieutenant Governor; the offices of Attorney General, Auditor of State, Secretary of State, and Treasurer of State; Chief Justice of the Supreme Court of Ohio and Justices of the Supreme Court of Ohio; United States Senator; and Statewide Issues 1 and 2. In addition, the most populous county of a district contest for U.S. House of Representatives must send a copy of its official, district-wide results for that district contest to the President of the Senate.¹³ The results must be sent to the following address:

President of the Ohio Senate
Ohio Statehouse, 1 Capitol Square, 2nd Floor
Columbus, Ohio 43215

C. CERTIFICATE OF OFFICIAL SUMMARY RESULTS FOR LIQUOR OPTION QUESTIONS AND LOCAL QUESTIONS AND ISSUES

Each board of elections must send a completed copy of [Secretary of State Form 126-B](#) to the Secretary of State’s Office via email to Results@OhioSoS.gov and a copy of the completed form to the Ohio Division of Liquor Control via email: localoption@com.ohio.gov or by mailing to the following address:

Division of Liquor Control
6606 Tussing Road
Reynoldsburg, Ohio 43068-9005

The board of elections (most populous county only if it is a multi-county issue) must certify the results of an election on tax levies and bond issues to the following offices and agencies:

- The county auditor of each county in which the election was held.
- The fiscal officer of the subdivision in which the election was held.

¹² [R.C. 3501.35\(A\)\(4\)](#) and [3599.20](#).

¹³ [R.C. 3505.33](#).

- The Tax Commissioner of the State of Ohio via email at: DTE@tax.state.oh.us.
- The Secretary of State.

The board of elections of the most populous county must certify the results of an election on a school district income tax on [Secretary of State Form 125-A](#) to the following offices and agencies:

- The board of education that placed the issue on the ballot.
- The Tax Commissioner of the State of Ohio via email at DTE@tax.state.oh.us.
- The Secretary of State.

PART FOUR – POST-CERTIFICATION REQUIREMENTS

I. CERTIFICATES OF ELECTION

Each board of elections must follow the instructions for issuing certificates of election that are contained in [Chapter 10, Section 10.04](#), of the Election Official Manual. The candidate's name on the certificate of election should match the name as it appears on the ballot. The Secretary of State issues certificates of election for statewide offices, offices of Representatives to Congress, and offices of State Board of Education members. Certificates of election should not be issued before the expiration of the time by which applications for recounts may be made. Boards of elections may not issue a certificate of election in a contest for which a recount is requested, or conducted automatically, until after the recount is complete.¹⁴

II. RECOUNTS

Before scheduling and conducting a recount, please review the procedures set forth in state law and [Chapter 11, Section 11.02](#) of the Election Official Manual. The deadline for a candidate or group to request a recount is five days after the certification of official results. A recount must take place no later than ten days after an application for a recount is filed or an automatic recount is declared.¹⁵

The Secretary of State's Office will provide the boards a spreadsheet along with the Official Canvass report forms to notify the Secretary of State of a recount.

If the recount to be conducted is for a multi-county jurisdiction, the Secretary of State's Office will issue the notice of recount after receiving notice from the most populous county. Multi-County recounts will not be ordered until all counties in the district have certified their official results. If a recount changes vote totals, the board of elections must submit a properly completed and signed amended certification and abstract to Results@OhioSOS.gov.

III. POST-ELECTION AUDITS

Ohio law requires every board of elections to conduct a post-election audit.¹⁶ The law generally requires boards to audit not less than three contested races, questions, or issues, as directed by the Secretary of State. Before scheduling and conducting the post-election audit, please

¹⁵ [R.C. 3515.02](#) and [R.C. 3515.03](#).

¹⁶ [R.C. 3505.331](#).

review the procedures set forth in state law and [Chapter 11, Section 11.03](#) of the Election Official Manual. The timeline for post-election audits depends on whether there is a recount, as explained below:

1. **If there is no recount:** The audit may start six days after the official results are declared and must be completed by the 21st day after that declaration. The board has five days after completion to certify those audit results to the Secretary. A form will be offered for certifying audit results.
2. **If there is a recount:** The audit must begin immediately after the board certifies the results of the recount and be complete within 14 days. The board has five days after completion to certify those audit results to the Secretary.

For the November 8, 2022 General Election, boards must audit at least three contested races, questions or issues, including:

- The contest for Governor and Lieutenant Governor;
- At least one other statewide contest to be selected by the Secretary of State's office *after* Election Day; and
- At least one non-statewide candidate contest to be selected by the board of elections, except that the board shall exclude any contest in which the number of candidates for that contest (including eligible write-in candidates) does not exceed the number of candidates to be elected in that contest when making its selection. This must be a countywide candidate contest. A countywide question or issue may be used if you have no non-statewide candidate contest.

After Election Day, the Secretary of State's Office will provide more instructions and a form to report the results of the post-election audit.

IV. VOTER HISTORY

All boards must upload voter history for the November 8, 2022 General Election to the Statewide Voter Registration Database no later than 14 days after the board's official certification. The election name to submit the history for the election is **2022_NOV_GEN**.

For purposes of assigning voter history, a voter record should be marked as having voted in an election, only if any of the following are true:¹⁷

- The voter signed the signature poll book on Election Day.
- The voter was issued an absentee ballot in-person during the period for in-person absentee voting.
- The voter timely returned the voter's identification envelope [including UOCAVA and Federal Write-In Absentee Ballots (FWAB)], regardless of whether the ballot was eligible to be counted.

¹⁷ [Election Official Manual Chapter 10](#), page 316.

- The voter is an eligible elector of the State of Ohio and cast a provisional ballot, regardless of whether the ballot was eligible to be counted. **If a provisional ballot affirmation is used to register an individual to vote, the newly registered voter should be assigned voter history for casting a provisional ballot.**

V. RETENTION OF BALLOTS

As this is a federal election, boards must retain all ballots prepared for an election for at least 22 months following the election.¹⁸ If the board uses a voting system and software that captures images of ballots as they are scanned by a high-speed scanner, those images may be subject to disclosure pursuant to a public records request and must be retained.¹⁹ Accordingly, consult with the county prosecuting attorney regarding their retention.

PART FIVE – OPEN MEETINGS DURING THE CANVASS

Consistent with [R.C. 3505.30](#), board members must remain in session from the time of the opening of the polls on Election Day until the results of the election are received from every precinct in the county and such results are communicated to the Secretary of State. Board members must also meet in person to adjudicate the validity of provisional ballots, certify the official results of the election, and certify the results of any recount or post-election audit.

Boards should work with their technical points of contact (i.e., IT professionals) to determine whether livestreaming the meetings is an option for public viewing, in addition to allowing members of the public to attend in person. To the maximum extent possible, any livestream of board meetings should be advertised on social media and include video of the staff undertaking duties that would normally be observable by members of the public if they were physically present at the meeting.

PART SIX – SECURE VOTING METHODS

I. SECURE ABSENTEE BALLOT RECEPTACLES (“DROP BOXES”)

For the November 8, 2022 General Election, boards of elections must follow the same rules and procedures set forth in [Directive 2022-45](#) for the use of secure absentee ballot drop boxes outside the county boards of elections. At least once each day there is early voting, one Republican and one Democratic election official must together check, retrieve the contents, and re-lock the drop box. In addition, a bipartisan team must retrieve the contents of the ballot drop box at the following dates and times:

- (1) Voter registration deadline: **Tuesday, October 11, 2022** at 9:00 p.m.
- (2) Absentee ballot application deadline: **Saturday, November 5, 2022** at 12:00 noon;
- (3) Personal delivery absentee ballot deadline: **Tuesday, November 8, 2022** at 7:30 p.m.;
and
- (4) If a board of elections has absentee ballots to be cured during the seven days after Election Day: **Tuesday, November 15, 2022** at 5:00 p.m.

¹⁸ [R.C. 3505.31](#) and [52 U.S.C.A. § 20701](#).

¹⁹ See [Election Official Manual Chapter 10](#), pages 321 to 323.

II. REFUSAL TO SIGN ELECTRONIC POLLBOOKS

Generally, when voters enter a polling location, they must present identification and sign a pollbook.²⁰ Pollbooks have long served as a key element to protect election security. Electronic pollbooks are tested by an independent testing authority, examined by the BVME, and certified by the Secretary of State for use in Ohio.

If a board of elections uses electronic pollbooks at its polling locations and an individual refuses to sign an electronic pollbook,²¹ the voter may not cast a regular ballot. Precinct election officials must provide such an individual a provisional ballot and follow the instructions for issuing provisional ballots in [Chapter 8](#) of the Election Official Manual.²²

III. REFUSAL TO USE PRECINCT-BASED OPTICAL SCANNERS

Automatic tabulating equipment used in Ohio, including any precinct-based optical scanner, is certified by (1) the U.S. Election Assistance Commission;²³ (2) an independent voting system test laboratory;²⁴ and (3) the bipartisan Board of Voting Machine Examiners.²⁵ Voters in counties that use precinct count optical scanners must cast their ballot in the scanner if they want their ballot to count.²⁶ An elector who refuses to scan their ballot has not actually voted. Therefore, the ballot should not be set aside, scanned, and counted at the board office.²⁷ Instead, precinct election officials must follow the instructions in [Chapter 9, Section 9.05](#) of the Election Official Manual on *Fleeing Voters* for any ballots left by individuals who refuse to cast their ballots. The precinct election officials must also record the refusal to scan into the polling location incident log along with voter's name and if possible, the voter's county identification number.

IV. BACK-UP PAPER BALLOTS IN DRE COUNTIES

Boards of elections that use DRE voting machines are not required to give voters the “paper or plastic” choice between casting a ballot on the DRE or by using centrally counted optical scan ballots. However, it is acceptable for a board of elections to do so.²⁸ If a board anticipates a high volume of voters who prefer to cast a hand-marked ballot, the board should order more than the minimum quantities of ballots prescribed by the Election Official Manual. Boards must provide a secure ballot container into which the voter may place their centrally counted, optical scan ballot after marking the ballot.

²⁰ [R.C. 3505.18\(B\)](#). Ohio law provides an exception for an elector who is unable to write their name.

²¹ [R.C. 3506.021](#). When the electronic pollbooks are not functioning properly, backup paper pollbooks are used.

²⁴ [O.A.C. 111:3-9-08\(B\)\(2\)](#).

²⁵ [R.C. 3506.05](#).

²⁶ If the scanner is temporarily inoperable for any reason, an elector may cast their ballot by depositing it in the emergency or auxiliary ballot bin.

November 8, 2022 General Election Supplemental Absentee Ballot Collection Schedule

Pursuant to Secretary of State Directive 2022-45, boards of elections may consider, by a majority vote, implementing a traffic mitigation plan using teams of trained bipartisan election officials to collect absentee ballots in an appropriate container other than the permanent secure ballot box.

The Cuyahoga County Board of Elections (CCBOE) will have supplemental absentee ballot collection on the following days:

- Saturday October 29, 2022, 8:00 am to 4:00 pm
- Friday November 4, 2022, 8:00 am to 7:00 pm
- Saturday November 5, 2022, 8:00 am to 4:00 pm
- Sunday November 6, 2022, 1:00 pm to 5:00 pm
- Monday November 7, 2022, 8:00 am to 2:00 pm

During supplemental absentee ballot collection at least one Republican and one Democratic board employee will collect absentee ballots in a secure container. All ballots collected via this method will be stored at the board's office under a dual lock system with properly executed chain of custody forms.

The schedule of supplemental absentee collection will be posted on the CCBOE's website and social media accounts with the collection location having signage like the permanent secure ballot box.

The CCBOE will follow all requirements listed in Directive 2022-45.

November 8, 2022 General Election

Ballot Order

The following is the ballot order for the November 8, 2022 General Election. The administration has reviewed and revised the order considering future filing deadlines and changes in voter registration.

The Cuyahoga County Board of Elections Election Day proposed ballot order is based upon the following factors:

- 60% of active for all active voters or 115% of Turnout from the November 2014 & 2018 General Elections (including 105% of Provisional ballots) for each of those elections; whichever is higher
- Due to this election having two (2) & three (3) page ballots, the maximum capacity for a red bag to pack ballots to be delivered to the polling locations is 2,400 sheets. In precincts exceeding this number, a supplemental ballot order was created.

The complete order can be found below:
