DIRECTIVE 2022-28 - Ballots and Candidates for May 3, 2022 Primary Election for All Offices

RELEASED: March 9, 2022

SUMMARY

- *Directive 2022-28* provides the forms of the official ballots to be used in the May 3, 2022 Primary Election for **ALL** offices, along with the names of all statewide candidates to be printed on the ballots.
- *Directive 2022-25*, which was issued on Feb. 22, 2022, provided the official form of the ballot, but it did not include the offices of U.S. House, Ohio House and Senate, or State Central Committee, due to delays in redistricting.
- *Directive 2022-28 supersedes Directive 2022-25* and the forms of the ballot that were included. *Directive 2022-28* also clarifies the requirements regarding candidate withdrawals.

INSTRUCTIONS

The Cuyahoga County Board of Elections (CCBOE) must not print ballots until after the March 17, 2022 protest deadline for the offices of U.S. House, Ohio House and Senate, and State Central Committee. Boards may begin to program and proof ballots as soon as candidates are certified to appear on the ballot.

In lieu of issuing a separate Directive covering ballot layout and proofing, the Secretary of State (SOS) is directing the CCBOE to use *Directive 2022-28*, in conjunction with Chapter 5 of the Election Official Manual, to prepare and proof ballots for the May 3, 2022 Primary Election.

I. VERIFYING DISTRICT RELATIONSHIPS

Before programming any aspect of the central tabulating system for the May 3, 2022 Primary Election, the CCBOE must verify the accuracy of district relationships in the central tabulating system against its voter registration system.

II. OFFICIAL BALLOT FORMS

Each board of elections must provide a separate ballot for each political party listing candidates for nomination or election in a primary election. The ballot forms for this election are (*there are no minor party candidates on the May 3, 2022 Primary Election ballot*):

- Official Democratic Primary Ballot;
- Official Republican Primary Ballot; and
- Official Questions and Issues Ballot.

The names of all candidates who have not withdrawn (*see Section VI of this Directive for more details*) must be included on the ballot.

III. ORDER OF OFFICES FOR PRIMARY BALLOTS

A. The order of offices for **both** the Democratic and Republican ballots shall be as follows:

- Governor and Lieutenant Governor
- Attorney General
- Auditor of State
- Secretary of State

- Treasurer of State
- Chief Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-2-2023)
- United States Senator
- Representative to Congress
- Member of State Central Committee, Man
- Member of State Central Committee, Woman
- State Senator
- State Representative
- Judge of the Court of Appeals
- Judge of the Court of Common Pleas
- County Commissioner
- County Auditor
- Member of County Central Committee, if applicable

B. Blank Spaces for Write-In Votes

A write-in space must be provided on the ballot for every office for which the CCBOE received a valid declaration of intent to be a write-in candidate.

- **Write-In Candidates for Statewide Office:** No write-in candidates for statewide office filed for the May 3, 2022 Primary Election.
- **For State Central Committee:** The board may not accept declarations of intent to be a write-in candidate for state central committee. If no valid declarations of candidacy were filed for the positions, the office does not appear on the ballot
- **For County Central Committee:** The CCBOE may accept valid declarations of intent to be a write-in candidate and provide a write-in space on the ballot for county central committee, even if no declarations of candidacy were filed for the positions.

C. Full or Unexpired Term

For judicial offices, the designation of “Full Term Commencing,” followed by the appropriate date, must appear on the ballot. For an unexpired term, the designation “Unexpired Term Ending,” followed by the term ending date of the office, must appear on the ballot.

The judicial offices for that court should appear in chronological order by the date the terms commence, followed by unexpired terms in descending order based on the ending date of the term.

For all other offices, the designation of term is necessary only when there is an unexpired term to elect (e.g., if a candidate is running for an unexpired term for mayor) and where two or more full terms for the office are to appear on the ballot (e.g., municipal court judge), in which case the offices should appear in chronological order by the date the terms commence. If there is both full and unexpired term for the same office, place the full term first followed by the unexpired term.

IV. CERTIFICATION OF CANDIDATE PETITIONS FOR U.S. HOUSE, OHIO SENATE, OHIO HOUSE, AND STATE CENTRAL COMMITTEE

Candidates for U.S. House, Ohio House and Senate, and State Central Committee must be certified by the most-populous county board of elections of the district no later than **March 14, 2022**. The CCBOE cannot verify or certify candidate petitions until the reprogramming of its voter registration system is complete.

V. OFFICIAL QUESTIONS AND ISSUES BALLOT

Offices for which candidates may be nominated or elected are listed first on the ballot, followed by the questions and issues. The Official Questions and Issues Ballot must be used for all voting systems.

Questions and issues must be grouped together in the following political subdivision order for elections held in 2022:

- School and Other Districts
- County
- Municipal
- Township

The CCBOE may determine the specific order in which the questions/issues within each group are placed on the ballot in that county, however, a board should adopt a method for doing so (i.e., ordered alphabetically or by date filed, etc.).

VI. CANDIDATE WITHDRAWALS

Pursuant to Ohio law, when a person withdraws their candidacy after the 70th day before Election Day, a board of elections must not remove the name of the withdrawn candidate from the ballots. However, H.B. 93 authorizes the SOS to adjust certain deadlines pertaining to the May 3, 2022 Primary Election. *Directives 2022-26* and *2022-27* adjusted the certification and protest deadlines for U.S. House, Ohio House and Senate, and State Central Committee. This Directive adjusts the withdrawal deadline for those offices. If a candidate for any of those offices withdraws prior to the certification deadline of March 14, 2022, the candidate's name must not appear on the ballot.

If any of the aforementioned candidates withdraws on or after March 14, 2022, the CCBOE must post a notice at each polling place and enclose a notice with each absentee ballot that states a vote for the withdrawn candidate will be void and not counted. If the name is not removed from all ballots before Election Day, the votes for the withdrawn candidate are void and must not be counted.

DIRECTIVE 2022-28

March 9, 2022

To: All County Boards of Elections
Directors, Deputy Directors, and Members

Re: Ballots and Candidates for May 3, 2022 Primary Election for All Offices

SUMMARY

On February 22, 2022, the Secretary of State's Office issued [Directive 2022-25](#) to provide the form of the official ballot for the May 3, 2022; however, the offices of U.S. Representative to Congress ("U.S. House"), Ohio House, Ohio Senate, and State Central Committee were not included due to delays in redistricting. Since then, the Ohio Redistricting Commission adopted district maps for the Ohio House, Ohio Senate, and U.S. House.¹ This Directive provides the forms of the official ballots to be used in the May 3, 2022 Primary Election, together with the names of all statewide candidates to be printed on those ballots.² This Directive supersedes [Directive 2022-25](#) and the forms of the ballot that accompanied [Directive 2022-25](#). This Directive also clarifies the requirements regarding candidate withdrawals.

INSTRUCTIONS

Boards of elections must not print ballots until after the March 17, 2022 protest deadline for the offices of U.S. House, Ohio House, Ohio Senate, and State Central Committee. However, boards may begin to program and proof ballots as soon as candidates are certified to appear on the ballot. The most populous board of a district must immediately notify less populous counties if a protest is resolved against a candidate.

Please note that, in lieu of issuing a separate Directive with specific details covering ballot layout and proofing the Secretary of State's Office is issuing this Directive, which must be used in conjunction with [Chapter 5 of the Election Official Manual](#) when preparing ballots for this election. [Chapter 5 of the Election Official Manual](#) provides specific instructions on the following subjects:

- Ballot format;
- Voter instructions;
- Ballot stubs;
- Partisan primary elections;
- Candidate ballots (names, restrictions, political party, rotation, etc.);
- Questions and issues ballot;
- Ballot proofs;

¹ See Directives [2022-26](#) and [2022-27](#).

² [R.C. 3505.01](#).

- Bid requirements;
- Ballot quantities;
- Logic and accuracy testing; and
- Public test.

I. VERIFYING DISTRICT RELATIONSHIPS

Before programming any aspect of the central tabulating system for the May 3, 2022 Primary Election, boards of elections must verify the accuracy of district relationships in the central tabulating system against the county's voter registration system.³ This is to ensure that each voter receives the correct ballot style (i.e., the correct combination of candidate offices and issues) based upon that voter's residential address.

II. OFFICIAL BALLOT FORMS

Each board of elections is to provide a separate ballot for each political party listing candidates for nomination or election in a primary election.⁴ Accordingly, accompanying this Directive are the following ballot forms:

- Official Democratic Primary Ballot;
- Official Republican Primary Ballot; and
- Official Questions and Issues Ballot.

The names of all candidates, who have not withdrawn pursuant to [R.C. 3513.30](#) (see Section VI of this Directive), must be arranged, rotated, and printed upon the ballot in accordance with the provisions of Ohio Revised Code Chapters [3505](#), [3506](#), and [3513](#) and [Chapter 5 of the Election Official Manual](#).

III. ORDER OF OFFICES FOR PRIMARY BALLOTS⁵

A. The order of offices for **Democratic Party** ballots shall be as follows:

- Governor and Lieutenant Governor
- Attorney General
- Auditor of State
- Secretary of State
- Treasurer of State
- Chief Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-2-2023)
- United States Senator
- Representative to Congress
- Member of State Central Committee, Man

³ Boards must proof and verify the accuracy of all districts including but not limited to Congressional, Ohio House, Ohio Senate, and State Central Committee districts.

⁴ [R.C. 3513.13](#).

⁵ [R.C. 3513.13](#).

- Member of State Central Committee, Woman
- State Senator
- State Representative
- Judge of the Court of Appeals
- Judge of the Court of Common Pleas
- County Commissioner
- County Auditor
- Member of County Central Committee, if applicable

B. The order of offices for **Republican Party ballots shall be as follows:**

- Governor and Lieutenant Governor
- Attorney General
- Auditor of State
- Secretary of State
- Treasurer of State
- Chief Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-1-2023)
- Justice of the Supreme Court (Full term commencing 1-2-2023)
- United States Senator
- Representative to Congress
- Member of State Central Committee, Man
- Member of State Central Committee, Woman
- State Senator
- State Representative
- Judge of the Court of Appeals
- Judge of the Court of Common Pleas
- County Commissioner
- County Auditor
- Member of County Central Committee, if applicable

Candidates for statewide office appear on the sample ballot layouts provided with this Directive.

C. Blank Spaces for Write-In Votes⁶

A write-in space must be provided on the ballot for every office for which the board of elections received a valid declaration of intent to be a write-in candidate.⁷

- **Write-In Candidates for Statewide Office:**

No write-in candidates for statewide office filed for the May 3, 2022 Primary Election.

⁶ [R.C. 3513.041](#); [3513.14](#).

⁷ [R.C. 3513.14](#).

- **For State Central Committee:** The board may not accept declarations of intent to be a write-in candidate for state central committee.⁸ If no valid declarations of candidacy were filed for the positions, the office does not appear on the ballot.⁹
- **For County Central Committee:** The board may accept valid declarations of intent to be a write-in candidate and provide a write-in space on the ballot for county central committee, even if no declarations of candidacy were filed for the positions.

D. Full or Unexpired Term

For judicial offices, the designation of “Full Term Commencing,” followed by the appropriate date, must appear on the ballot. If for an unexpired term, the designation “Unexpired Term Ending,” followed by the term ending date of the office, must appear on the ballot.

The judicial offices for that court should appear in chronological order by the date the terms commence, followed by unexpired terms in descending order based on the ending date of the term.

For all other offices, the designation of term is necessary only when there is an unexpired term to elect (e.g., if a candidate is running for an unexpired term for mayor) and where two or more full terms for the office are to appear on the ballot (e.g., municipal court judge), in which case the offices should appear in chronological order by the date the terms commence. If there is both full and unexpired term for the same office, place the full term first followed by the unexpired term.

A 2-point rule must separate the title of the office from the names of the candidates for that office.¹⁰

IV. CERTIFICATION OF CANDIDATE PETITIONS FOR U.S. HOUSE, OHIO SENATE, OHIO HOUSE, AND STATE CENTRAL COMMITTEE

Candidates for U.S. House, Ohio House, Ohio Senate, and State Central Committee must be certified to the appropriate board(s) of elections by the most-populous county board of elections of the district **no later than March 14, 2022**.¹¹ Boards cannot verify or certify candidate petitions until the reprogramming of the voter registration system based on Directives [2022-26](#) and [2022-27](#) is complete. If a less-populous county board of elections of a district has not received a list of candidates from the most-populous county board of elections, the less-populous county board of elections must contact the most-populous county before programming ballots.

V. OFFICIAL QUESTIONS AND ISSUES BALLOT¹²

Offices for which candidates may be nominated or elected are presented on the ballot first, followed by the questions and issues. The Official Questions and Issues Ballot must be used for all voting systems. The ballot form also contains examples of some of the local questions and issues that may appear on the ballot in your county. Not every category or type of question/issue will appear on every ballot in every county, so please apply as much of the form as is appropriate to the ballots in your county.

¹⁰ [R.C. 3505.08\(A\)](#).

¹¹ See [Directives 2022-26](#) and [2022-27](#).

¹² [R.C. 3505.06](#).

Additional instructions on headings, ballot language, and percentage of votes can be found in [Chapter 5 of the Election Official Manual](#).

Questions and issues must be grouped together in the following political subdivision order for elections held in 2022:

- School and Other Districts
- County
- Municipal
- Township

Each board of elections may determine the specific order in which the questions/issues within each group are placed on the ballot in that county, however, a board should adopt a method for doing so (i.e., ordered alphabetically or by date filed, etc.). Absentee ballots must contain identical ordering of issues within groups to regular ballots.

Please review the appropriate sections of the Ohio Revised Code, local charter (if applicable), and the [Questions and Issues Handbook](#) for ballot language and formats that are not on the attached Official Questions and Issues Ballot.

VI. CANDIDATE WITHDRAWALS

Pursuant to Ohio law, when a person withdraws their candidacy after the seventieth day before Election Day, a board of elections must not remove the name of the withdrawn candidate from the ballots.¹³ However, H.B. 93 authorizes the Secretary of State to adjust certain deadlines pertaining to the May 3, 2022 primary election.¹⁴ Directives [2022-26](#) and [2022-27](#) adjusted the certification and protest deadlines for U.S. House, Ohio House, Ohio Senate, and State Central Committee. This Directive adjusts the withdrawal deadline for those offices. If a candidate for any of those offices withdraws prior to the certification deadline of **March 14, 2022**, the candidate's name **must not** appear on the ballot.

If a candidate for U.S. House, Ohio House, Ohio Senate, or State Central Committee withdraws on or after **March 14, 2022**, the board of elections must post a notice at each polling place on Election Day, and enclose a notice with each absentee ballot that states that votes for the withdrawn candidate will be void and will not be counted. If the name is not removed from all ballots before Election Day, the votes for the withdrawn candidate are void and must not be counted.¹⁵

If you have any questions concerning this Directive, please contact the Secretary of State's elections counsel at (614) 728-8789.

DIRECTIVE 2022-29 – Legislation Regarding Uniformed and Overseas Citizens' Absentee Ballots and Ballot Transmission Instructions

RELEASED: March 11, 2022

SUMMARY

- *Directive 2022-29* provides an overview of the temporary law in Substitute Senate Bill 11 (S.B. 11) that modifies procedures for uniformed services and overseas citizens' absentee (UOCAVA) voting in the 2022 Primary Election.
- Changes include an adjusted deadline to print and send UOCAVA ballots (no later than April 5, 2022); extends the time for UOCAVA ballots to be returned (by the 20th day after the election); and requires the Secretary of State (SOS) to take steps to expedite the delivery and return of UOCAVA ballots.

INSTRUCTIONS

The Cuyahoga County Board of Elections (CCBOE) must not print ballots until after the March 17, 2022 protest deadline for the offices of U.S. House, Ohio House and Senate, and State Central Committee. The CCBOE may begin to program and proof ballots as soon as candidates are certified to appear on the ballot.

I. TEMPORARY LAW REGARDING BALLOTS FOR UOCAVA VOTERS

S.B. 11 makes the following changes for the May 3, 2022 Primary Election:

- Requires UOCAVA ballots to be ready for use **no later than Tuesday, April 5, 2022** instead of March 18, 2022.
- Allows UOCAVA ballots to be counted if returned by mail and received by the 20th day after the election, unless the ID envelope is signed after the close of polls on Election Day.
- Extends the amount of time a person may mail a UOCAVA ballot for return from 12:01 a.m. at the place where the voter completes their ballot to any time prior to the close of polls on Election Day.
- Requires the SOS to take steps to expedite the delivery and return of UOCAVA voter's ballots.
- Permits the SOS to adjust the deadlines for the CCBOE to conduct its canvass of election returns to accommodate the delayed ballot return deadline.

The CCBOE *should* transmit UOCAVA ballots as soon as possible to voters who submitted an absentee ballot application if no protest is filed against a candidate for U.S. House, Ohio House and Senate, and State Central Committee, or the protests have been resolved.

II. INSTRUCTIONS FOR EXPEDITED MAILING OF UOCAVA BALLOTS

S.B. 11 requires expedited delivery and return of UOCAVA ballots. If a UOCAVA voter did not indicate a preference for delivery or indicated mail as their preferred delivery method, the CCBOE must contact the voter and offer expedited delivery via email or fax. The CCBOE may accept a voter's change in delivery preference by phone or email. If the UOCAVA voter still prefers to receive their ballot by mail, the CCBOE must follow the instructions below.

For expedited shipping through the United States Postal Service (USPS), the CCBOE must utilize an existing service (e.g., Pitney Bowes, Neopost, etc.) or create and/or utilize a Click-N-Ship account to create a mailing label with the appropriate postage type for that voter's return ballot. For expedited shipping through a private carrier (e.g., FedEx, DHL, UPS, etc.), the CCBOE must create an account on the carrier's website, if an account is not already established. The CCBOE must use the account to create

prepaid shipping labels for the expedited return of the ballot from the voter. The CCBOE must select the ***quickest and earliest version of shipping possible for ballot return.***

A. DELIVERY OF THE UOCAVA BALLOT

The CCBOE must use the UOCAVA absentee ballot instructions and print the instructions on standard letter-sized paper if mailing the absentee ballot to the UOCAVA voter. The CCBOE must also use the delivery and return envelopes specifically for UOCAVA voters. The SOS recommends printing the instructions in color to allow the contents to stand out.

Updated absentee ballot instructions, along with delivery and return envelopes, were included with this Directive. The CCBOE also must follow the instructions set forth in this Directive when mailing UOCAVA absentee ballots.

B. RETURN OF THE UOCAVA BALLOT

The CCBOE must follow the steps outlined in *Directive 2022-29* to enable an expedited return of UOCAVA ballots. There are specific directions to follow for **uniformed services voters, eligible spouses, and dependents**, as well as for **non-military overseas** voters.

C. STATE FUNDING FOR EXPEDITED MAILING OF UOCAVA BALLOTS

The CCBOE may use their grant allocation from Senate Bill 9 and the new appropriation of funds in S.B. 11 to pay the costs for expedited delivery and return of UOCAVA ballots. The SOS will soon issue additional guidance regarding the S.B. 11 funds.

DIRECTIVE 2022-29

March 11, 2022

To: All County Boards of Elections
Directors, Deputy Directors, and Members

Re: Legislation Regarding Uniformed and Overseas Citizens' Absentee Ballots and Ballot
Transmission Instructions

SUMMARY

On March 10, 2022, the Ohio Senate concurred in House amendments to Substitute Senate Bill 11 ("S.B. 11") to modify procedures for uniformed services and overseas citizens' absentee ("UOCAVA") voting in the 2022 primary election. Governor DeWine signed the bill into law today. The temporary provisions related to the 2022 primary election adjust the state deadline to print and send UOCAVA ballots; extend the time for UOCAVA ballots to be returned; require the Secretary of State to take steps to expedite the delivery and return of UOCAVA ballots; and appropriate \$200,000 to implement the bill's requirements. This Directive provides an overview of the temporary law in S.B. 11 and instructions for issuing UOCAVA ballots.

INSTRUCTIONS

Boards of elections must not print ballots until after the March 17, 2022 protest deadline for the offices of U.S. House, Ohio House, Ohio Senate, and State Central Committee. However, boards may begin to program and proof ballots as soon as candidates are certified to appear on the ballot. The most populous board of elections of a district must immediately notify less populous county boards of elections as soon as a protest is resolved against a candidate.

I. TEMPORARY LAW REGARDING BALLOTS FOR UOCAVA VOTERS

S.B. 11 makes the following changes to the administration of the May 3, 2022 Primary Election:

- Requires UOCAVA ballots to be ready for use **no later than Tuesday, April 5, 2022** (the first day after the close of voter registration before the election), instead of March 18, 2022.¹
- Allows UOCAVA ballots to be counted if returned by mail and received at the office of the board of elections by the 20th day after the election, instead of the 10th day, unless the identification envelope is signed after the close of polls on Election Day.²

¹ S.B. 11, Section 5(A).

² S.B. 11, Section 5(B).

- Extends the amount of time a person may mail a UOCAVA ballot for return to their county board of elections from 12:01 a.m. at the place where the voter completes their ballot³ to any time prior to the close of polls on Election Day.⁴
- Requires the Secretary of State to take steps to expedite the delivery and return of uniformed services and overseas absent voter's ballots.⁵
- Permits the Secretary of State to adjust the deadlines for boards of elections to conduct the canvass of the election returns, to accommodate the delayed ballot return deadline.⁶

As stated above, S.B. 11 requires UOCAVA ballots to be ready for use ***no later than Tuesday, April 5, 2022***. A board of elections should transmit UOCAVA ballots as soon as possible to voters who submitted an absentee ballot application if the following condition applies:

- No protest is filed against any candidate for U.S. House, Ohio House, Ohio Senate, and State Central Committee, or the protests have been resolved.

An upcoming directive for the unofficial and official canvasses for the 2022 primary election will include adjusted deadlines for completion of the canvasses.

II. INSTRUCTIONS FOR EXPEDITED MAILING OF UOCAVA BALLOTS

S.B. 11 requires expedited delivery and return of UOCAVA ballots. If the UOCAVA voter did not indicate a preference for delivery or indicated mail as their preferred delivery method, a board of elections must contact the voter, explain the time constraints for return of the ballot, and offer expedited delivery via email or fax. Boards must use the voter's telephone number, even if it is an international number, and email address, if available, to contact them. A board may accept a voter's change in delivery preference by phone or email, rather than requiring the voter to submit a new Federal Post Card Application ("FPCA") or other form of absentee ballot application. If the UOCAVA voter still prefers to receive their ballot by mail, the board must follow the instructions below to expedite delivery.

For expedited shipping through the United States Postal Service ("USPS"), the board must utilize an existing service (e.g., Pitney Bowes, Neopost, etc.) or create and/or utilize a Click-N-Ship account to create a mailing label with the appropriate postage type for that voter's return ballot. For expedited shipping through a private carrier (e.g., FedEx, DHL, UPS, etc.), a board of elections must create an account on the carrier's website, if an account is not already established. Boards of elections must use the account to create prepaid shipping labels for the expedited return of the ballot from the voter. Boards must select the ***quickest and earliest version of shipping possible for ballot return***. Boards must diligently create, proof, and address mailing and return labels to ensure the ballot is promptly delivered to the voter and returned timely to the board of elections.

A. DELIVERY OF THE UOCAVA BALLOT

Boards must use the UOCAVA absentee ballot instructions ([Form 12-K, updated March 11, 2022](#)) and print the instructions on standard letter-sized paper if mailing the absentee ballot to the

⁵ S.B. 11, Section 5(C).

⁶ S.B. 11, Section 5(D).

UOCAVA voter. Boards must also use the delivery and return envelopes specifically for UOCAVA voters. Our Office recommends printing the instructions in color to allow the contents to stand out. To reflect the temporary changes in law, the following forms have been updated:

- UOCAVA Absentee Ballot Instructions ([Form 12-K](#));
- Return Envelope for UOCAVA Ballot ([Form 285](#)); and
- Envelope for Delivery of UOCAVA Ballot ([Form 286](#)).

Boards must follow the instructions set forth below when mailing UOCAVA absentee ballots:

- For **uniformed services voters, eligible spouses, and dependents**:
 - For **any APO/FPO/DPO address**, use the United States Postal Service (“USPS”) Priority Mail service to deliver the ballot. For help with addressing APO/FPO/DPO mail, please visit this [USPS article](#).
 - For a **domestic mailing address**, use the United States Postal Service (“USPS”) Priority Express Mail service to deliver the ballot.
 - For a **mailing address outside of the United States**, use the USPS Priority Mail International service to deliver the ballot. Ensure that the voter’s address is correct.
- For **non-military overseas voters**, use a private carrier (*e.g.*, FedEx, UPS, or DHL) or USPS Priority Mail Express International service, whichever provides for the fastest delivery to that overseas voters’ specific location.

B. RETURN OF THE UOCAVA BALLOT

Each board of elections that transmits a UOCAVA ballot to a voter must take the following steps to enable an expedited return of the ballot:

- For **uniformed services voters, eligible spouses, and dependents**:
 - For any voter with an **APO/FPO/DPO address**, prepare and provide a USPS label to the voter. If the voter requests to receive their ballot by email, a .pdf of the label must be one of the attachments to the email. The .pdf can be created and downloaded on the USPS “Click-N-Ship” site. When selecting a method for mailing, utilize the quickest, earliest time for Priority Mail. Boards must include “United States of America” when inserting the board’s address into the label.
 - For a **domestic mailing address**, prepare and provide a USPS label to the voter. If the voter requests to receive their ballot by email, a .pdf of the label must be one of the attachments to the email. The .pdf can be created and downloaded on the USPS “Click-N-Ship” site. When selecting a method for mailing, utilize the quickest, earliest time for Priority Mail Express.
 - For a **mailing address outside of the United States**, prepare and provide a USPS label to the voter. If the voter requests to receive their ballot by email, a .pdf of the label must be one of the attachments to the email. The .pdf can be created and downloaded on the USPS “Click-N-Ship” site. When selecting a method for mailing, utilize the quickest, earliest time for Priority Mail Express International. Boards must include “United States of America” when inserting the board’s address into the label.

- For **non-military overseas voters**, setup and use an account with a private carrier to prepare a label containing the board's account number. This prepared label must be provided electronically or by mail, if the ballot is delivered by mail. Boards should use information available on websites or contact the delivery service directly to determine the best and fastest shipping service for the delivery of the ballot to the board of elections. Boards must include "United States of America" when inserting the board's address into the label.

C. STATE FUNDING FOR EXPEDITED MAILING OF UOCAVA BALLOTS

Boards of elections may use their grant allocation from S.B. 9 and the new appropriation of funds in S.B. 11 to pay the costs for expedited delivery and return of UOCAVA ballots. Our Office will soon issue additional guidance regarding the S.B. 11 funds.

More information regarding the logistics of expedited mailing for UOCAVA ballots will be provided as soon as possible. If you have any questions concerning this Directive, please contact the Secretary of State's elections counsel at (614) 728-8789.

RELEASED: March 11, 2022

SUMMARY

- *Advisory 2022-02* alerts the Cuyahoga County Board of Elections (CCBOE) to changes resulting from the passage of Substitute Senate Bill 102 (S.B. 102). Specifically, S.B. 102 changes Ohio's liquor law and local option elections.
- The most significant change in law is that in most circumstances, a local option election may be held on a day which a primary election may be held, even if no primary election is held that day (i.e., no candidate offices are on the ballot in that precinct).
- S.B. 102 takes effect on March 23, 2022.

SUMMARY

I. SPECIAL ELECTIONS FOR LOCAL OPTION ISSUES

S.B. 102 allows a local option election to be held on a day which a primary election may be held, even if no primary election is held that day. Previously, a local option election could only be held on a primary election day if there were candidate offices on the ballot for that precinct.

There are two exceptions to this:

1. If the question is whether to permit the sale of beer pursuant to R.C. 4305.14(B), the election may only be held on the date of a general or primary election. (Note: Governor DeWine signed Amended Substitute Senate Bill 9 on March 9, 2022, which allows for this category of local election to occur on the date of a primary election, even without a candidate office on the ballot. This change takes effect June 8, 2022.)
2. If the question is whether to permit the sale of spirituous liquor by the glass in precincts in which the electors voted against the repeal of Article XV, Section 9 of the Ohio Constitution (Prohibition) in 1933, the election may only be held on the date of a general election.

II. SALES OF ALCOHOL ON SUNDAYS

A. HOURS OF OPERATION FOR SUNDAY SALES AND BALLOT LANGUAGE

S.B. 102 authorizes a retail liquor permit holder or a liquor agency store to sell alcohol on Sundays during the same hours as on Monday through Saturday. Previously, Sunday sales hours were restricted to begin at 10 a.m. or 11 a.m. and end at midnight.

As a result of the new law, ballot language for local option elections that authorizes Sunday sales will no longer reference these hours of operation. The Secretary of State (SOS) has updated local option petition forms and notices to liquor permit holders to reflect this change.

A local option petition filed for the Nov. 8, 2022 General Election on an outdated petition form must not be invalidated solely on that basis.

B. SUNDAY SALES QUESTIONS FOR THE 2022 PRIMARY ELECTION

S.B. 102 instructs the CCBOE on how to handle Sunday sales questions for the May 3, 2022 Primary Election:

1. If ballots have not been printed as of **March 23, 2022**, revise the question(s) to authorize sales of beer, wine, mixed beverages, or spirituous liquor on Sunday during the same hours those products may be sold on Monday through Saturday.
2. If the ballots have been printed, a notice must be posted at each polling place and enclosed with each absentee ballot stating: "Due to a recent change in law, votes for limited Sunday sales hours will be counted as approval for sales on Sunday during the same hours as on Monday through Saturday."

C. SIGNATURES REQUIRED FOR SUNDAY SALES LOCAL OPTION

As a result of S.B. 102, the required number of signatures for a Sunday sales question varies based on whether the petition is solely for a Sunday sales question. If the petition is solely for one or more Sunday sales questions, the petition only needs 50 signatures. If the petition is for a question that is not specific to Sunday sales, or the petition is for a combination of questions for Sunday sales and questions not specific to Sunday sales, the signature requirement remains 35% of the total number of votes cast in the precinct for Governor at the preceding general election for that office.

A revised version of the Guide to Local Liquor Options Elections will soon be available ([current Guide was last published in 2017](#)).

ADVISORY 2022-02

March 11, 2022

To: All County Boards of Elections
Board Members, Directors, and Deputy Directors

Re: Substitute Senate Bill 102 and Changes to Local Option Elections Law

BACKGROUND

This Advisory alerts boards of elections to changes in the administration of elections resulting from the passage of [Substitute Senate Bill 102](#) ("S.B. 102"). More specifically, S.B. 102 changes Ohio's liquor law and local option elections. The bill takes effect on March 23, 2022.¹

SUMMARY

I. SPECIAL ELECTIONS FOR LOCAL OPTION ISSUES

With two exceptions, S.B. 102 allows a local option election to be held on a day on which a primary election may be held, even if no primary election is held that day.² Under prior law, a local option election could only be held on a primary election day if there were actually candidate offices on the ballot for that precinct.³ Under continuing law, a local option election can be held on the day of a general election as well.

In the following circumstances, a local option election may not occur on the date of a primary election if there are no candidate offices on the ballot for that precinct:

1. If the question is whether to permit the sale of beer pursuant to R.C. 4305.14(B), the election may only be held on the date of a general or primary election.⁴

Note: Governor DeWine signed Amended Substitute Senate Bill 9 into law on March 9, 2022. The bill allows the category of local option election described directly above to occur on a day on which a primary election may be held, even if no primary election is held that day. This change in law takes effect on June 8, 2022.

² [R.C. 4301.33\(B\)](#), [4301.331\(B\)](#), [4301.332\(B\)](#), [4301.333\(A\)](#), [4301.334\(A\)](#), and [4301.356](#).

³ See [R.C. 3501.01](#) (defining primary election).

⁴ See [R.C. 4305.14](#), unchanged by S.B. 102.

2. If the question is whether to permit the sale of spirituous liquor by the glass in precincts in which the electors voted against the repeal of Article XV, Section 9 of the Ohio Constitution (Prohibition) in 1933, the election may only be held on the date of a general election.⁵

II. SALES OF ALCOHOL ON SUNDAYS

A. HOURS OF OPERATION FOR SUNDAY SALES AND BALLOT LANGUAGE

S.B. 102 authorizes a retail liquor permit holder or a liquor agency store to sell alcohol on Sundays during the same hours as on Monday through Saturday.⁶ Under prior law, Sunday sales hours were restricted to begin at 10:00 a.m. or 11:00 a.m., based upon the local option that passed within the jurisdiction, and end at midnight.

As a result of this change, the ballot language for local option elections that authorizes Sunday sales will no longer reference the above hours of operation.⁷ Our Office has revised the following forms to reflect the change in law:

- Local Option Petition Forms: [Forms 5-D](#), [5-R](#), [5-S](#), and [5-Q](#);⁸
- Notice to liquor permit holder: [Forms 5-H](#) and [5-M](#);
- Notice of election to be held on local option questions: [Form 126-A](#); and
- Certificate of official result of election form: [Form 126-B](#) (Excel format).

A local option petition filed for the November 8, 2022 General Election on an outdated petition form (prior versions of Forms 5-D, 5-E, 5-R, 5-S, 5-Q, and 5-T) must not be invalidated solely on that basis.⁹ If the local option petition otherwise satisfies all legal requirements for certification, the Sunday sales question may be certified and appear on the ballot without reference to hours of operation.

B. SUNDAY SALES QUESTIONS FOR THE 2022 PRIMARY ELECTION

S.B. 102 includes temporary law that governs how boards should handle Sunday sales questions for the May 3, 2022 Primary Election.¹⁰ In such an instance, boards must do the following:

1. If the ballots have not been printed as of March 23, 2022 (the effective date of the bill), revise the question(s) to authorize sales of beer, wine, mixed beverages, or spirituous liquor on Sunday during the same hours those products may be sold on Monday through Saturday.

2. If the ballots have been printed, post a notice at each polling place on Election Day and enclose with each absentee ballot a notice stating: “Due to a recent change in law, votes for limited

⁷ [R.C. 4301.351\(B\) and \(C\)](#), [4301.354\(B\) and \(C\)](#), and [4301.356](#).

⁸ Forms 5-E and 5-T have been consolidated with Forms 5-D and 5-Q.

⁹ See [R.C. 3501.38\(L\)](#).

¹⁰ S.B. 102, Section 3.

Sunday sales hours will be counted as approval for sales on Sunday during the same hours as on Monday through Saturday.”

C. SIGNATURES REQUIRED FOR SUNDAY SALES LOCAL OPTION

S.B. 102 revises the number of signatures needed to place a Sunday sales question on the ballot. As a result of the bill, the required number of signatures varies based on whether the petition is solely for a Sunday sales question. If the petition is solely for one or more Sunday sales questions, the petition only needs the signatures of 50 electors.¹¹ If the petition is for a question that is not specific to Sunday sales, or the petition is for a combination of questions for Sunday sales and questions not specific to Sunday sales, the signature requirement remains 35% of the total number of votes cast in the precinct for Governor at the preceding general election for that office.¹²

A revised version of the Guide to Local Liquor Options Elections will soon be available. Until then, boards must share a copy of this Advisory whenever a petitioner requests information and petition forms for a local option election. If you have any questions regarding this Advisory, please contact the Secretary of State’s elections counsel at (614) 728-8789.

Petition for Board Review

Insufficient Signatures

James Hemphill – U.S. Congress District 11 - Republican

Timeline:

3/4/2022

Candidate filed a petition

- Valid Signatures Required: 50
- Signatures Filed: 99
- Invalid Part Petition 1 (total signatures 16)
- Valid Signatures: 45
- Petition signatures short: 5

3/8/2022

Candidate notified by email advising petition was insufficient by 5 signatures and encouraged to withdraw. Five (5) signatures were deemed Not Genuine Signatures.

Candidate also informed that one part petition was not completed properly. Pursuant to ORC 3501.38(E)(1), the individual collecting the signatures (referred to as a circulator) on a part-petition must provide the number of signatures witnessed by the circulator and sign it. On one part-petition, the circulator did not provide the number of signatures.

3/9/2022

Candidate met with Betty Grant Edwards, Manager of the Registration Department to review his petition.

Ms. Edwards, along with Registration Staff Members were able to determine 3 signatures that were borderline acceptable. However, it was also discovered that the Candidate had signed his own petition. Therefore, 2 additional valid signatures were added. This resulted in 5 invalid signatures.

Orlana Wright – Signature on file is dated 10/12/2018. Ms. Wright voted at the polls for the November 3, 2020, General Election. The signatures have no qualities that match the Registration signature.

Margaret Downey – Registration received her registration on March 4, 2022. Petition signature does not have any qualities that match the Registration signature.

Jerome Wright – Signature on file is dated 7/8/2016. Voter has never voted. The petition signature does not have any qualities that match the Registration signature.

Rena Wright – Signature on file is dated 3/15/2016 (Provisional Envelope). Ms. Wright voted at the polls for the November 3, 2020, General Election. The signatures have no qualities that match the Registration signature.

Jayson Jackson – Signature on file is from an Online Voter Registration (OLVR) dated 10/2/2020.

Because of the OLVR, there is no registration card on file. The voter has never voted.

- Candidate advised staff he would attempt to obtain notarized statements from the five “not genuine” signers and present them to the Board at the meeting.

RECOMMENDATION: Candidate’s petition does not have the qualifying minimum valid signatures, and therefore should not be certified to the May 3, 2022, Primary Election.

Petition for Board Review
Insufficient Signatures

Donald Truex – U.S. Congress District 7 - Republican

Timeline:

3/4/2022

Candidate filed a part-petition

- Valid Signatures Required: 50
- Signatures filed: 82
- Valid Signatures: 44
- Petition signatures short: 6

Candidate filed three (3) part-petitions with the majority of signers on each part-petition from Medina County; the petition was emailed to Medina County BOE for signature verification.

3/9/2022

Medina BOE returned their completed certification form (attached) indicating the candidate had only 44 valid signatures.

SOS Candidate Guide – Petition Instructions: “When petitions are circulated in a district that contains more than one county, separate petition papers must be circulated in each county (R.C. 3501.38, R.C. 3513.05, R.C. 3513.07, R.C. 3513.261).”

The majority of signatures from each part petition were obtained in Medina County. Therefore, any signers that did not reside in Medina County were invalid and not counted. The petition contained 20 out-of-county signers. In particular, part-petition number two contained 16 signatures from Medina County, and 15 from Cuyahoga County. All from Cuyahoga County were disqualified.

3/9/2022

Candidate was emailed and left a voice message indicating that the petition had insufficient signatures and was encouraged to withdraw. Candidate was also provided with the Medina BOE signature verification report.

3/11/2022

Candidate responded to Mr. Lawler and SOS LaRose requesting his name appear on the ballot. Candidate was advised that the CCBOE is in receipt of his email, the Board will be provided a copy and he should present his case at the Board meeting on 3/14/22

- SOS Election Officials Manual Chapter 13: Petitions page 361 Petition Pre-Checks

Reads in part: "It is a well-established principle of Ohio election law that the candidate is solely responsible for ensuring that their own petition satisfies the requirements of law. Candidates and issue groups are obligated to investigate, learn, and know the law governing the election process." (full text attached)

- SOS Election Officials Manual Chapter 13: Petitions page 371 One Party per Part-Petition

ONE COUNTY PER PART-PETITION

Ohio law requires part-petitions to contain signatures of electors from only one county. If a part-petition contains signatures from more than one county, the board must first determine the county with the most signatures.⁵⁰

- If the majority of the signatures are from the board's county, it may proceed to process, review, and verify all signatures on the part-petition. The board must invalidate any signatures from other counties.
- If the majority of the signatures are from a different county, the board must not process the petitions. If the petition is for a race that is not statewide, contact the board with the most signatures and the board for the county that is most populous for the specific type of petition filing. At a minimum, the board that improperly received the part-petition must transfer the part-petition to the Director or Deputy Director of the board with the majority of the signatures on the part petition. In the case of statewide races or issues, refer to the directive that accompanies the specific petition.

- Ohio Revised Code Section 3513.05 | Deadline for filing declaration of candidacy. (Ninth paragraph)

"A petition shall consist of separate petition papers, each of which shall contain signatures of electors of only one county. Petitions or separate petition papers containing signatures of electors of more than one county shall not thereby be declared invalid. In case petitions or separate petition papers containing signatures of electors of more than one county are filed, the board shall determine the county from which the majority of signatures came, and only signatures from such county shall be counted. Signatures from any other county shall be invalid." (full code attached)

RECOMMENDATION: Candidate's petitions does not have the qualifying minimum valid signatures, and therefore should not be certified to the May 3, 2022 Primary Election.

RE: Official complaint about misleading wording, consequently instruction, on form 2-E that caused qualified names to be removed from my petition for Congressional Representative, District 7. This is also a request for a review of my petitions.

Dear Ohio Secretary of State LaRose
and Mr. Brent Lawler, Supervisor Cuyahoga County Board of Elections

Considering the language used the in line of instruction immediately above the signature blocks of form 2-E, it is VERY misleading and, in my case, caused harm to me by causing the removal of several signatures I collected which caused my petition to be 6 short of the required 50 to place my name on the ballot.

Here is an exact quote of the sentence, the instructions in question:

"Signatures on this petition should be from only one county and must be written in ink." Notice the wording in this sentence, the use of the words SHOULD and MUST. It clearly says the "Signatures on this petition should be from only one county..." The word "should" is a verb, an ambiguous word denoting a request, an appeal to..., a wish. There is no command, explicit or implicit, even unspoken, when using the word "should". Therefore, it leaves the reader free to do as he chooses. The reader is under no obligation to meet any requirement.

Now the second part of the same compound sentence, and I quote it here: "... and must be written ink". "Must" is a verb, a word of obligation expressing a command, an obligation, a duty, a responsibility, a

requirement, expressing a necessary requirement to fulfill a law. I will even argue a requirement to avoid a mistake. None of these definitions are found anywhere joined to word "should".

Now put the two words used in the above quoted instructions found on form 2-E together and it creates a lot of confusion, muddle meaning with misleading information. In the first part of the compound sentence the reader is told they "should" do something. In the second part of the same compound sentence the reader is told they "must" do something. The two words are defined very differently and leads the reader to believe that one is a request the other is a command. The two words do not have equal strength or equal meaning, one being an ambiguous request the other being a word of obligation, a command.

Unfortunately, the need for such detailed analysis is only found after a problem, such as this, comes up. In a normal reading of such words, one would not suspect any critical analysis would be needed.

I believe the state of Ohio has an obligation to supply legal forms to the general public that are free from error and confusion, consequently and subsequently, a clear, true and concise representation of the law. They should not be misleading. They should "not" cause the citizen to make mistakes they would not ordinarily make. And they certainly should never mix or join definitions of very different words.

However, when such a form as 2-E is authored and issued by the state of Ohio, with such misleading, false, and confusing definitions as imposed upon should and must (should and must have very different meanings) that it creates confusion on the part of the reader, the state of Ohio has no right to expect the reader to know the author (the state of Ohio) intends both, but different words, to have the same exact definition, which are very different from their ordinary meaning, and that any decision rendered in a complaint such as this, should be decided in favor of the aggrieved, the harmed person, Donald Truex, because I trusted the state issued information to be clear, true and concise, which caused me harm by believing the instructions and doing as they stated which caused the needless removal of names from my petitions for Ohio Congressional Representative, District 7.

Again, the word "must" is a word of obligation reserved to detail any unavoidable requirement or obligation. On the other hand, the word "should" is an ambiguous word reserved to express a request, not a command. The definitions of these two words should never be linked or joined together for any reason, especially when the reader is not advised of such changes.

Therefore, I request the Cuyahoga County Board of Elections to reconsider my petitions and allow my name to be placed on the ballot for the upcoming primary election May 3, 2022.

Attached for your reference is a copy of form 2-E that is in question.

See Pages 361 & 371

Chapter 13: PETITIONS

Directive 2022-17

Section 13.01 Petitions Generally

The board of elections reviews candidate petitions and most issue petitions for validity and sufficiency.¹ The Secretary of State prescribes certain candidate and issue petition forms as required by law and many other frequently used petition forms as a courtesy. [The Secretary of State's forms are provided in PDF format on the Secretary of State's website.](#) The board must ensure that, if it is providing petition forms to candidates or issue groups, it is providing the most current version of the prescribed form.² Forms are updated promptly in response to law changes, so it is imperative that boards pull petitions directly from the Secretary of State's website when providing them to the public.

To ensure all voters receive properly updated voter-initiated activity dates, boards must check and verify each signature on an otherwise valid part-petition even if a candidate or issue meets the required number of signatures to gain ballot access.

CANDIDATE PETITIONS³

The statutes prescribing the form of candidate petitions generally require substantial compliance.

When there is an error or omission on a petition form, the Secretary of State, in the case of a statewide candidate, or the board of elections, in the case of all other candidates, must determine whether the prospective candidate substantially complied with the form of the petition.

In determining whether a prospective candidate substantially complied with the form of the petition, the inquiry is typically fact-specific. The board should consult with its legal counsel, the county prosecutor, when reviewing petitions.

The board also should check municipal charters for additional requirements and qualifications for candidates seeking a municipal office.

LOCAL QUESTION AND ISSUE PETITIONS

The board must review, examine, and certify the sufficiency and validity of a local question and issue petitions. Sometimes the governing legal provisions vest another public office with the initial responsibility of certifying the sufficiency and validity of the petition before the petition comes to the board of elections. The board should check municipal charters for additional requirements and qualifications for initiated ordinances and referendums.

The Secretary of State's Office publishes two resources that help boards of elections, taxing authorities, and the public gain a general overview of the laws governing ballot questions and issues. [The Ohio Ballot Questions & Issues Handbook: A Guide for Boards of Elections, Taxing Authorities and Political Subdivisions to Placing Questions and Issues on the Ballot](#), along with the [Guide to Local Liquor Options Elections](#) both contain summaries of the statutes relevant to different types of ballot questions and issues. Both resources are accessible via the Secretary of State's website.

PETITION PRE-CHECKS

No board of elections shall pre-check any petition to determine the petition's validity and sufficiency before such time as the original petition has been filed, along with the appropriate filing fee, with a board of elections, the Secretary of State's Office, or other public office as provided by law.⁴

While pre-checks may appear to be a public service that potential candidates might rely on to improve their chances of being certified to the ballot, in reality, pre-checks provide a false sense of security for candidates and issue groups. It is a well-established principle of Ohio election law that the candidate is solely responsible for ensuring that their own petition satisfies the requirements of law. Candidates and issue groups are obligated to investigate, learn, and know the law governing the election process.⁵

To assist prospective candidates and issue petitioners, the Secretary of State's Office provides uniform guidance through several free publications, including the annual [Ohio Candidate Requirement Guide](#), the [Guide to Local Liquor Option Elections](#), the Ohio Presidential Guide, the [Ohio Ballot Questions & Issues Handbook](#), and the [Campaign Finance Handbook](#). This office also prescribes many of the forms used by candidate and issue petitioners. Boards can, and should, be helpful to potential candidates and issue petitioners by providing them with copies of these guides as well as information about the process of filing and the process elections officials will follow once the filing deadline has expired. With this information, and the public access terminals provided by

many boards of elections, candidates have the tools to check their own petitions.

However, it is imprudent for a board of elections to engage in a practice that allows any candidate or petitioner to believe that their petition is valid and sufficient before the petition is filed, because, if the board subsequently determines that the petition is invalid, then the board must reject it regardless of whether the board staff previously pre-checked the identical petition. The practice of pre-checking petitions has resulted in some boards of elections being accused of incompetence, political favoritism, and misconduct.

Section 13.02 General Rules for Verifying Candidate and Issue Petitions

REVIEWING DECLARATIONS OF CANDIDACY

As mentioned above, the statutes prescribing the form of candidate petitions generally require substantial compliance. When there is an error or omission on a petition form, the Secretary of State, in the case of a statewide candidate, or the board of elections, in the case of all other candidates, must determine whether the prospective candidate substantially complied with the form.

CANDIDATE NAME

If any person desiring to become a candidate for public office has had a change of name within five years immediately preceding the filing of the person's declaration of candidacy, the person's declaration of candidacy and petition shall both contain, immediately following the person's present name, the person's former names.⁶ This does not apply to a name change due to marriage.⁷

OFFICE

The declaration or statement of candidacy signed by the prospective candidate must identify the office sought so that both the electors signing the petition and the board of elections are able to ascertain from the petition which office the candidate seeks.

TERM

Ohio law requires each person filing a declaration of candidacy or a nominating petition as a candidate for the unexpired term of any office to designate the date on which that unexpired term ends.⁸

⁷ [R.C. 3513.06](#).

⁸ [R.C. 3513.08](#); [R.C. 3513.28](#).

DATE OF THE ELECTION

The purpose of the date of the election on a declaration of candidacy is to inform those signing the petition as to the election at which the candidate seeks to be on the ballot. The board must determine whether those signing the petition understand which election is at issue.⁹

CANDIDATE SIGNATURE¹⁰

A candidate must sign the declaration or statement of candidacy.¹¹

The question of whether the prospective candidate signed the statement of candidacy before the petition was circulated is a question of fact for the members of the board of elections to decide.

It is only necessary for the candidate to sign one part-petition paper, but the declaration of candidacy so signed shall be copied on each other separate petition paper before the signatures of electors are placed on it.

NOMINATING PETITION PORTION

The question of whether the board may certify a prospective candidate's petition when the "Nominating Petition" portion of the form is incomplete is a substantial compliance decision for the board of elections to make in consultation with its legal counsel, the county prosecuting attorney.

VERIFYING THE VALIDITY OF PART-PETITIONS

Prior to verifying the validity of individual signatures contained on a part-petition, the board of elections must verify the validity of that part-petition. Check each part-petition to determine whether the circulator's statement on the last page of the part-petition has been properly completed. The entire part-petition is invalid if the circulator's statement is not completed as required by law.

FULFILLING PUBLIC RECORDS REQUESTS

Boards of elections may receive one or more public records requests for copies of the part-petitions for particular candidate or issue. Boards should consult with their statutory legal counsel, the county prosecuting attorney, before rejecting, fulfilling, or responding to any public records request.

¹¹ Generally, signing or affixing a signature to an election-related document requires a person's written, cursive-style legal mark written in that person's own hand. However, a voter with a disability may personally affix their signature through the use of a reasonable accommodation, including the use of assistive technology or an augmentative device such as a signature stamp.

Section 13.03 Circulator Statements

QUALIFICATIONS OF CIRCULATORS:

- ☐ A circulator must be at least 18 years of age.¹²
- ☐ A circulator is not required to be an Ohio elector or an Ohio resident.
- ☐ Each circulator of a candidate petition must be a member of the political party named in the declaration of candidacy.

A board of elections will determine a circulator's party affiliation as follows:

NOT AN OHIO ELECTOR:

- ☐ If the circulator is not an Ohio elector, the board of elections should accept as true the claim of political party membership that is included in the circulator's statement, unless the board has knowledge to the contrary.

OHIO ELECTOR:

- ☐ An Ohio elector who circulates another person's declaration of candidacy and petition for the nomination or election at a partisan primary must not have voted in any other party's primary election in the preceding two calendar years.¹³ The board of elections should examine the circulator's Ohio voting history using the statewide voter registration database. If the board determines that the circulator voted in another political party's primary election during the prior two calendar years, then the part-petition is invalid.

CANDIDATE AS CIRCULATOR

A candidate may circulate their own part-petition regardless of how they may have voted in the prior two calendar years. If the candidate does not hold an elective office, or if the candidate holds an elective office other than one for which candidates are nominated at a party primary, the candidate does not need to file any additional forms. If the candidate holds partisan public office, the candidate can still run for office for a different party, if the candidate has filed a Declaration of Intent to Change Political Party Affiliation ([Form 10-Y](#)).¹⁴

¹³ [R.C. 3513.05_17](#).

¹⁴ [R.C. 3513.191](#).

CONVICTED FELONS

Some convicted felons are prohibited from circulating petitions.¹⁵ However, state law does not require a circulator to provide key data points (e.g., date of birth, Social Security number, driver license number, etc.) that constitute "satisfactory evidence" that the person that circulated a petition is the same individual who may be listed in a county's local voter registration database as cancelled due to incarceration of a felony conviction.

Thus, when verifying petitions, boards of elections should presume that a circulator is qualified to circulate petitions, unless there is "satisfactory evidence" that the individual is not qualified.

CIRCULATOR'S STATEMENT ON EACH PART-PETITION¹⁶

Each part-petition must contain a circulator's statement that includes the following completed information:

- ☐ Circulator's signature,¹⁷
- ☐ The number of signatures witnessed by the circulator,
- ☐ And, for a statewide candidate or statewide issue petition:
 - Circulator's name,
 - Address of the circulator's residence,¹⁸ and
 - The name and address of the person employing the circulator to circulate the petition, if any.

Note: If the circulator is a qualified elector of Ohio, there is no requirement that the address of the circulator match the address on file with the board of elections. A board must not invalidate a part-petition solely because the address of the circulator in the circulator's statement differs from the address on file with the board of elections.

The board must review each part-petition to determine that information required as a part of the circulator's statement is entered on each part-petition. The board must accept the circulator statements of part-petitions at face value unless there are

¹⁵ [Ohio Attorney General Advisory Opinion 2010-002](#).

¹⁶ [R.C. 3501.38\(F\)\(1\)](#).

¹⁷ Generally, signing or affixing a signature to an election-related document requires a person's written, cursive-style legal mark written in that person's own hand. However, a voter with a disability may personally affix their signature through the use of a reasonable accommodation, including the use of assistive technology or an augmentative device such as a signature stamp.

See [R.C. 3501.011](#), [R.C. 3501.382\(F\)](#) and related [OAG 2015-012](#).

¹⁸ State law does not define "permanent residence address" for purposes of circulating issue petitions. A board of elections should presume that the address provided by the circulator is the circulator's permanent residence as the statement is signed under penalty of election falsification, which is a fifth degree felony. To the extent that an entity other than the Board believes that the circulator's written permanent residence address is not accurate, an informal objection or formal protest is not properly before a board of elections and should be filed with the Ohio Supreme Court as described in Section VI below.

inconsistencies with the number of signatures witnessed (see below) or with information about the circulator across part-petitions reviewed within a single county (i.e., the circulator writes different permanent residence addresses on different part-petition).

Signature undercounting: Petitions may be filed where the number of signatures reported in the circulator's statement is less than the total number of uncrossed-out signatures submitted on the part-petition (e.g., the circulator's statement indicates 20 signatures witnessed, but there are 22 signatures on the part-petition, none of which were crossed out prior to the petition being filed). In determining whether the number of signatures reported by a circulator of a part-petition matches the number of signatures on that part-petition, particularly with regard to crossed-out signatures, boards of elections should take care so as to not make a determination that is "too technical, unreasonable, and arbitrary" given the unique fact set of that petition and information available to the board, if any.¹⁹ No board may invalidate a part-petition *solely* because a circulator statement includes a number that is lower than the number of signatures it actually contains,²⁰ so long as there is no indication of fraud or material misrepresentation.²¹

However, a circulator must indicate the number of signatures on the part-petition and attest under penalty of election falsification that they witnessed the affixing of every signature.²² Thus, a Board may invalidate a part-petition when it has evidence that a circulator committed fraud.²³ Moreover, a Board must:

[i]nvestigate irregularities... or violations of Title XXXV of the Revised Code by election officers and other persons; administer oaths, issue subpoenas, summon witnesses, and compel the production of books, papers, records, and other evidence in connection with any such investigation; and report the facts to the prosecuting attorney or the secretary of state....²⁴

Signature over-counting: If the number of signatures reported in the circulator's statement is greater than the total number of uncrossed-out signatures on the part-petition (e.g., the circulator's statement indicates that the circulator witnessed 28 signatures, but there are only 5 signatures on the part-petition), then the board must reject the entire part-petition when the over-reporting of signatures on the circulator's statement appears "systemic" and numerous on part-petitions filed by one or more

circulators within the county, or across several counties, for the same petition,²⁵ unless the exception below applies.

Exception: The over-reporting error is the result of “minor or negligent miscounts”²⁶ by the circulator “so long as there is no indication of fraud or material misrepresentation”²⁷ or does not promote fraud. In this circumstance, the board must review the validity of each signature as usual.²⁸

For a statewide petition, if a circulator identifies an employer on the circulator’s statement but does not provide a corresponding address, the board must invalidate the entire part-petition.²⁹ If no employer or address is provided or if both the name of the employer and an address are provided, that aspect of the circulator’s statement is presumed, on its face, to be valid and sufficient.

Section 13.04 Processing Voter Registration Forms

When processing a statewide petition, each county board of elections must process all new, valid voter registrations and changes of name and/or address to existing registrations received by the board or the Secretary of State’s Office as of the date the petition was filed with the Secretary of State before verifying the signatures on the part-petitions.³⁰

For petitions filed with the board of elections, each board first must process all new, valid voter registrations and changes of name and /or address to existing registrations received by the board as of the date the petition was filed with the county board of elections’ office.

²⁵ “Systemic overcounts * * * are an open invitation to fraud * * * and * * * a part-petition of this type is invalid because, on its face, the attestation of the circulator is false: they did not witness the number of signatures indicated.” *Ohio Mfrs. Section 13.05 Signers

QUALIFICATIONS OF SIGNERS

- ☐ Must be a qualified elector of Ohio.³¹
- ☐ Must be registered to vote at the address provided on the petition as of the date that the petition was filed with the applicable office.³² For statewide issue petitions, the date the board of elections examines the petition.³³
- ☐ If signing a petition for a candidate seeking nomination in a partisan primary, must be a member of the political party of the candidate named on the declaration of candidacy. For purposes of signing candidate petitions for these parties, the person signing is considered to be a member of a political party if the signer voted in that party's primary election, or did not vote in any other party's primary election, in the preceding two calendar years.³⁴
- ☐ A 17-year old who will be 18 years old by the election at which the candidate or issue will appear on the ballot, and is properly registered to vote, may sign a petition.³⁵

SIGNATURES³⁶

- ☐ Each signature *must* be an original signature of that voter.³⁷
- ☐ The signature must match the signature on file with the board of elections.³⁸ A board must not invalidate a signature because an elector signed using a derivative of their first name if the board can confirm the identity of the elector.³⁹ Some acceptable examples include Jack for John or Peg for Margaret. Also, inclusion or omission of a voter's middle initial is not a reason to invalidate a signature.

See [R.C. 3501.011](#), [R.C. 3501.382\(F\)](#) and related [OAG 2015-012](#)

³⁸ If a board of elections has conducted a hearing concerning the consideration of signatures on a candidate or issue petition, it must not disregard evidence produced at that hearing. See *State ex rel. Scott v. Franklin County Board of Elections*, 139 Ohio St.3d 171; "if undisputed evidence shows a nonmatching signature to be genuine, then the board must count the signature even if it does not match the elector's legal mark on the voter-registration record" *State ex rel. - ☐ For identification purposes, the elector may print their name on the petition in addition to signing in cursive their name to the petition.⁴⁰
- ☐ The signature must be written in ink.⁴¹
- ☐ An elector's signature must not be invalidated solely because "non-signature information" was completed by another person (e.g., the elector's printed name, address, county, or the date of signing).
- ☐ Non-signature information may be added by a person other than the elector.⁴²
- ☐ No one may sign a petition more than once. If a person does sign a petition more than once, after the first signature has been marked valid, each successive occurrence of the signature must be invalidated.

Note: Most software systems deployed by county boards of elections are capable of electronically recording decisions on the validity or invalidity of each signature on a petition and tracking for duplicate signatures over time (including in those instances where petitioners are permitted to file supplemental petitions after an initial finding by the Secretary of State that the petition lacks sufficient signatures). These systems should be able to track more than one petition at a time. Additionally, these software systems should be able to produce an electronic file and a printed report of the names, addresses, and valid/invalid code for every signature reviewed by the board. If your county software system cannot provide any of these, or the board does not use that system component, please contact the Elections Division to determine a method that adequately and accurately records information to fulfill reporting and tracking standards.

ADDRESS OF A SIGNER

The petition must contain the elector's voting residence address, including the house number and street name or Rural Free Delivery ("RFD") number, and the appropriate city, village, or township.

- ☐ The elector's ward and precinct are not required.
- ☐ The elector's room or apartment number is not required.
- ☐ A post office box does not qualify as an elector's residence address.
- ☐ If an elector's address given on the petition differs from that on file with the board, then the board must invalidate that signature unless the signer has provided the elector's residence information in a format that is consistent with postal regulations as opposed to the political subdivision on file with the board

of elections (e.g., writing “Columbus” as the city when the elector’s political subdivision is “Perry Township”). A board must not reject a signature solely based on this difference.

ATTORNEY IN FACT

A registered elector who, by reason of disability, is unable to physically sign their name to a petition may authorize a qualified individual as an attorney in fact to sign the elector’s name to a petition as provided in law.⁴³

A qualified person who has been appointed as an elector’s attorney in fact may sign that elector’s name to the petition paper in the elector’s presence and at the elector’s direction.⁴⁴ The board must compare the attorney in fact’s signature on the petition with the document on file with the board office ([Form 10-F](#) or [10-G](#)).

In order to sign a petition on behalf of a registered voter as that person’s attorney in fact, the board must have a completed [Form 10-F](#) or [10-G](#) on file. Other types of power of attorney documents, filed with a court or some other agency, will not allow an individual to sign election documents on another’s behalf. The proper documentation must be on file with the board of elections.

If a person, who has not been designated the attorney in fact for elections purposes, signs another person’s name to a petition, then the board must, at a minimum, invalidate that signature. If the board determines that the circulator knowingly allowed someone who they knew was unqualified to sign on another person’s behalf, then the entire part-petition must be invalidated.⁴⁵

DATES

Each signature must be followed by the date it was affixed to the petition paper.⁴⁶ The board must not invalidate a signature solely because its date is out of sequence with other signatures on the same part-petition.

A signature on a nominating petition is not valid if it is dated more than one year before the date the petition was filed.⁴⁷

⁴⁷ [R.C. 3513.262](#); [R.C. 3513.263](#).

ILLEGIBLE SIGNATURE

The board must invalidate illegible signatures. A signature is illegible only if both the signature and address are unreadable, such that it is impossible for board personnel to query the board's voter registration system to check the signature against a voter registration record.⁴⁸

DITTO MARKS

Ditto marks may be used to indicate duplicate information, e.g., date, address, or county.⁴⁹

ONE COUNTY PER PART-PETITION

Ohio law requires part-petitions to contain signatures of electors from only one county. If a part-petition contains signatures from more than one county, the board must first determine the county with the most signatures.⁵⁰

- If the majority of the signatures are from the board's county, it may proceed to process, review, and verify all signatures on the part-petition. The board must invalidate any signatures from other counties.
- If the majority of the signatures are from a different county, the board must not process the petitions. If the petition is for a race that is not statewide, contact the board with the most signatures and the board for the county that is most populous for the specific type of petition filing. At a minimum, the board that improperly received the part-petition must transfer the part-petition to the Director or Deputy Director of the board with the majority of the signatures on the part petition. In the case of statewide races or issues, refer to the directive that accompanies the specific petition.

NON-GENUINE SIGNATURES

A board of elections must not invalidate an entire part-petition based solely on the number of non-genuine signatures it contains. Only if a circulator knowingly allows an unqualified person to sign a petition, should the entire petition be invalidated.⁵¹

Section 13.06 Marking Signatures

If a signature is valid, place a check mark in the margin to the left of the signature on the petition paper.

If a signature is invalid, indicate why it is invalid by writing in the margin to the left of the signature the appropriate code symbol for the reason the signature is invalid as follows:

CIR "Circulator." Signed as an elector the part petition they were circulating. (This invalidates the circulator's signature as a signer, but not the entire part petition.)

DUP "Duplicate." The person has signed more than one part petition or twice on the same part petition.

ILL "Illegible." Applies only if both the signature and address are unreadable, so that it is impossible to check the signature against a voter registration record.

NA "No address." The signer must have provided their complete address: house number and street name or RFD, and the appropriate city, village, or township. Failure to provide the name of the county of residence is not fatal if board officials can determine the county from the other information given. Ward and precinct information is not required.

ND "No Date." The petition does not indicate the date on which the signature was affixed. (However, acceptable are: month-date-year, month-date, date out of sequence with other signers' dates, ditto marks.)

NG "Not Genuine." The signature on the petition does not appear to be the genuine signature of the person whose signature it purports to be, compared to the signature on file with the board of elections as of the date the board checks the petition.

NR "Not Registered." The signer is not registered to vote. Each person who signs a petition paper must be a qualified elector as of the date the petition is filed or, for a statewide issue petition, as of the date that the board examines the petition.

NRA "Not Registered Address." The address provided on the petition paper is not the address on file with the board of elections as of the date petition is filed, or for a statewide issue petition, as of the date the board examines the petition.

OC "Other County." The signer is a resident of some other county. Do not cross out signature or address; instead, place code at left margin.

P "Pencil." The signature was written using a pencil.

WP "Wrong Party." The circulator or signer is of a different political party than the party listed on the declaration of candidacy.

It is advisable to use a red ink pen for making marks by the board.

After checking an entire part petition, write on the right side of the front page of each part-petition both the number of valid signatures and the initials of the board employee who checked the part-petition under the number.

Section 13.07 Filing

WHERE TO FILE DECLARATIONS OF CANDIDACY, NOMINATING PETITIONS, AND QUESTION OR ISSUE PETITIONS⁵²

For an office or issue submitted to electors throughout the entire state, including a petition for joint candidates for the offices of governor and lieutenant governor, petitions are filed with the Secretary of State's Office.

For an office or issue submitted only to electors within a county or within a district or subdivision or part thereof smaller than a county, petitions are filed with the board of elections of the county.

For an office or issue submitted only to electors of a district or subdivision or part of a subdivision that overlaps into more than one county, petitions are filed with the board of elections of the county containing the major portion of the population. The most-populous county of districts for Congress, State Senate, State Representative, State Board of Education and Court of Appeals districts is listed at the end of the Candidate Requirement Guide. If an Educational Service Center (ESC) district overlaps into more than one county, the petitions are filed in the county in which the ESC's administrative office is located.

UNFAIR POLITICAL CAMPAIGN ACTIVITIES NOTICE

At the time a person files a declaration of candidacy, nominating petition, or declaration of intent to be a write-in candidate, the Secretary of State or the board of elections shall furnish that person with a copy of [R.C. 3517.21](#), which sets forth various unfair political campaign activities. Each person who receives the copy shall acknowledge its receipt in writing.⁵³

Ohio Revised Code

Section 3513.05 Deadline for filing declaration of candidacy.

Effective: February 5, 2014

Legislation: Senate Bill 193 - 130th General Assembly

Each person desiring to become a candidate for a party nomination at a primary election or for election to an office or position to be voted for at a primary election, except persons desiring to become joint candidates for the offices of governor and lieutenant governor and except as otherwise provided in section 3513.051 of the Revised Code, shall, not later than four p.m. of the ninetieth day before the day of the primary election, file a declaration of candidacy and petition and pay the fees required under divisions (A) and (B) of section 3513.10 of the Revised Code. The declaration of candidacy and all separate petition papers shall be filed at the same time as one instrument.

When the offices are to be voted for at a primary election, persons desiring to become joint candidates for the offices of governor and lieutenant governor shall, not later than four p.m. of the ninetieth day before the day of the primary election, comply with section 3513.04 of the Revised Code. The prospective joint candidates' declaration of candidacy and all separate petition papers of candidacies shall be filed at the same time as one instrument. The secretary of state or a board of elections shall not accept for filing a declaration of candidacy and petition of a person seeking to become a candidate if that person, for the same election, has already filed a declaration of candidacy or a declaration of intent to be a write-in candidate, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any federal, state, or county office, if the declaration of candidacy is for a state or county office, or for any municipal or township office, if the declaration of candidacy is for a municipal or township office.

If the declaration of candidacy declares a candidacy which is to be submitted to electors throughout the entire state, the petition, including a petition for joint candidates for the offices of governor and lieutenant governor, shall be signed by at least one thousand qualified electors who are members of the same political party as the candidate or joint candidates, and the declaration of candidacy and petition shall be filed with the secretary of state; provided that the secretary of state shall not accept or file any such petition appearing on its face to contain signatures of more than three thousand electors.

Except as otherwise provided in this paragraph, if the declaration of candidacy is of one that is to be

submitted only to electors within a district, political subdivision, or portion thereof, the petition shall be signed by not less than fifty qualified electors who are members of the same political party as the political party of which the candidate is a member. If the declaration of candidacy is for party nomination as a candidate for member of the legislative authority of a municipal corporation elected by ward, the petition shall be signed by not less than twenty-five qualified electors who are members of the political party of which the candidate is a member.

No such petition, except the petition for a candidacy that is to be submitted to electors throughout the entire state, shall be accepted for filing if it appears to contain on its face signatures of more than three times the minimum number of signatures. When a petition of a candidate has been accepted for filing by a board of elections, the petition shall not be deemed invalid if, upon verification of signatures contained in the petition, the board of elections finds the number of signatures accepted exceeds three times the minimum number of signatures required. A board of elections may discontinue verifying signatures on petitions when the number of verified signatures equals the minimum required number of qualified signatures.

If the declaration of candidacy declares a candidacy for party nomination or for election as a candidate of a minor party, the minimum number of signatures on such petition is one-half the minimum number provided in this section, except that, when the candidacy is one for election as a member of the state central committee or the county central committee of a political party, the minimum number shall be the same for a minor party as for a major party.

If a declaration of candidacy is one for election as a member of the state central committee or the county central committee of a political party, the petition shall be signed by five qualified electors of the district, county, ward, township, or precinct within which electors may vote for such candidate. The electors signing such petition shall be members of the same political party as the political party of which the candidate is a member.

For purposes of signing or circulating a petition of candidacy for party nomination or election, an elector is considered to be a member of a political party if the elector voted in that party's primary election within the preceding two calendar years, or if the elector did not vote in any other party's primary election within the preceding two calendar years.

If the declaration of candidacy is of one that is to be submitted only to electors within a county, or within a district or subdivision or part thereof smaller than a county, the petition shall be filed with the board of elections of the county. If the declaration of candidacy is of one that is to be submitted only to electors of a district or subdivision or part thereof that is situated in more than one county, the petition shall be filed with the board of elections of the county within which the major portion of the population thereof, as ascertained by the next preceding federal census, is located.

A petition shall consist of separate petition papers, each of which shall contain signatures of electors of only one county. Petitions or separate petition papers containing signatures of electors of more than one county shall not thereby be declared invalid. In case petitions or separate petition papers containing signatures of electors of more than one county are filed, the board shall determine the county from which the majority of signatures came, and only signatures from such county shall be counted. Signatures from any other county shall be invalid.

Each separate petition paper shall be circulated by one person only, who shall be the candidate or a joint candidate or a member of the same political party as the candidate or joint candidates, and each separate petition paper shall be governed by the rules set forth in section 3501.38 of the Revised Code.

The secretary of state shall promptly transmit to each board such separate petition papers of each petition accompanying a declaration of candidacy filed with the secretary of state as purport to contain signatures of electors of the county of such board. The board of the most populous county of a district shall promptly transmit to each board within such district such separate petition papers of each petition accompanying a declaration of candidacy filed with it as purport to contain signatures of electors of the county of each such board. The board of a county within which the major portion of the population of a subdivision, situated in more than one county, is located, shall promptly transmit to the board of each other county within which a portion of such subdivision is located such separate petition papers of each petition accompanying a declaration of candidacy filed with it as purport to contain signatures of electors of the portion of such subdivision in the county of each such board.

All petition papers so transmitted to a board and all petitions accompanying declarations of candidacy filed with a board shall, under proper regulations, be open to public inspection until four

p.m. of the eightieth day before the day of the next primary election. Each board shall, not later than the seventy-eighth day before the day of that primary election, examine and determine the validity or invalidity of the signatures on the petition papers so transmitted to or filed with it and shall return to the secretary of state all petition papers transmitted to it by the secretary of state, together with its certification of its determination as to the validity or invalidity of signatures thereon, and shall return to each other board all petition papers transmitted to it by such board, together with its certification of its determination as to the validity or invalidity of the signatures thereon. All other matters affecting the validity or invalidity of such petition papers shall be determined by the secretary of state or the board with whom such petition papers were filed.

Protests against the candidacy of any person filing a declaration of candidacy for party nomination or for election to an office or position, as provided in this section, may be filed by any qualified elector who is a member of the same political party as the candidate and who is eligible to vote at the primary election for the candidate whose declaration of candidacy the elector objects to, or by the controlling committee of that political party. The protest shall be in writing, and shall be filed not later than four p.m. of the seventy-fourth day before the day of the primary election. The protest shall be filed with the election officials with whom the declaration of candidacy and petition was filed. Upon the filing of the protest, the election officials with whom it is filed shall promptly fix the time for hearing it, and shall forthwith mail notice of the filing of the protest and the time fixed for hearing to the person whose candidacy is so protested. They shall also forthwith mail notice of the time fixed for such hearing to the person who filed the protest. At the time fixed, such election officials shall hear the protest and determine the validity or invalidity of the declaration of candidacy and petition. If they find that such candidate is not an elector of the state, district, county, or political subdivision in which the candidate seeks a party nomination or election to an office or position, or has not fully complied with this chapter, the candidate's declaration of candidacy and petition shall be determined to be invalid and shall be rejected; otherwise, it shall be determined to be valid. That determination shall be final.

A protest against the candidacy of any persons filing a declaration of candidacy for joint party nomination to the offices of governor and lieutenant governor shall be filed, heard, and determined in the same manner as a protest against the candidacy of any person filing a declaration of candidacy singly.

The secretary of state shall, on the seventieth day before the day of a primary election, certify to each board in the state the forms of the official ballots to be used at the primary election, together with the names of the candidates to be printed on the ballots whose nomination or election is to be determined by electors throughout the entire state and who filed valid declarations of candidacy and petitions.

The board of the most populous county in a district comprised of more than one county but less than all of the counties of the state shall, on the seventieth day before the day of a primary election, certify to the board of each county in the district the names of the candidates to be printed on the official ballots to be used at the primary election, whose nomination or election is to be determined only by electors within the district and who filed valid declarations of candidacy and petitions.

The board of a county within which the major portion of the population of a subdivision smaller than the county and situated in more than one county is located shall, on the seventieth day before the day of a primary election, certify to the board of each county in which a portion of that subdivision is located the names of the candidates to be printed on the official ballots to be used at the primary election, whose nomination or election is to be determined only by electors within that subdivision and who filed valid declarations of candidacy and petitions.

To: Mary L. Bejjani <mbejjani@cuyahogacounty.gov>; Brent Lawler <blawler@cuyahogacounty.gov>

Good afternoon,

My name is Austin Keller from North Royalton. I filed my petition in Summit County to run for Republican State Central Committee for District 27 (now I am supposedly in 24), However redistricting has everything so messed up that I simply would like to request to withdraw my name from the ballot for Republican State Central Committee. Does an email like this suffice or would there be additional forms to complete to withdraw. I thank you in advance for your assistance in this matter.

Best regards,
Austin Keller
