Brian Cleary, Ballot Department Manager, presented information from the board packet regarding the Certification of the official results from the November 7, 2023, General Election. Mr. Cleary stated there are six automatic recounts for the November Election for Brooklyn Mayor, Brooklyn Heights Village Council, Cuyahoga Heights Village Council, Gates Mills Village Council, Rocky River Municipal Court Judge FTC 1/1/2024, and South Euclid/Lyndhurst Board of Education Member. The Automatic Recount Schedule will be posted with the dates, times and location after the Certification. The Requested Recount Deadline is 4:00 p.m. on Monday, December 4, 2023. Mr. Cleary said the post-election audit is tentatively scheduled for the week of December 18, 2023, after the automatic and requested recounts are completed. The Ballot Department will use the standard risk-limiting audit method to audit three races. The SOS has assigned the audits of Issues 1 and 2. The third race to be audited will be Issue 5. Director Perlatti stated the cost for a requested recount is \$65.00 per precinct. When a recount is conducted, about five percent of the ballots are selected, and that five percent is hand-counted. The information is then compared and scanned. When the data is compared and matched, the remaining 95 percent of the ballots are scanned. The same process is used for an automatic and requested recount per the statute.

- There are 18 chapters in the EOM, consisting of Directives 2023-21 through 2023-37. All Directives that constituted the previous version of the EOM have been rescinded.
- All boards of elections' members, directors, deputy directors, and staff are strongly encouraged to review the new Directives and bookmark the EOM in their web browsers so that each person may easily access and use it on a regular basis.

Re: Updated Election Official Manual

**BACKGROUND**

Consistent with our goals of continuing to provide clear and uniform instructions for all boards of elections and continual improvement in election administration, I am issuing replacement permanent Directives for all chapters of the Ohio Election Official Manual ("EOM"). Some chapters had substantive changes, others were simply renumbered in the process. The chapters with substantive changes were previously published as draft Directives on the Secretary of State's website and were available for public comment.<sup>1</sup>

The previous Directives that constitute these eight chapters are hereby rescinded. All Directives no longer in effect are archived on the Secretary of State's website.<sup>2</sup>

**INSTRUCTIONS**

The following updated permanent Directives, and the corresponding chapters of the EOM, are hereby issued and in full, immediate effect:

# Directive

s. Directive 2023-39; Examination  
and Verification of Petitions filed  
with the Secretary of State's Office

**RELEASED: December 22, 2023**

## **SUMMARY**

- *Directive 2023-39* provides instructions on the examination and verification of signatures for candidate petitions filed with the SOS for the 2024 Presidential Primary Election.
- The examination and verification of signatures must be complete, and the certification forms returned to the SOS by **12:00 p.m. on Tuesday, January 2, 2024**.
- The original part-petitions must be shipped via trackable delivery method and received by the SOS no later than **Friday, January 5, 2024**.
- *Note:* The SOS office has moved to 180 Civic Center Drive, Columbus, Ohio 43215-4138.
- In total, the CCBOE was given 384 part petitions, totaling 8,813 signatures, to examine and verify.

## **VERIFYING THE VALIDITY OF PART-PETITIONS AND SIGNATURES**

Before verifying the signatures on the part-petitions, the CCBOE must process all new, valid voter registrations as well as changes of names and addresses received as of the date the petition was filed with the SOS. The CCBOE must review each candidate's petitions (including those of each delegate at-large or district delegate) independently of other candidates' petitions. The entire part-petition is invalid if the circulator's statement is not completed as required by law.

## **PART-PETITION BELONGING TO ANOTHER COUNTY**

If the CCBOE receives a part-petition with a majority of signatures from another county, it may not determine the validity of that part-petition or review the signatures contained on it. Instead, it must promptly follow the steps outlined in this *Directive* to deliver these part-petition(s) to that county.

## **SCANNING THE PART-PETITIONS**

After the CCBOE finishes checking the signatures on the part-petitions, it must electronically scan each part-petition. A copy of the scanned images – one for each candidate, e.g. each delegate – must be uploaded to the SOS and an electronic copy of the images retained for the CCBOE's records.

## **FULFILLING PUBLIC RECORDS REQUESTS**

The CCBOE may receive public records requests for copies of the part-petitions. It should consult with its county prosecuting attorney before rejecting, fulfilling, or responding to any public records request.

## **CERTIFICATION & RETURN OF PETITIONS**

As soon as the CCBOE finishes verifying the signatures on the part-petitions, it must return a completed certification form electronically for *each* candidate's petition. The director and deputy director must sign the certification forms.

**DIRECTIVE 2023- 39**

December 22, 2023

To: All County Boards of Elections  
Board Members, Directors, and Deputy Directors

Re: Examination and Verification of Petitions Filed with the Secretary of State's Office

**SUMMARY**

This Directive provides instructions on the examination and verification of signatures for candidate petitions filed with the Ohio Secretary of State for the 2024 Primary Election. In lieu of issuing a separate directive with each candidate's petition, this Directive applies to each petition filed with the Ohio Secretary of State's office and transmitted to county boards of elections for review.

The examination and verification of signatures must be complete and the certification forms returned to the Secretary of State's office by **12:00 p.m. on Tuesday, January 2, 2024.**<sup>1</sup> Please note that the Secretary of State's office is closed for New Year's Day on January 1, 2024. County boards of elections are encouraged to return certification forms as soon as possible.

The original part-petitions must be shipped via trackable delivery method no later than **Tuesday, January 2, 2024**. The part-petitions must be received by the Secretary of State's Office by **Friday, January 5, 2024**. Please note that the office has moved to 180 Civic Center Drive, Columbus, Ohio 43215-4138.

**VERIFYING THE VALIDITY OF PART-PETITIONS AND SIGNATURES**

Please carefully read this Directive and Chapter 13 ("Petitions," Directive 2023-38) of the Election Official Manual before the board examines the petitions sent to your county.

Before verifying the signatures on the part petitions, each board of elections must process all new, valid voter registrations as well as changes of names and addresses to

---

<sup>1</sup> 78 days before the primary election, as required by [R.C. 3513.05](#). As the statutory deadline falls January 1, 2024, a day when the offices of the Secretary of State and boards of elections are closed, the deadline is extended, pursuant to [R.C. 1.14](#), to the next succeeding day when the appropriate office is open for regular business hours. The January 2, 2024 date reflects that extended deadline.

existing registrations received by the board or the Secretary of State's office as of the date the petition was filed with the Secretary of State.<sup>2</sup>

The board must verify all petition signatures, electronically record decisions on the validity or invalidity of each signature on the voter registration record, track for duplicate signatures, and ensure that the voter registration record is updated accordingly.

The board must review each candidate's petitions (including those of each delegate at-large or district delegate) independently of other candidates' petitions. Prior to verifying the validity of individual signatures contained on a part-petition, the board of elections must verify the validity of that part-petition. To verify the part-petitions, the board must check each part-petition to determine whether the circulator's statement on the part-petition has been properly completed. The entire part-petition is invalid if the circulator's statement is not completed as required by law.<sup>3</sup>

### **PART-PETITION BELONGING TO ANOTHER COUNTY**

If a board receives a part-petition with a majority of signatures from another county, that board of elections may not determine the validity of that part-petition or review the signatures contained on it. Instead, it must promptly follow the steps below, complete the following two spreadsheets, and return them in the envelopes provided when all part-petitions are returned to the Secretary of State's office:

1. Part-Petitions Sent Spreadsheet [Original Part-Petition(s)], and
2. Part-Petitions Received Spreadsheet [Emailed Part-Petition(s)].

If a board of elections receives a part-petition(s) that belongs to another county:

1. Contact the director or deputy director at the other county board by phone to notify them that your board will be forwarding a scanned copy of a part-petition(s).
2. Log the transfer of the part-petition(s) being sent on the "Part-Petitions Sent" spreadsheet.
3. Send the copy of the part-petition(s) via email to the director and deputy director.
4. Return the original part-petition(s) with the "Part-Petitions Sent" spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State's office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

---

<sup>2</sup> [R.C. 3501.38\(A\), \*State ex rel. Oster vs. Lorain Cty. Bd. of Elections\*, 93 Ohio St. 3d 480 \(2001\).](#)

<sup>3</sup> [R.C. 3501.38](#)

If a board of elections receives a copy of a part-petition from another county:

1. Log the part-petition(s) that the board received on the "Part-Petitions Received" spreadsheet.
2. Process the part-petition(s).
3. Return the emailed part-petition(s) with the "Part-Petitions Received" spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State's office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

**Note:** Even if a board does not email a copy of a part-petition(s) to another county and/or does not receive a copy of a part-petition from another county, the board must enter the county name and mark the box (X) in the top righthand corner of the spreadsheet and place it in the correct envelope. When the board returns its checked part-petitions to the Secretary of State's office, place both envelopes on top of the checked part-petitions so they can be easily located and retrieved from the box.

### **SCANNING THE PART-PETITIONS**

After the board of elections finishes checking the signatures on the part-petitions, the board must electronically scan each part-petition. A copy of the scanned images – one for each candidate, e.g. each delegate – must be uploaded to the Secretary of State's SharePoint site (using the instructions accompanying this Directive). Each board must retain an electronic copy of the images for the board's records.

### **FULFILLING PUBLIC RECORDS REQUESTS**

Boards of elections may receive public records requests for copies of the part-petitions. Boards should consult with their statutory legal counsel, the county prosecuting attorney, before rejecting, fulfilling, or responding to any public records request.

### **CERTIFICATION & RETURN OF PETITIONS**

As soon as the board of elections finishes verifying the signatures on the part-petitions, the board must return a completed certification form for each candidate's petition. The certification form for each candidate's petition must be completed and submitted electronically via Elect Collect by clicking the "Submit" button. Each certification form must also be saved and printed. The director and deputy director must sign the

certification forms and upload the signed certification form to the SharePoint site.<sup>4</sup> **All certification forms and scanned images of petitions must be submitted by 12:00 p.m. on Tuesday, January 2, 2024.**

Once the certification forms have been submitted, county boards of elections must promptly return the original part-petitions to the Secretary of State's office, Elections Division, 180 Civic Center Drive, Columbus, Ohio 43215-4138 via trackable delivery method. **All original part-petitions must be received by the Secretary of State's office no later than Friday, January 5, 2024.**

Finally, I recognize that due to the requirements in state law and the timing set for next year's primary election, you will be working hard throughout the holiday season. I personally appreciate the dedication, patriotism and sacrifice that you exhibit every day as our state's elections officials.

If you have any questions concerning this Directive, please contact the Secretary of State's elections counsel at (614) 728-8789.

Yours in service,

Frank LaRose  
Ohio Secretary of State

<sup>4</sup> If a board has not appointed a Deputy Director or Director, then the Board Chairperson or a board member of the opposite party, respectively, must sign the certification forms.

# Post-Election Audit Summary

## September 12, 2023 Primary Election

*Garfield Heights Council Ward 2*

*Maple Heights Council District 6*

There were 358 total ballots cast in the September 12, 2023 Primary Election. A hand count was conducted of 358 ballots cast in the audited contest. The accuracy rate for the post-election audit is 100%.

On December 19, 2023, the Ballot Department conducted one Risk-Limiting Post-Election Audit for the September 12, 2023 Primary Election. Audited race and batch details are provided below:

RACE	TOTAL BALLOTS CAST	UNIQUE BATCHES AUDITED	TOTAL BALLOTS AUDITED	NUMBER OF PRECINCTS IN CONTEST
Garfield Heights Council Ward 2	147	2	147	2
Maple Heights Council District 6	211	2	211	2
<b>Total</b>	<b>358</b>	<b>4</b>	<b>358</b>	<b>4</b>

Our Risk-Limiting Audits were based upon the Kaplan-Markov method as explained by Philip B. Stark and Mark Lindeman. Auditing best practices recommend we split up the total ballots cast by precinct into multiple batch types. We utilized six batch types each consisting of one single ballot type category: Vote-by-Mail, Election Day, Early In-Person, Provisional, Post Vote-by-Mail, and Post Election Day.

A master spreadsheet was created for each contest with statistical formulas to determine the number of batches that must be audited to reach a 90% confidence level. This confidence level means the audit has at least a 90% probability of leading to a full recount if the apparent outcome is incorrect.

We used a "Probability Proportional to Error Bound with Replacement" selection method. We assigned numbers ranging from 000 through 999 for each batch within each contest. Unique ranges of numbers were allocated to specific batches based upon their error bound - i.e. the greater the possibility of a miscount within a batch, the more numbers assigned, and the more likely it is to be selected. For example, if a single batch has a high probability of a miscount, multiple numbers would be assigned to that single batch, making the random selection of that batch more likely during the audit. Each of those individual numbers might be randomly selected and included in the overall batch audit requirement, but the single batch to which those numbers are assigned would need to be audited only once. To obtain the precinct batch number we rolled differently colored dice numbered 0 - 9, each one of the colored dice representing one digit of the batch number.

B. Hall Resignation letter from BOE 12.11.23 (1).pdf;

Hi Cory...

I received your voicemail regarding the Board of Education seat/vacancy.

Brian Hall did resign, effective 12/31/23, his letter is attached.

The BOE is accepting letters of interest from applicants through this Friday 12/22/23. The BOE will speak, meet, interview candidates on 1/8/24 and 1/9/24.

Appointment of a new BOE member to take the vacant seat will occur between 1/10/24 - 1/30/24.

We are aware that the person serving in this capacity will have to run in the November 2025 election, so they will basically only serve 2 yrs of a 4 yr term. In the 2025 election that will be for a 4yr term.

Please let me know what paperwork we need to complete....I am sorry I was unaware I needed to notify you until there was a new appointment.

Thank you,

## Chapter 15 – Political Party

WRITE-IN CANDIDATES

Special rules govern write-in candidates for party controlling committees:

- ☐ A board of elections may not accept declarations of intent to be a write-in candidate for state central committee of a political party. If no valid declaration of candidacy was filed for the position, the office does not appear on the ballot.<sup>39</sup>
- ☐ However, a board of elections may accept valid declarations of intent to be a write-in candidate for county central committee of a political party even if no valid declarations of candidacy were filed for the position. In such cases, the board shall provide a write-in space on the ballot.<sup>40</sup>

ELECTED AND NOT NOMINATED

1. 17-year-old Voter

It is important to remember that state and county central committee members are elected and not nominated at the Primary Election. Accordingly, voters who are 17 years old as of the primary election are not permitted to vote for the following:

- ☐ State Party Central Committee;
- ☐ County Party Central Committee; and
- ☐ Questions and Issues.

In presidential primary elections, a 17-year-old voter is permitted to vote for presidential delegates.<sup>41</sup>

2. Candidate Affiliated with Party

A candidate for member of a major party's state or county central committee must not have voted in a different political party's primary in the current year or immediately preceding two calendar years. R.C. 3513.191 provides as follows:

(A) No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years.

Because central committee members are elected, rather than nominated, at the primary election, the exceptions contained R.C. 3513.191(B) do not apply.

## ORC Section 3513.191

Disqualification of candidate for party primary.

Ohio Revised Code  
Section 3513.191 Disqualification of candidate for party primary.  
Effective: August 22, 1995  
Legislation: House Bill 99 - 121st General Assembly

(A) No person shall be a candidate for nomination or election at a party primary if the person voted as a member of a different political party at any primary election within the current year and the immediately preceding two calendar years.

(B) Notwithstanding division (A) of this section, either of the following persons may be candidates for nomination of any political party at a party primary:

(1) A person who does not hold an elective office;

(2) A person who holds an elective office other than one for which candidates are nominated at a party primary.

(C)(1) Notwithstanding division (A) of this section, a person who holds an elective office for which candidates are nominated at a party primary may be a candidate at a primary election held during the times specified in division (C)(2) of this section for nomination as a candidate of a political party of which the person is prohibited from being a candidate for nomination under division (A) of this section if the person files a declaration of intent to seek the nomination of that party and if, by filing the declaration, the person has not violated division (C)(3) of this section. The declaration of intent shall:

(a) Be filed not later than four p.m. of the thirtieth day before a declaration of candidacy and petition is required to be filed under section 3513.05 of the Revised Code;

(b) Be filed with the same official with whom the person filing the declaration of intent is required to file a declaration of candidacy and petition;

(c) Indicate the political party whose nomination in the primary election the person seeks;

(d) Be on a form prescribed by the secretary of state.

(2) No person filing a declaration of intent under division (C)(1) of this section shall be a candidate at any primary election for nomination for an elective office for which candidates are nominated at a party primary during the calendar year in which the person files the declaration or during the next calendar year except as a candidate of the party indicated under division (C)(1)(c) of this section.

(3) No person who files a declaration of intent under division (C)(1) of this section shall file another such declaration for a period of ten years after the declaration is filed.

(4) Notwithstanding the seventh paragraph of section 3513.05 of the Revised Code, a person who complies with this section may circulate that person's own petition of candidacy for party nomination at the party primary at which the person seeks nomination under this section.

**Petition for Board Review**  
**Insufficient Signatures**

**James Hemphill – U.S. Congress District 11 – Republican**

**Timeline:**

- 12/20/2023 Candidate filed a part-petition
- Valid Signatures Required: 50
  - Signatures filed: 68
  - Valid Signatures: 47
  - Petition signatures short: 3
- 12/21/2023 Candidate was emailed and was called indicating that the petition had insufficient signatures and was encouraged to withdraw. Candidate indicated he wanted to discuss the invalid signatures. Candidate was given Registration Manager Wheat's phone number.
- 12/22/2023 Candidate met with Manager Wheat and reviewed all the invalid signatures with the candidate. It appeared to Manager Wheat that the candidate mainly did not agree with the "not genuine" petition signers.
- Candidate indicated via email to CPS Manager Lawler that "I personally verified that more than 50 signatures should have been validated and will be prepared to defend my finding in the hearing on January 2nd."
- Manager Lawler responded: "You will need to submit to us by noon on Thursday what signers you choose to challenge, why they are valid, and any other information you wish the Board to consider."

**Note:**

***Election Officials Manual Chapter 13: PETITIONS – Section 13.05 Signers***

- Each signature *must* be an original signature of that voter. 38
- The signature must match the signature on file with the board of elections.

38 Footnote: [R.C. 3501.38\(B\)](#). "Generally, signing or affixing a signature to an election-related document requires a person's written, cursive-style legal mark written in that person's own hand..."

**RECOMMENDATION:** Candidate's petition does not have the qualifying minimum valid signatures, and therefore should not be certified to the March 19, 2024 Primary Election.

ORC Section 3501.011 |  
Legal mark of registered elector

## Ohio Revised Code

### Section 3501.011 Legal mark of registered elector.

Effective: September 26, 2003

Legislation: House Bill 95 - 125th General Assembly

(A) Except as otherwise provided in divisions (B) and (C) of this section, and except as otherwise provided in any section of Title XXXV of the Revised Code to the contrary, as used in the sections of the Revised Code relating to elections and political communications, whenever a person is required to sign or affix a signature to a declaration of candidacy, nominating petition, declaration of intent to be a write-in candidate, initiative petition, referendum petition, recall petition, or any other kind of petition, or to sign or affix a signature on any other document that is filed with or transmitted to a board of elections or the office of the secretary of state, "sign" or "signature" means that person's written, cursive-style legal mark written in that person's own hand.

(B) For persons who do not use a cursive-style legal mark during the course of their regular business and legal affairs, "sign" or "signature" means that person's other legal mark that the person uses during the course of that person's regular business and legal affairs that is written in the person's own hand.

(C) Any voter registration record requiring a person's signature shall be signed using the person's legal mark used in the person's regular business and legal affairs. For any purpose described in division (A) of this section, the legal mark of a registered elector shall be considered to be the mark of that elector as it appears on the elector's voter registration record.

Election Officials Manual  
Chapter 13: PETITIONS  
Section 13.05 Signers

circulators within the county, or across several counties, for the same petition,<sup>25</sup> unless the exception below applies.

**Exception:** The over-reporting error is the result of “minor or negligent miscounts”<sup>26</sup> by the circulator “so long as there is no indication of fraud or material misrepresentation”<sup>27</sup> or does not promote fraud. In this circumstance, the board must review the validity of each signature as usual.<sup>28</sup>

For a statewide petition, if a circulator identifies an employer on the circulator’s statement but does not provide a corresponding address, the board must invalidate the entire part-petition.<sup>29</sup> If no employer or address is provided or if both the name of the employer and an address are provided, that aspect of the circulator’s statement is presumed, on its face, to be valid and sufficient.

## Section 13.04 Processing Voter Registration Forms

When processing a statewide petition, each county board of elections must process all new, valid voter registrations and changes of name and/or address to existing registrations received by the board or the Secretary of State’s Office as of the date the petition was filed with the Secretary of State before verifying the signatures on the part-petitions.<sup>30</sup>

For petitions filed with the board of elections, each board first must process all new, valid voter registrations and changes of name and /or address to existing registrations received by the board as of the date the petition was filed with the county board of elections’ office.

## Section 13.05 Signers

### QUALIFICATIONS OF SIGNERS

- ☐ Must be a qualified elector of Ohio.<sup>31</sup>
- ☐ The signature of a candidate who signs the candidate’s own nominating petition cannot be included in determining whether the petition contains the minimum number of signatures required by law.<sup>32</sup>

<sup>25</sup> “Systemic overcounts . . . are an open invitation to fraud . . . and . . . a part-petition of this type is invalid because, on its face, the attestation of the circulator is false: they did not witness the number of signatures indicated.” *Ohio Mfrs. Assn. v. Ohioans for Drug Price Relief Act*, 149 Ohio St.3d 250, at ¶44.

<sup>26</sup> *Ohio Mfrs. Assn. v. Ohioans for Drug Price Relief Act*(2016), 149 Ohio St.3d 250, at ¶44.

<sup>27</sup> *State ex rel. Schwarz v. Hamilton Cty. Bd. of Elections*(1962), 173 Ohio St. 321; *State ex rel. Curtis v. Summit Cty. Bd. of Elections*(2015), 144 Ohio St.3d 405 at ¶8.

<sup>28</sup> *State ex rel. Citizens for Responsible Taxation v. Scioto Cty. Bd. of Elections*(1992), 65 Ohio St.3d 167.

<sup>29</sup> *R.C. 3519.05; R.C. 3519.06(A).*

<sup>30</sup> *R.C. 3501.38(A); R.C. 3519.15.*

<sup>31</sup> *R.C. 3501.38(A).*

<sup>32</sup> *State ex rel. Kucinich v. Duffy*(1970), 22 Ohio St.2d 61, 61-62.

- ☐ Must be registered to vote at the address provided on the petition as of the date that the petition was filed with the applicable office.<sup>33</sup> For statewide issue petitions, the relevant date is the date that the board of elections examines the petition.<sup>34</sup>
- ☐ If signing a petition for a candidate seeking nomination in a partisan primary, must be a member of the political party of the candidate named on the declaration of candidacy. For purposes of signing candidate petitions for these parties, the person signing is considered to be a member of a political party if the signer voted in that party's primary election, or did not vote in any other party's primary election, in the preceding two calendar years.<sup>35</sup>
- ☐ A 17-year old who will be 18 years old by the election at which the candidate or issue will appear on the ballot, and is properly registered to vote, may sign a petition.<sup>36</sup>

## SIGNATURES<sup>37</sup>

- ☐ Each signature *must* be an original signature of that voter.<sup>38</sup>
- ☐ The signature must match the signature on file with the board of elections.<sup>39</sup> A board must not invalidate a signature because an elector signed using a derivative of their first name if the board can confirm the identity of the elector.<sup>40</sup> Some acceptable examples include Jack for John or Peg for Margaret. Also, inclusion or omission of a voter's middle initial is not a reason to invalidate a signature.
- ☐ For identification purposes, the elector may print their name on the petition in addition to signing in cursive their name to the petition.<sup>41</sup>
- ☐ The signature must be written in ink.<sup>42</sup>

<sup>33</sup> [R.C. 3501.38\(A\)](#).

<sup>34</sup> [R.C. 3519.15](#).

<sup>35</sup> [R.C. 3513.05, 17](#).

<sup>36</sup> [R.C. 3503.06\(C\)\(1\)\(a\)](#).

<sup>37</sup> [R.C. 3501.011](#).

<sup>38</sup> [R.C. 3501.38\(B\)](#). Generally, signing or affixing a signature to an election-related document requires a person's written, cursive-style legal mark written in that person's own hand. However, voters with a disability may personally affix their signature through the use of a reasonable accommodation, including the use of assistive technology or an augmentative device such as a signature stamp. See [R.C. 3501.011](#), [R.C. 3501.382\(F\)](#) and related [QAG 2015-012](#).

<sup>39</sup> If a board of elections has conducted a hearing concerning the consideration of signatures on a candidate or issue petition, it must not disregard evidence produced at that hearing. See [State ex rel. Scott v. Franklin County Board of Elections\(2014\)](#), 139 Ohio St.3d 171; "if undisputed evidence shows a nonmatching signature to be genuine, then the board must count the signature even if it does not match the elector's legal mark on the voter-registration record" [State ex rel. Crowl v. Delaware Cty. Bd. of Elections\(2015\)](#), 144 Ohio St.3d 346; [State ex rel. Burroughs v. Summit Cty. Bd. of Elections\(2015\)](#), 145 Ohio St.3d 220.

<sup>40</sup> [State ex rel. Rogers v. Taft\(1992\)](#), 64 Ohio St.3d 193.

<sup>41</sup> [R.C. 3501.38\(B\)](#).

<sup>42</sup> [R.C. 3501.38\(B\)](#).

- ☐ An elector's signature must not be invalidated solely because "non-signature information" was completed by another person (for example, the elector's printed name, address, county, or the date of signing).
- ☐ Non-signature information may be added by a person other than the elector.<sup>43</sup>
- ☐ No one may sign a petition more than once. If a person does sign a petition more than once, after the first signature has been marked valid, each successive occurrence of the signature must be invalidated.

**Note:** Most software systems deployed by county boards of elections are capable of electronically recording decisions on the validity or invalidity of each signature on a petition and tracking for duplicate signatures over time (including in those instances where petitioners are permitted to file supplemental petitions after an initial finding by the Secretary of State that the petition lacks sufficient signatures). These systems should be able to track more than one petition at a time. Additionally, these software systems should be able to produce an electronic file and a printed report of the names, addresses, and valid/invalid code for every signature reviewed by the board. If your county software system cannot provide any of these, or the board does not use that system component, please contact the Elections Division to determine a method that adequately and accurately records information to fulfill reporting and tracking standards.

## ADDRESS OF A SIGNER

The petition must contain the elector's voting residence address, including the house number and street name or Rural Free Delivery ("RFD") number, and the appropriate city, village, or township.

- ☐ The elector's ward and precinct are not required.
- ☐ The elector's room or apartment number is not required.
- ☐ A post office box does not qualify as an elector's residence address.
- ☐ If an elector's address given on the petition differs from that on file with the board, then the board must invalidate that signature unless the signer has provided the elector's residence information in a format that is consistent with postal regulations as opposed to the political subdivision on file with the board of elections (for instance, writing "Columbus" as the city when the elector's political subdivision is "Perry Township"). A board must not reject a signature solely based on this difference.
