Monday Night Organizational Meeting

The Monday Night Organizational Meeting is held from 6:00 p.m. until approximately 8:00 p.m. It provides Precinct Election Officials (PEOs) with an opportunity to inventory their election supplies and prepare the Polling Location for voting on Election Day. This includes setting up tables, voting booths, Electronic Pollbooks, Ballot Scanners and ADA Ballot Marking Devices.

First Round Tasks		
1		Arrive at your first assigned Polling Location by 5:30 PM.
		If you have Green Supply Bags/EPB Cases that were unable to be delivered to a Polling Location during the Monday afternoon delivery, make that your first stop!
2		Confirm the door to the building and the voting area is unlocked/open.
		If the location is not open by 5:45 p.m., inform your Zone Captain of the situation immediately during your mandatory call. Record the incident on the Rover Log.
3		Enter the Polling Location and introduce yourself to the Voting Location Manager (VLM) if they are present. <ul style="list-style-type: none">• Make sure you are wearing your BOE Identification and that it is visible at all times.• Do not touch any voting equipment without the knowledge and permission of the VLM.

Second Round Tasks		
1		Return to your first Polling Location.
2		Verify the VLM has retrieved the BOE cell phone and made his/her Mandatory Monday Night Arrival Call to the BOE.
3		Call the BOE cell phone or landline phone to verify that it is operational and the ringer volume is turned up.
		If the VLM is missing, have the Voting Location Deputy (VLD) call the Election Response Hotline at 216-443-3277 to report the missing VLM and ask for instructions.
4		Verify the voting room is set up according to the Location Setup Diagram provided in the Location Binder. If the Polling Location has not started the set up yet, you can return at a later time to verify the Location Setup Diagram after checking other assigned location to verify the VLM has retrieved the BOE cell phone and made his/her Mandatory Monday Night Arrival Call to the BOE.
		The Polling Location should be set up as shown on the diagram, especially the MiFi Hotspot. <u>Any changes to the location setup must be approved by the BOE.</u> Notify the Election Response Team and Zone Captain of any changes that take place. Record updates on Rover Log.
		If you are not able to verify the Location Setup Diagram because your assigned location has completed their Monday Night Organizational Meeting and left for the night, verify the Location Setup Diagram after your first Mandatory Call on Tuesday Morning.
5		Record any additional supplies needed from the Zone Stations for Election Day (extension cords, surge protectors, etc.).
6		Once the Polling Location has been set up correctly, sign the bottom of the Location Setup Diagram in your Location Binder in the space provided.

8		Proceed to your next assigned polling location. Repeat steps 2 – 8.
