NOTICE OF VOTING EQUIPMENT SECURITY SUMMIT

The Cuyahoga County Board of Elections will be hosting a virtual Voting Equipment and Tabulation System Security Summit on Friday, February 5, 2021, at 10:00 a.m. in continuation of the ongoing voting equipment and tabulation system acquisition process. The virtual event will focus on the hardware and software security of the certified voting tabulation systems available from Clear Ballot Group, Elections Systems and Software (ES&S), and Hart InterCivic. A livestream of the virtual event will be available to the public on the Cuyahoga County Board of Elections YouTube channel, @CuyahogaCountyBOE.

For those unavailable to view the livestream, a link to the video recording of the presentations will be available on the homepage of the Cuyahoga County Board of Elections' website, www.443vote.us, the following week.
